EMPORIUM, PA., THURSDAY, NOVEMBER 3, 1910.

NO. 38.

Reasons Why You Should Vote for Hon. Josiah Howard.

Let us reason, each with the other. You will be called upon next Tuesday to exercise your constitutional right and cast your ballots for a candidate for Representative in the General Assembly at Harrisburg. You should, to be honest with yourself and your families, cast that ballot for a man well fitted by experience in public affairs, business enterprises of our county and a gentleman broad enough to legislate for the entire county, as well as the state. We believe you will, if you stop to reason honestly and unbiased, for the good of the county, decide to give your ballot to Hon. Josiah Howard, whose long experience in legislative affairs eminently fits him to represent your interests. His high standing throughout the state with men of influence, who promote successful business enterprises, has already turned attention to Cameron county and many thousands of dollars are paid the wage-earners of Cameron county every two weeks. Being closely allied with several home industries, he labors hard and incessantly to extend and enlarge our institutions of labor, and happiness and good cheer to our homes and firesides, broad in views, charitable almost to a fault, an honest christian gentleman, who is proud of little Cameron county, he is entitled to your votes next Tuesday. It does not matter what your political principles may be, you should give Hon. Josiah Howard a complimentary vote for the great good he has accomplished for our county. Ponder well and be honest with yourselves. Then we fear not the result of your reasoning.

Oxygen as Oxyline.

Unless the blood is pure, vigorous and well circulated, perfect health is impossible. There are other essentials, but this condition is a pre-requisite. A large proportion of blood impurities can be justly charged to under-oxidation. Defective circulation, even more frequently, may be attributed to the same cause.

Leading authorities agree that the blood depends directly upon oxygen for the quality and power to render it the most effective foe of bacteria and toxins. It follows, then, that infection and disease (to a large extent) will not prevail unless the blood should fall below normal in oxygen or the blood supply become impeded.

Failure to supply the human organism with a sufficient amount of oxygen disturbs all its functions. Animal heat undergoes a decided change; secretions are profoundly altered; circulation languishes; assimilation of nutritive materials is arrested and functions are imperfectly performed. A man may live many days without food or water, whereas, deprived of oxygen, he can live but a few minutes.

In order, then, to relieve many diseases which are the direct or remote results of oxygen famine, oxygen in some concentrated form would be the indicated remedy. It is a matter of general knowledge that oxyline, which is modified ozone, is oxygen in an allotropic form. It is pure oxygen whose qualities are intensified, and made more active in relieving the indicated disordered conditions of the human organization.

A number of instructors from other parts of the State will be present to join with the farmers of this locality in the discussion of topics relative to agriculture. These meetings are free and open to all, and we have no doubt the farmers of this county will avail themselves of the advantages to be gained by attending these meetings.

Dancing School.

Dancing school will be conducted in the Theatrum Hall every Friday evening, immediately following the performances. Admission will be thirty-five (35) cents.

An Election Sermon.

An election sermon will be preached in the First Methodist Episcopal church next Sunday evening by the pastor. Subject: "Good Rulers Necessary to Good Government."

Re-Union and Banquet.

Last Thursday evening, the teachers of Cameron county, who have attended Clarion State Normal School, held a re-union and banquet. This was the first one to be given, but the good times will probably be renewed each year. There are twenty-seven eligible for membership in the county and out of this fifteen were present last Thursday evening. The banquet was prepared by Seger & Company and was served in their popular parlors. The following good things were served:

