## Attention, Bucktails

The twenty-third Annual Reunion of the Regimental Association of the Old "Bucktails," First Rifles, P. R. V. C., will be held at Gettysburg, Pa., on Tuesday, September 29th, 1910, at which time the State Memorial will be dedicated. Headquarters will be opened at the Battie Field Hotel, on Baltimore street, on Monday, Sept. 26th, 1910, where accommodations may be secured at a rate of \$2.00 per day, including meals. Both the active and honorary members of the Association, who expect to attend the Reunion, should arrange for quarters in advance, as the crowd promises to be very large. To do so, address, "Mrs. Elsie Braunreuter, Battie Field Hotel, Baltimore Street, Gettysburg, Pa.," as soon as possible. All members of the Association will report at headquarters immediately upon arrival, where they will be furnished with the official badge and duly registered. The annual dues of the Association are now due and payable. The same may be sent to the Treasurer, Hugh M. Irwin, Curwensville, Pa. Acknowledgment will be made in the next publication. The Bucktail insignia will be worn by all members of the Association during the ceremonies. It is desired that all Comrades supply themselves with one before leaving their homes. Members of the Association who have changed their address, or have positive information of the death of a member, notify the secretary at once, in order that the records may be properly corrected. "For the Dedication of the State Memorial, soldiers of Pennsylvania Regiments or other organizations which participated in the Battle of Gettysburg can have free transportation to and from Gettysburg (and the public a rate of 1 1/2 cents per mile each way) from the railroad station in Pennsylvania nearest to the homes of each, tickets to be good, going, from Sept 24th to Sept. 27th, and good, returning, to each original starting point not later than Sept. 30th."

"To arrange for railroad tickets for soldiers entitled to free transportation, and to provide seats for them at the dedication, each such soldier is requested to send to the Commission at once his full name and Post Office address, together with the name of the Regiment and Company in which he served, addressed to the GETTYSBURG BATTLEFIELD MEMORIAL COMMISSION, Post Office Box 533 Philadelphia, Pa." And now, Bucktails, we should be present, if we can, at this coming Reunion. Next year many of us will only be "accounted for." Let us utilize the present opportunity then, to get together in greater numbers than ever, and enjoy a Bucktail Reunion on this historic ground, made sacred by the loss of so many of our comrades.

By order of the Governing Committee,  
WILLIAM H. RAUCH, Chairman.  
Philadelphia, Aug. 1910.

### Some Receiver.

On Saturday last this town was visited by many lawyers and railroad men, interested in the affairs of the Buffalo & Susquehanna railroad, some of them coming by special train from Buffalo. It seems that the B. & S. Railway Company, which went into the hands of a receiver, last May, was the lessee of the B. & S. Railroad Company, which owned the property. The same receiver, Harry I. Miller, was appointed Saturday, for the last named corporation.—Petter Journal.

### Gone to Michigan.

Ben G. Hackett and Michael May, Jr., of this county, both being employed at Sinnamonahoning, left on Tuesday for Ishpeming, Mich., where they will be employed at the Pluto Powder Works, located at National Mine P. O. What "big talk" there will be when they meet O'Connor? Of course the Press follows them.

### Gone to Buffalo.

W. L. Carter, of Rich Valley, went to Buffalo last Friday to enter the automobile business. Will is an energetic and steady gentleman and we feel sure he will meet with success in Buffalo.

### Benefit Dance.

The Keystone National base ball team will give a dance at Emporium opera house, Friday evening, Aug. 12th. Price 50c per couple. Good music has been engaged and a good time assured.

### Westbrook Commercial Academy.

A private, high grade school. Business, Shorthand, Typewriting, English courses. 29th year will open Sept. 6.

### Will Open September 6.

Westbrook Academy will begin its 29th year September 6.

