

DARING AVIATORS. CURTIS, FAMOUS MAN BIRD

Captain Baldwin, J. C. Mars and Others Will Give a Three-Day Meet at Brunot Island Race Track, Pittsburg, Pa., Each Afternoon, August 4th, 5th and 6th.

Glenn H. Curtiss recently won the \$10,000 purse offered by the New York World for a flight from Albany, N. Y., to Governor's Island. He also finished six weeks' exhibition for the Government, demonstrating that the aeroplane can be used in time of war. His exhibition of sailing over the ocean at Atlantic City surpassed all previous flights.

During his stay at Brunot Island he will demonstrate all movements of the aeroplane.

The Pittsburg Aero Club, under whose auspices he is flying, has made superb arrangements for handling the crowds.

A line of steamers will leave Sixth street bridge every ten minutes.

Lake Erie R. R. will run special trains every ten minutes. Coraopolis, Island Avenue, West Park and McKees Rocks street car every 5 minutes to McKees Rocks, where a pontoon bridge has been erected direct to the Island free to the patrons. Woods Run street car from city every five minutes to Sterling street, where a new line of ferries will be running.

This exhibition of aeroplane manipulations will be the sight of a lifetime. A similar exhibition was given in the State of Arizona, people coming 1,500 miles to witness it. Any of our readers visiting Pittsburg during this meet are advised to cut this out, take it with them for reference.