Grape Fruit Cocktail

Tomato Bouillon, Saltines

Celery Olives

Oyster Patty, Cranberry Sauce

Potato Croquettes, Green Peas

Bread and Butter

Fruit Salad, Wafers

Ice Cream

Lady Fingers Macaroons

Coffee Bon Bons

Mrs. Seger, who has an excellent reputation as a cook, certainly was up to her high mark of excellence and every one in attendance were loud in her praise. After the banquet, Prof. R. Howard Edgar, principal of the East Ward School, acting as toast master, made a few remarks and called for speeches, to which all responded. Guests at the reunion were Miss Mattie M. Collins, County Superintendent of Schools, Prof. J. George Becht, Principal of the Clarion State Normal School and Prof. F. H. Green, of the West Chester Normal School. Others in attendance were the Misses Blanche Ludlam, Flora Schlecht, Carolyn Lechner, Anna Welsh, Mayme Farrell, Jane Glenn, Lora McQuay, Bessie McQuay, Ruby Heideck, Margaret Weisenfluh, of Emporium; Miss Rose Lawson, Beechwood; Miss Sarah McCaslin, Hicks Run and Leatha Victory, Sizerville; Prof. R. H. Edgar, principal of the East Ward School, of Emporium and Prof. E. J. Metz, Principal of the Shippen Township Schools. At the close of the festivities of the evening the old and popular song, "Auld Lang Syne" was rendered by the entire company, with Miss Bessie McQuay as pianist. The affair was certainly a huge success in every way and was heartily enjoyed by all present.

"The Arrival of Kitty."

The most successful of all comedies, "The Arrival of Kitty" will be the offering at the Emporium Opera House, for Saturday night, Nov. 5th. No production in recent years has attained such immense popularity and if genuine novelty of plot, ingenuity of treatment, together with an acting, singing and dancing company of theatrical favorites count for anything in the make-up of a successful comedy production, no wonder "The Arrival of Kitty" has been so successful. The comedy is far superior to anything that has been seen here and contains an abundance of genuine wit and humor that is irresistible and contains more hearty laughs, pleasing experiences, song hits, captivating music than are usually found in comedy offerings. No attraction has been booked by the local management for the season with a more famous reputation and the success of this production having now become familiar to well posted theatre-goers it seems only reasonable to presume that the opera house will be taxed to its capacity when this delightful mixture of fun, music and mirth is presented.

Rough But True.

The kickers on the farm are not so hard to get along with as the kickers in town. On the farm there is the kicking cow, and our long eared friend, the mule, while in town there is the old mossback who wants all the municipal improvements without paying for them. The cow may be sold for beef, the mule traded for a shot gun, but nothing but a funeral will get rid of the town kicker.

Emporium Lyceum Course.

The young people of the Baptist and Presbyterian Churches take pleasure in introducing to the people of the town, Mr. Fred Emerson Brooks, who will deliver the first lecture in the course Friday evening, Nov. 4, at the opera house. It is to be hoped that a large number of people will patronize this course.

Card of Thanks

EDITOR PRESS:—We desire to express our appreciation of the kindness manifested by our good Emporium friends upon the occasion of the burial of our dear mother, Mrs. Isabella F. Ingram. Especially are we grateful to Mr. and Mrs. J. D. Logan for their great consideration and kindness. F. MRS. ROBERT WRIGHT AND FAMILY. Oil City, Pa., Nov. 1st, 1910.

Successful Season.

Messrs. W. H. G. Walker and D. H. Robertson, of the Penn Vitriified Brick Company, at Cameron, Pa., were business callers at the county seat during the past week. The Penn Vitriified Brick Company, of which Mr. Walker is the manager and Mr. Robertson, superintendent, has just closed the most successful season since the starting of operations of the Company. During the month of October 136 car loads of brick were shipped. The popularity of "Calder" Brick is rapidly increasing.

Progressive Cross Country Hike.

This (Thursday) evening, Miss Marion Rentz, Vice President of the Union Friendly Society, will entertain the Society with a Progressive Cross Country Hike party. The hike will start from the home of Miss Rentz and the first station will be the pavillion at Keystone Park. The second the Broad Street Bridge, the third to Spring St., the fourth up Spring Street to the road that joins Spring Street and Fifth St.,; thence down the road to the Free Methodist Church and from there the fifth hike will be the return to the home of Miss Rentz. Refreshments will then be served. Many new and novel ideas will be tried in finding partners for each hike. In all probability this party will be very enjoyable as it is the first of the kind to be given in Emporium. During the ramble each couple will carry a lantern made from berry baskets.