## WILL ENLARGE WATER SYSTEM

### Contract Awarded Tuesday Evening to a Bradford Firm,

The long talked about enlargement of the Emporium Water Company's system was on Tuesday evening contracted for. A number of gentlemen met at the office of the Water Company, in Parsons' Bazaar, when the several bids were opened, Applegate & Son, of Bradford, being the lowest bidders. Their bid was \$37,000, for the erection of a reservoir of 3,000,000 gallon capacity, which includes the laying of the pipe to Emporium, the Water Company to furnish the pipe. The contractors have until Jan. 1st, 1911, to complete their work. Work will commence at once. The new reservoir will be located 2 1/2 miles up Salt Run and it is estimated will cover over nine acres of land.

We all hope this movement may result in the upbuilding of the capacity of supply for Emporium has certainly suffered a scarcity of good pure water.

### Public Address and Coming Convention.

Under the auspices of the local W. C. T. U., of this place, a public address from the topic, "The Legislative Side of the Temperance Question," was made by Mrs. Adda Boileau Parsells, of Philadelphia, Pa. A large audience, mostly men, manifested their appreciation of the address, by quietly standing over an hour during the address and then waiting to contribute about eleven dollars to the local W. C. T. U., to assist the ladies in advancing the temperance reform in this place.

Mrs. Parsells was favorably impressed by the courteous manner and attention of her audience, and went away very favorably impressed with the citizens of our town. Many have expressed a desire to have Mrs. Parsells with us again in the near future.

The County Convention of the W. C. T. U., of Cameron county, will be held in the Methodist Church, at Emporium, Aug. 29-30. Mrs. Ella George, State President, and Mrs. S. C. Wilson, State Organizer of the W. C. T. U., will be present at the convention. Able speakers will favor the delegates and audiences of the convention with many good parts of a carefully prepared program. Remember the date of the convention. A cordial invitation to all.

Mrs. M. E. SCHRINER,  
President, W. C. T. U.

### Young Men and Women.

Are you interested in making the most and best of your life? If so, let the Clarion State Normal School open correspondence with you with a view to helping you to get a good educational equipment. It has helped hundreds to enlarge their spheres of usefulness; it can and will help you. Write for illustrated catalog to J. George Becht, Principal, Clarion, Pa.

### Some Fine Peas.

Ye editor was presented with a jar of fine green peas last week, the product of the garden of Mrs. L. A. Chandler, of North Creek. The peas were of the sweetest variety and certainly we appreciated the gift of Mrs. Chandler. We are sorry to state that Mrs. Chandler is not in the best of health, having been under the doctor's care for some time.

### Vocalist in Town.

Harry Barnes of Detroit, was guest of his sister, Mrs. George C. Taggart. Mr. Barnes assisted in the choir of Emmanuel Episcopal church last Sunday morning and favored the congregation with a fine solo during the offertory. Mr. Barnes possesses rare vocal ability and sings with much ease. All that had the pleasure of hearing him sing during his visit here were delighted.

### Precarious Condition.

In our last issue we noted that our townsman, Mr. Wm. Hackenberg had gone to Buffalo for treatment. His disease proved to be gall-stone. He was operated upon Saturday and we regret it is in a very precarious condition. We learn his children were called to Buffalo on Tuesday. While there is life there is hope in his case. This (Thursday) morning, he is reported a little easier.

### A Terrible Sufferer.

Mr. Geo. Metzger, Sr., who has been a great sufferer for several months, with that terrible disease, cancer on his face, has been very low for several days. A professional nurse was called yesterday. His death may be looked for at any moment.

### Will Enter West Point.

Joe Taggart McNarney, son of Mr. and Mrs. J. P. McNarney, of this place, left for Washington, D. C., on Monday, where he will enter a training academy, preparatory to presenting himself before examining board for admission to West Point Military Academy, having been nominated by Congressman Barclay for the position. The examination takes place some time next January. Joe is a graduate of Emporium High School and a thorough scholar, as well as an exemplary young man. We have not the least fear but he will pass the examination with high honors. It is an honor to the efficiency of Emporium High School that they teach every course required by the West Point examining board and two languages more than Uncle Sam requires. We firmly believe the young man will reach the ambition of his life and ere many years we may expect him to visit Emporium as Lieut. McNarney. Cameron county has never in its history been favored with an appointment to West Point.

