## The Favorite Resort.

The Emporium Theatorium, so successfully conducted by W. G. Bair and Robt. Green continues to grow in favor with the public, who know the watchfulness of the proprietors will prevent the production of anything objectionable, thereby making the place perfectly safe for ladies or children. The management thoroughly renovated this popular resort for the winter attractions. They have eliminated the vaudeville attractions and increased the pictures, a change we believe more to the liking of their patrons. Miss Zetta Wells, daughter of Mrs. E. T. Wells, the pianist, renders a popular song nightly, which is always well received. The Theatorium has become so closely allied with our people that almost everybody is sure to attend nightly. The management are to be congratulated upon the efficient manner they handle the large number of patrons nightly. It is firmly rooted and here to stay.

## "Message From the Skies."—Americans for Americans.

Does the American public ever stop to consider what would happen if an invader should gain possession of our shores?

Now is the time our great country should take steps to prevent such a thing from happening. It is a known fact that some day Japan will attempt to dictate in regard to the affairs of this country. The author of "A Message From the Skies," which is to be placed in Dramatic form, has placed a timely warning before the American people by drawing a little on the imagination and showing what would happen if the Yellow race ever succeeded in landing on our shores. Of course the story is fiction, but never the less the fact remains, that it is not at all improbable.

This great play which will be presented at the Opera House, for one night, Oct. 20th, has created a sensation wherever it has been played. The company which numbers 14 people, is headed by Miss Ella Kramer, supported by such well known players as Theo. V. Reenie, Gertrude Huntington, Al. Massey and others. The company carries a fine band and all lovers of good music should avail themselves of the opportunity to hear such an organization. Popular prices will prevail for the performance while the hand concerts will be absolutely free. Prices: 75c, 50c, 35c, and 25c.

## Bell Telephone Absorbs Emporium Company.

Mr. J. H. Crossman, Jr., of Harrisburg, division manager of Bell Telephone Co., who has lately absorbed the Emporium Company, visited in Emporium on Monday and Tuesday, looking after the company's interest here. He informed the Press that he hopes to make the service up to the best. Many improvements will be made in the near future.

## Stole to Marry—Now in Jail.

A Condersport correspondent writes: "A heart-broken bride of two weeks sobs away the hours at her home in Austin, while her young husband, a prisoner in the county jail here, awaits the disposition of his case by the Court on charge of peculiar robbery. By his own confession the thefts stretched over a period of several months, and were for the purpose of affording his bride-to-be a good time, for with a portion of the money taken he bought household goods for their new home. This they occupied just one week, when the bauble broke and the young wife saw her boy husband led away a prisoner by Constable Baker, while she went back to her parents' home to prepare to have her marriage with the young man annulled.

For a year there had been no more devoted lover in Austin than was George Resser to Miss Mary A. Moyer. Resser is good-looking, dressed nicely and appeared to have all the money necessary to live without working a great deal. He explained that he had just come into a snug sum of money through the death of an uncle.

Nothing was too good for his pretty sweetheart, one of the most popular girls in Austin, and the daughter of highly-respected people. She had carriage and automobile rides and attended all the picnics and festivals.

For a year or more young Resser had made his home with Mr. and Mrs. Samuel Clary, an aged couple of Austin, who found their livelihood in a truck patch, near their home, added to a small pension which Mr. Clary receives, he being a veteran of the civil war. The Clarys were saving of their little fund, and though they had saved nearly \$400, they would not trust it in a bank, but kept it in a box in a trunk. From there all but \$20 was stolen, and Resser has confessed the ingratiate crime.

## Teachers' Institute.

On Monday Oct. 24, will convene the Forty-fourth Annual Cameron County Teachers' Institute.

Without a doubt this Institute will be the best ever held in the county for no expense or pains have been spared to make it so.

Every session will be teeming with vital interest, not alone for the teachers, but for every one that may be present.

Of the instructors, Prof. Francis Green, of West Chester, needs no introduction as he has been with us several previous years, and his return is stronger proof of his efficiency and power as an instructor.

The return of Dr. J. George Becht of Clarion will be most heartily appreciated by those who know his worth as an instructor. Dr. Becht's success as an educator not only in the East but in the West as well, stamps him as being one of the strongest men in his line to-day.