Installation of Pastor.

Last Tuesday evening, the Rev. R. H. Bent, the newly elected pastor of the Presbyterian Church, was installed as pastor of the church. The Rev. Mr. Graybill, of St. Marys, preached the sermon and delivered the charge to the new pastor. The Rev. Mr. Cook, of Renovo, delivered the charge to the congregation. Rev. M. L. Tate, Rector of Emmanuel Episcopal Church, read the lesson and the Rev. J. F. Anderson, pastor of the M. E. Church, offered the prayer. The choir, under the direction of Hon. I. K. Hockley, rendered special music. At the close of the services the ladies of the congregation gave a reception for the new pastor and the visiting clergymen and friends, refreshments being served. The church was decorated very prettily for the occasion. Rev. Bent and his estimable wife have made many friends while in Emporium since their arrival here and we hope their stay in Emporium will be profitable for themselves as well as for the church and the people of the town.

"The Arrival of Kitty."

A brand new farce comedy and one that is credited with being the best that has been produced in a long time will be presented at the Emporium Opera House on Saturday evening, Nov. 5th. The play is under the management of Doherty-Collins & Co., who have given it a very pretty mounting and provided a cast of unusual excellence, headed by that sterling actor Mr. Hal Johnson and Florence Forest.

Opening of New Clinton.

Last Monday evening the opening of the New Clinton Hotel, at Renovo, took place and was a decided success. Mr. W. H. Smith, proprietor of the New Warner at this place, is the manager of this new hotel. He will be assisted by Mr. E. E. Breene, formerly clerk at the Warner. Mr. Harry Anderson, the former night clerk at the Warner, has been selected, as day clerk at this popular hotel and Chas. Robinson, formerly bell boy has taken the position as night clerk. Messrs. Smith and Breene will look after the New Clinton, while Mrs. H. W. Smith, who is a very competent hotel lady, with the assistance of Mr. Anderson, will conduct the Warner.

Third Anniversary.

This week, Friday and Saturday, Mr. R. Kuehne, proprietor of the popular Fourth Street Department Store, celebrates their Third Anniversary with special good cheer for their hosts of Cameron county patrons. The wonderful success of Mr. Kuehne's establishment has resulted in the up-building of trade for Emporium, stimulated other merchants to brush up and strive to draw more trade to our county. What Mr. Kuehne has accomplished, others can do and none will more cordially assist than this public spirited citizen. It is hoped our citizens will, one and all, remember this occasion and call at "The Greatest Store in Cameron County."

Taking Their Medicine.

Jack Gaynor and Geo. Lee, alias Gunner Lee, who were given 2 1/2 to 10 years sentence at last Court, for burglary will have to serve at least seven years. Sheriff Norris landed them in the Penitentiary, where they are "taking their medicine."

For Sale.

A sewing machine with all attachments and a wood stove, both in good condition. Inquire of P. O. Box 34.

Eastern Star Notice.

The members of the Order of Eastern Star are requested to be present at a meeting to be held next Friday evening.

A reduction of 50 per cent. will be made on all stationery now on hand. DODSON'S DRUG STORE.

Who helps to give us numerous pay rolls?

Hon. Josiah Howard.

Swell in appearance, little in cost and nice to write on—three good points in favor of our stationery now offered at 50 per cent reduction. DODSON'S DRUG STORE.

Whom should we elect this fall? Hon. Josiah Howard.

Mark This, Mr. Voter!

