The road is in good condition now all but a bridge across Wykoff Run, which no doubt will be built in the near future, as it is much needed.

John Jordan, of Huntley, while out in Karthaus last week had quite a thrilling encounter with a monster buck. It came up to the door of his tent when all was still and in the moonlight looked very

fierce, as he had a large head of horns. He wanted to know if he was the John Jordan, of Huntley, the mighty bear trapper and if he was did he know one great deer hunter by the name of Dick Kilber, who had shot at him two years ago and to tell him that he was on his old stamping ground waiting for him and his 20:30 and that his bark was worse than his bite. Jordan sprang to his feet and got his ax to defend himself, but it was only a dream.

The social Saturday night was well attended and was a grand success. A goodly sum was realized, being \$30.15. The committee thank the public most kindly for their patronage.

Walter Smith, W. F. Lewis and Mrs. Annie Housler were town visitors on Thursday. F. A. Lewis was also to town on Thursday and when returning killed a black rattler near the North Creek watering trough. Said snake sported ten rattles and a button.