Prof. Chas. A. Dodson of Kutztown, is again to have charge of the music, a fact that means, as in former years, a decided success in that department.

The new instructors, Dr. Ossian Lang, of New York and Prof. Willis Y. Welsh, of Clarion, come very highly recommended. Dr. Lang is pronounced by all who know him as being a speaker not only capable of plain, thorough detail but one of exceptional ability as well.

Prof. Welsh, head of the department of science at Clarion, is known as a potent speaker and one whose talks are vital in every part.

The presence of each and every one at the day sessions is especially urged for the time spent in attendance will be profitable as well as pleasurable.

Directors' Association will be held Thursday the 27th. The forenoon session will be held in the Grand Jury room. The afternoon session with the Institute.

The evening entertainments are exceptionally good this year. They consist of Lecture, "The Nature and Worth of Humor," by Prof. Green on Monday night. The Lotus Glee Club on Tuesday night, the Neil Litchfield Trio on Wednesday evening and end with The Vassar Girls on Thursday night.

Any one of these entertainments is well worth the price of the whole tour. Tickets for these may be reserved at Harry Lloyd's at 8:00 Monday morning. Train No. 54 will stop at Cameron. Sterling and Sinnamahoning all four evenings for the accommodation of those wishing to attend the entertainments. The attendance of all cannot be too strongly urged for it is an event that none can afford to miss.

## Chicken Dinner.

There will be served a Chicken Dinner at the residence of Mrs. J. D. Swope, Wednesday, Oct. 26th. Benefit of M. E. Church. Dinner, 25c.

## TENER'S DENIAL IS CHEERED ALL ALONG THE LINE.

"Never Swindled Anyone in My Life," He Tells. The People Believe Him.

## HIS WORD ACCEPTED

"I want to say, to the people that I never swindled anybody in my life. There is not a man, woman or child in these United States who dares say that I ever sold them a share of get-rich-quick company stock."

John K. Tener, the Republican candidate for governor, made the statement quoted above. It was received with loud applause. The manner of his saying it carried the conviction that he was uttering the truth. The quotation is from the preface to his reading of the statement in which he emphatically denies the charges made against his business record. He has employed able lawyers in Pittsburgh and Philadelphia to look after his interests. His traducers are to hear more from him. Before reading the statement Mr. Tener said:

## TARGET FOR VILIFICATION.

"I want to make a special statement. It seems that every candidate as soon as he is nominated becomes a target for criticism and vilification.

"I am said to be unfit for the office, and should not have political preferment because I happen to have been a baseball player. I am glad and proud of the fact that I did play baseball and I want to say that I would rather have been a baseball player and have that my only claim to fame than to go about in sheep's clothing speaking ill of my fellow men. I want to ask the young men and the fathers of those young men if they for a moment think any good, honest, outdoor sport should bar them from any advancement in life.

"I am also accused of belonging to a certain fraternal organization. I am proud that I am a member of that organization, and I doubt whether there is one man in this audience who does not belong to some good, charitable and benevolent fraternity. I want to acknowledge my membership in that organization and to say that I am prouder of it than I ever was before.

## STRENUOUS DENIAL OF CHARGES.

"You have also read recently of the charge which connects me with an alleged swindling concern. I want to say to you that I never swindled anybody in my life. There is not a man, woman or child in the United States who dares say that I ever sold them a share of a get-rich-quick company stock. I want to make answer to the charge and I want to make it emphatic, and in order that I make no mistake I am going to read the statement which I dictated yesterday."

After reading the statement, Mr. Tener concluded:

"I was regularly nominated by the accredited representatives of the people and I do not propose to withdraw from this ticket for any man or any set of men."

## Relief Fund.

According to the August report of the Pennsylvania Railroad System's Relief Funds, payments amounting to \$189,984.14 were made last month, while the total sum which has been paid out through this plan of relief since it was established is \$20,009,221.38.

The Employees' Relief Fund of the Pennsylvania Lines East of Pittsburgh and Erie was established in 1866, and since that time \$21,136,306.58 have been paid in benefits. Of this, \$12,545,542.32 have been paid to members who were unable to work. The remainder, \$8,490,764.26 went to the families of members who died. In August this year the payments on the Lines East to members incapacitated for work amounted to \$88,173.65, while there were paid in death benefits \$45,074.39.

