DEATH'S DOINGS.

METCALF.

The many friends of Mr. N. N. Metcalf, Supt. of the Goodyear Lumber Company, deeply sympathize with him in the death of his estimable wife. While on an automobile trip to New Hampshire Mrs. Metcalf was taken ill with pneumonia at Corning, and confined to her bed. The funeral was held at Austin last Friday, the remains being interred at Port Allegany, their former home. A large number of friends from this section attended the funeral.

MOORE.

Mrs. Signa Moore, wife of F. W. Moore, of 41, Neshannock avenue, died early Tuesday morning at the Shenango Valley hospital. Her death is a shock to her many friends, as she had been ill but three days. Pneumonia was the cause of death.

Mrs. Moore had resided in this city about a year, coming here from Montreal, Can. She was born in Sweden, Nov. 11, 1882, and was 27 years of age. She is survived by her husband, and two children, Anna, aged 4 years, and Mary, aged 3 months; also by three sisters, Mrs. Anna Fletcher, of Toronto, Can.; Mrs. Walter Clark of Emporium, Pa., and Mrs. Aaron Miller, of Lowellville, O., and by one brother, Oscar Wallin of Sweden.

The funeral services will be held Thursday afternoon at the family residence, the hour to be announced later. Interment at Oak Park cemetery.—New Castle News.

HENRY JAEGER, Emporium, Pa.

It is patent enough that there is a conspiracy and a complete organization among the Progressives and Insurgents to destroy the Republican party in the coming campaign. This rebellion is backed and encouraged by the Free-Trade newspapers of the State. The outcome of this rebellion will be recorded next November.—Vinton (Ia.) Eagle.

Greatly Improved.

Mr. Daniel McCormick, of the place, returned from Philadelphia on Tuesday where he has been an inmate of Medico-Chi. Hospital for some time. Dr. Fox, the celebrated physician, operated on his left eye and removed a cataract. He will have to return in a few months for a similar operation on his right eye. He is greatly encouraged over his improved condition.

Young Lad Shot.

On Wednesday afternoon, Harry Stumpf, aged 14, whose parents reside on Portage street, was accidentally shot while handling a revolver. The lad no doubt was out hunting, he being near Sizerville when Frank Blumie, Jr., found him. An examination developed that the ball had entered the lad's abdomen. He was taken to Ridgway Hospital last evening. It is reported the wound is not fatal.

Social Dance.

A social dance will be held in the opera house next Wednesday evening, after the concert in honor of the teachers of Cameron County. These dances are given every year and are looked forward to with much pleasure. All in attendance last year were well pleased with the affair and this dance promises to exceed all other dances given during Institute week.

Returned From Buffalo.

Last Saturday, on the noon flyer, Mr. and Mrs. Hackenberg returned from Buffalo, where Mr. Hackenberg has been receiving treatment for the past three months. We are sorry to state that the visit to Buffalo did not prove satisfactory and beneficial to Mr. Hackenberg and at this writing his condition remains about the same. They were accompanied home by Mr. and Mrs. Bloom, of Buffalo and Mrs. Lora Erhardt and son Will, of Austin. Mr. and Mrs. W. S. Walker, (daughter) of Austin, were at the Hackenberg home on Wednesday—little hopes being entertained for his recovery. Mrs. H. H. Webber, another daughter, of Jersey Shore, arrived at the bedside of her father yesterday.

A Good Position.

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official Institutes in America, under supervision of R. R., and Wireless Officials and places all graduates into positions. It will pay you to write to them for full details at Cincinnati, O., or Philadelphia, Pa. 34-5t