### Moved to "Old Tiog"

Mrs. Nancy Lucore and Mrs. Bert C. Bailey, of the Portage, have moved to Wellsboro, Tioga county, where they have purchased a farm, a few miles from that town. Mrs. Lucore, widow of the late Lemuel Lucore, having sold to the Pennsylvania R. R. Company eleven acres of the farm flat for a consideration of \$3,000 and being well along in years, she decided to accompany her daughter to Wellsboro, a wise conclusion. Their many friends deplore the departure of this excellent and respected family, who have resided on the Portage all their lives.

When completed Fifth street will be great.

### Returns to Hospital.

Judge B. W. Green and niece, Miss Alice Montgomery, accompanied Mrs. Green to Philadelphia last evening. Mrs. Green, while improving in health, will resume her former treatment at the Methodist Hospital. Her many friends hope she may return home fully restored. Miss Montgomery will remain with her aunt.

### After School Club.

Miss Schultz, of New York City, is introducing the "After School Club" system in Emporium. She is a very pleasant lady and the Press enjoyed her social call very much. Since the instruction is especially for younger minds, we directed the lady to call on Miss Mattie M. Collins and Hon. Josiah Howard.

### Bell Fish Numerous.

Never in the history of this state were rattlesnakes so plentiful. In some localities berry pickers are afraid to go to the woods. Many monsters have been killed in this county. The dry weather is driving the snakes to streams for water. Be careful.

### For Thirteen Weeks.

Our readers should read carefully the Constitutional Amendments published in this issue of the Press. Post yourself and vote intelligently when the time arrives.

## Mayor Gaynor Better.

Mayor Gaynor, of New York City, was shot on Tuesday, by a discharged city employee, named Jas. J. Gallagher. The Mayor had boarded a steamer to make a trip to Europe, when the crazed man fired, the ball entering back of the Mayor's right ear. A second shot missed him, striking City Commissioner "Big Bill" Edwards in the arm. This Thursday morning the Mayor stands a fairly good chance of recovery, the only danger being blood poisoning.

### Birthday Party.

A very pleasant surprise was tendered Mrs. Gilbert Morse at the home of her daughter, Mrs. J. R. Fetter, Saturday evening, Aug. 6th, when friends and acquaintances called to offer congratulations to this very worthy and estimable lady in having reached her 78th birthday. Mrs. Morse is well and favorably known, having resided in Cameron county upwards of forty years. A social evening was spent and elegant refreshments served. Those present were:

Mesdames Rosanna Robison, P. R. Beattie, M. H. Dodge, M. C. Tullis, Belle Beattie, Lizzie Kelly, J. D. Swope, J. R. Hamilton, W. A. Dalrymple, Sadie Dalphy, Kate Viner, D. W. Donovan, J. R. Beck, E. ### Ice Cream and Cake Social.

Mrs. Henry W. Graham, wife of our respected tonsorial artist, being desirous of assisting her friends in Bellefonte, where she resided so many years, in their effort to rebuild the A. M. E. Church, recently destroyed by fire, has decided to give an ice cream and cake social at their comfortable home on West Fifth street, Thursday evening, August 18th. We hope our citizens will liberally patronize the good lady and thereby aid her in her good work.

### Straw Ride.

A merry bunch of Emporiumites went to the home of Miss Edda Horning, at Howard Siding, last Friday evening on a straw ride. Those present were Misses Eva Burns, Mary Burns, Lena Swartz, Clara Zwald, Clara Weisenflah, Mary Normanly, Murriel Beattie, Anna Kreitner and Edna Johnson, and Messrs. Robert Leutze, Elmer Piper, Mahlon Remarge, Fred Metzger, Joseph Zimmert, Howard Pepperman, Harry Shearer and Bert Jones. All present had a most enjoyable time.

### Base Ball.

The Keystone Nationals scored another victory last Saturday afternoon, when they crossed bats with the team from Port Allegany. The game ended in seven innings with the score of nine to nothing. The game was a little too one-sided to be of much interest, but at the same time speaks well for the home team.

The Keystone Nationals were defeated by the Ridgway base ball team at that place yesterday by the score of 4 to 1. Sorry that we have not time to give the tabulated account, boys.