The August payment by the Relief Fund of the Lines West of Pittsburgh amounted to \$55,826.10, of which \$35,488.10 was in benefits to those unable to work. To the members of families of members who died there was paid the sum of \$20,360.00. The total payments on the Pennsylvania Lines West since the Relief Fund was established in 1879 amount to \$7,872,914.80, of which \$4,702,797.09 were paid to incapacitated members, and \$3,170,117.80 were paid in death benefits.

"A message from the Skies," at opera house tonight have the best band that has appeared in years. The company must be good, in fact. Go and see them.

## A Serious Accident.

Saturday evening, about nine o'clock, while walking on the tracks, on his way home, to Sterling Run from Cameron, where he had been visiting some friends during the evening, Mr. Jessie Parker was struck by a train just a few rods east of the Ritchey bridge, about one and one-half miles east of Cameron, which resulted in the loss of his right arm, just a few inches below the shoulder, his right ear nearly torn off, several severe scalp wounds and a very deep gash on his chin. He was found in an unconscious condition about twelve-thirty Sunday morning by a man who was walking the track on his way to Emporium.

Section Foreman John May was promptly notified as soon as possible, and the injured man was taken to his home, when Doctors Bush and Smith, of Emporium, were called and gave him the necessary medical aid. After a consultation it was decided to take the injured man to the Ridgway Hospital, which was done on the Erie mail west, due at five o'clock.

He is reported getting along as well as can be expected, as he is very weak, having nearly bled to death before he was found, but it is understood he will live.

## Very Pleasant Occasion.

A number of visitors attended Driftwood Masonic Lodge last Friday evening and were well paid for their time. The Driftwood boys are always strictly up-to-date in all their doings. Immediately after the business had been transacted light refreshments were served, (under the direction of Tyler George Towers) by the following pleasant young ladies: Misses Flora and Laura McDonald, daughters of Hon. John McDonald, Martha Osborn, Marion Towers and Jennie Gleason, daughter of Mr. L. W. Gleason. The pretty young ladies, clad in lamb skin aprons, quietly entered the room and served the small eaters in a very creditable manner. It is a rule of Driftwood Lodge to allow only daughters of Master Masons this privilege. It was certainly unique and a beautiful sight.

## Eastern Star.

A lodge of Eastern Star will be instituted in Emporium to-morrow afternoon and evening, at Masonic Hall. This new lodge is composed of Master Masons, their wives, daughters and sisters. A very large number will be entered. Twenty-five or thirty Stars from DuBois and other places will be present. The ladies will serve a Banquet during the evening. Mrs. M. A. Rockwell has been silently but diligently at work for some time perfecting the plans. We are glad to note this new departure in Cameron county and believe it will meet with approbation.

## Social Club.

There is a paper being circulated among the young men of Emporium to organize a club that will be known as the Emporium Social Club. The object of this club is to put on dances every two weeks, to be strictly private. A club of this kind has been greatly needed in Emporium and several names have already been added to the paper. A short business meeting will be held at the store of the Emporium Drug Company on Friday evening, at nine o'clock, for the election of officers and such other business that may be presented. It is hoped that the club will prove a success.

## Will Retire Dec. 1st.

Hon. John McDonald, of Driftwood, Supervisor of the middle division of P. E. R. R., transacted business in town on Saturday, accompanied by his assistant, Mr. Russell. As stated in the Press, Judge McDonald will retire from the service Dec. 1st and take solid comfort, after constant duty with the Pennay for over forty years. This genial gentleman is popular with our citizens and his friends are pleased to know himself and family will continue to reside in our county, having purchased a property at Driftwood.

## Delightfully Entertained.

Miss Helen Richardson, of Driftwood, very delightfully entertained a number of her friends at a week-end house party, at her home on Third street the past week.

Miss Richardson proved herself a charming hostess and her guests enjoyed a continuous program of merry-making. A dance in the Opera House Friday night, and a picnic Saturday were features of entertainment. The party consisted of Miss Maud Canfield, Tonesta; Pearl Zell, Brockwayville; Mrs. C. D. Porter, Philadelphia; Mr. Kirk, Penfield; Mr. Kaufman, Lock Haven; C. H. Cordie, Sinnamahoning; Edna Mitchell, Margaret Denny and C. P. L. Russell, of Driftwood.

## Republican Spell-Binders Spend Short Time Here.

HON. JOHN K. TENER,  
Republican Candidate for Governor.

## Our Next Governor and Party Mingle With our People.

While passing through, from Bradford, where a large Republican meeting was held Tuesday evening, en route for Potter and other northern counties.

John K. Tener, nominee for Governor.

Hon. John M. Reynolds, nominee for Lieut. Governor.

Congressional candidate Chas. E. Patton, of Clearfield.

Gen'l Thos. J. Stewart, Adj. General of Pennsylvania.

Hon. W. I. Schaffer, Delaware.

Hon. Gabriel H. Moyer, Lebanon.

Also several newspaper reporters, passed a pleasant three hours in Emporium.

The spell-binders took a run down to Emporium for the afternoon and were met at the Junction with automobiles and conveyed to The Warner where a large number of citizens greeted candidates. After dinner a reception was held at the Republican Club, where a large number of voters called to pay their respects and guarantee the standard bearers their loyal support. It was noticeable that many Democrats were cordial in their con-

gratulations and best wishes. Mr. Tener and his colleagues made a very favorable impression upon our citizens. While many regretted that speaking had not been arranged for, all realized that the speakers needed rest for the arduous work before them from now until Nov. 8th, when Cameron county will roll up one of its old time Republican majorities to assist in electing the entire ticket by 150,000 majority. The hopeless division in the ranks of Democracy spells defeat with a big D. Onward! Victory!

## Again At Home.

Lee L. Welsh, who spent the past three weeks at Olean, N. Y., where he has been receiving treatments, returned to his home at this place Friday evening. Mr. Welsh has had quite a serious time and is now slowly gaining in health. He made the Press office a social call on Wednesday morning. It is hoped that Lee will soon be fully recovered.

## The Question of Education

Is one of the most important topics discussed at the present time by county institutes and the family, and to the average salaried man or workman is somewhat serious, especially where the family is large.

And it behooves him to use every effort and means possible to provide an educational fund or high school and college days.

A savings account offers a rare opportunity for husbanding a fund for the education of those little ones. Try it.

## Should Give No Heed.

If the business men and working men of this favored land would keep in mind, when they hear or read attacks on Protection, the inevitable consequences to trade and wages of a victory for either Free-Trade or a "Tariff for revenue only," they would give no heed either to the doctrinaires or the demagogues who are trying to lead them into the swamp of commercial and industrial depression.—Rocheester Democrat and Chronicle.

## Changed Location.

Mr. A. DeArmit, formerly a resident of this county but lately in the hotel business at Covington, Va., has moved to Hemlock, Md., and purchased the Glen Oak Hotel. The Crawford, Md., Record, in its Hemlock items we note: "Mr. A. DeArmit, the new proprietor of the Glen Oak Hotel, has taken charge and everything gives promise that he will conduct a first-class hotel. The Glen Oak Hotel has been very much improved during the past week, by the installation of electric lights in the office and the dining room. The whole house is now lighted by electricity."

Mr. DeArmit is a hustler, and will no doubt give the residents of Hemlock first-class satisfaction.

## Gettysburg to Have Great Celebration.

One of the greatest patriotic demonstrations ever held in the United States will take place in 1913 on the battlefield of Gettysburg, if the plans discussed at a preliminary meeting of the arrangements are carried out. The demonstration will be in observance of the fiftieth anniversary of the great battle between the Union army under Gen. Meade and the Confederate forces under Gen. Lee. That the celebration of the semi-centennial will be truly national in its scope is already assured by the acceptance by nearly all the States of the invitation to participate. Two of the Southern States, Georgia and North Carolina, were the first to respond to the invitation. It is expected that the Grand Army of the Republic and the United Confederate Veterans will have the leading parts in arranging for the celebration and that virtually all the other patriotic organizations of the country will participate.

On Wednesday, Mr. and Mrs. W. S. Walker, accompanied by Messrs. Will Erhardt and G. W. Sterner, of Austin, autoted to Emporium in Mr. Walker's new car and spent a few hours in town—the three former visiting at the home of Mr. and Mrs. William Hackenberg and the latter at the home of his mother, Mrs. Susan E.