Base Ball, Saturday afternoon at 3:30 o'clock, Renovo vs Keystone Nationals.

### Suffragettes of France Progress.

PARIS, JULY 5.—The subdued way to which French suffragists are conducting their campaign offers a contrast to the manifestations of their English sisters. Both seem however to agree on one point, namely that the only way to attract public attention is to do something out of the ordinary.

England is a serious country, therefore the suffragettes invent every day new methods to remind the masses of the existence of their cause. France has the reputation of a somewhat fickle temperament, and the French suffragists work in a serious way. The French method seems so far to have given the best results.

Already a law has been passed granting to woman absolute property in their earnings. A suffrage society has been founded by Mme. Schmahl and neither work nor money is spared to obtain the franchise for women. The Duchesse d'Uzes is the vice-president and she gives many brilliant functions for the suffrage cause.

The views on women suffrage of some prominent men have just been published and they seem to be more or less favorable in the woman's cause. Maurice Donnay of the French Academy does not approve of universal suffrage, but "since we call it universal," he said, "it must be general if we are to be logical." The dictionary tells me that universal means general therefore why must half of the population be excluded?

Victor du Bled, the author of "Histoire de la Societe Franchise," is not only a supporter of the women's cause but is a great believer in their abilities. He is convinced that it is only a question of time until women will succeed in eliminating men from politics. In the next volume of his history M. de Bled has promised to deal at length with the movement.

It is the opinion of even the more sanguine partisans of the women politicians that at first they ought to be contented with municipal suffrage, at least until they have acquired enough practice to deal with the more complicated parliamentary questions.

Eugene d'Eichthal opposes a mixed parliamentary representation. He suggests the formation of an assembly of women to take charge of all questions relative to woman's interests.—Philadelphia Press.

### NOTES OF INTEREST.

Dr. B. H. Detwiler, of Williamsport, aged 79, was stricken with paralysis Tuesday morning. He has practiced medicine in Williamsport since 1866.

Hon. Franklin Bound, died at Milton last Monday, aged 81. He will be pleasantly remembered by many of the old-time Republicans as the Congressman and Senator from that district. Deceased was a delegate in the convention that nominated Grant and Colfax. He was a stalwart of the old school.

The Tariff is made a scapegoat for high prices in regions where the people allow Free-Traders to do their thinking. That seems to be the case in parts of Oklahoma, where an advance of \$1 a thousand on common lumber is excused on the ground that the increased Tariff necessitated such a course, when as a matter of fact the duty was reduced 75 cents a thousand.—San Francisco "Chronicle."

The recent Commencement of the Lock Haven State Normal School is too worthy for several reasons; one being the fact that the school graduated the largest class in its history and the other that a very satisfactory lecture and entertainment course was completed during commencement week by a splendid presentation of Shakespeare's "As You Like It" on front campus by the famous Den Greet players of England. The educational value of this performance was in itself sufficient to warrant the large outlay. It will pay you to see beautiful catalog of this first-class school.

### A Fine Orchard.

W. L. Thomas, County Commissioner's clerk, is the possessor of a fine orchard at his home on Whittemore Hill. The orchard contains about sixty apple trees and are all laden with fruit and will probably average five bushels to the tree. If all turns out right there will be a big apple crop. Mr. Thomas brought one little branch to the Press office Monday morning, taken from one of his trees, which is only eighteen inches long and has thirty-two apples on it. W. L. has a good dog and two shot guns.

### Pleasant Visitors.

Mr. and Mrs. F. G. Yonker and children, of Sistersville, W. Va., arrived in Emporium last week to visit their parents, Mr. Thos. Cleary and family and Mr. John Schlecht and family. Mr. Yonker came as far as Erie in his touring car. It is several years since "Fritz" and wife visited Emporium and their many friends here were glad to meet them. Mr. Yonker left for home on Sunday, his extensive business interests calling him back, but Mrs. Yonker and children will remain here for some time.

The Press was honored by a call from these excellent friends, last Friday, renewing their paper well into 1911.