IT IS the same old fight in Pennsylvania this year. The protective tariff is at stake. Democrats hope to win congress. To do so they must have help from Pennsylvania. Free traders have combined with Democrats to elect W. H. Berry, a Bryan Democrat, governor. They calculate that by defeating John K. Tener, the Republican candidate, they will sweep into Congress more Democratic members from Pennsylvania. Lower tariff means lower wages and closed factories. Lower wages and closed factories means Wilson bill times, with soup houses, relief committees, paralization of business, and suffering. Republicans, be on your guard! Vote straight! Vote Republican! Vote for American mills and American wages! This is the real issue. Mark it, and don't forget it.

Some Reasons for Voting for Hon. Josiah Howard.

EDITOR PRESS:—Cameron county is fortunate in again having the privilege of sending the Hon. Josiah Howard to the State Legislature. There are few men as able and with as large business interests as Mr. Howard, who are willing to spare the time to serve the county and state.

Mr. Howard is a public spirited man. He has shown his interest in Emporium and Cameron county, in many ways. All know of his large benefactions, but few know how many poor families he has aided in the time of sickness and distress.

He is a practical man and does not promise to do impossible things, but tries to do what can be done. Many a man in Mr. Howard's position, in order to win votes, would make large promises—promises which he knows he cannot keep, but Mr. Howard prefers to remain an honest man and does not make promises which he cannot make good.

As a progressive man, Mr. Howard stands for better laws, better schools, better churches and a prosperous town and county. He is up-to-date and is willing to give his thought, his time and his means to help along everything he thinks will better the condition of our people. An experienced legislator, he has had valuable experience in practical legislation and will be of far more value to his county and State than a green, inexperienced Representative, no matter how able, who lacks in experience. It is simply a fact that a new member of the legislature cannot secure legislation, no matter how anxious he may be to do so. He don't know how. Mr. Howard is a christian man. He is guided by christian principles, therefore the people can safely trust their interests in his hands—and we believe they will do so.

OBSERVER.

Shippen, Nov. 1st, 1910.

At Emporium Opera House.

"The Arrival of Kitty" conceded by press and public to be the best and brightest comedy production now on tour is the offering at the Emporium Opera House for Saturday evening, Nov. 5th. The comedy has been called a comedy cocktail which seems a befitting description as the performance is bright, lively, snappy and entrancing and local theatre-goers who relish tuneful music bright dialogue presented an excellent cast of players, together with magnificent scenery and gorgeous costumes may look forward to a most satisfying entertainment. The story of "The Arrival of Kitty" is one of numerous complications and the interest never lags but holds the attention of the auditor to the final curtain. The novelty of the plot together with the ingenuity of treatment and the bright dialogue are the magnets that possess the attributes that go to make this entertainment popular with theatre-goers.

Pleasant Time.

The marriage of Miss Anna Woodson, of Kane, and Mr. Pompey Scott, of Emporium, took place at Kane on Monday morning, at the residence of the bride's mother. The happy couple arrived in Emporium on noon flyer, and were met at Broad Street Station by a jolly crowd of friends with bells and gongs. A reception was given them during the evening by the groom's parents, Mr. and Mrs. William Scott, many friends showering congratulations on the happy couple.

Severe Loss.

Daniel Kriner, of Whittemore Hill, employed at the Emporium Powder works, met with a severe loss, Monday evening. After returning from his work his barn caught fire by some unaccountable cause, destroying his entire season's crop, including his potatoes, etc., entailing a loss of several hundred dollars. The barn was located a short distance from his house. The barn was a total loss. This is a severe blow to Mr. Kriner, who has a large family and is a poor man. He had no insurance.

Mountaineer Hose Ball.

This old and efficient Hose Company will hold their annual ball and reception at the opera house, Thanksgiving evening, Nov. 24th. The popular Germania Orchestra has been engaged for the occasion. The M. H. boys always put up a grand ball and this year will be an exception. The Press job rooms are now at work on their printing and that will be neat and up to date. Don't forget the date—Nov. 24th and purchase a ticket early.

DEATH'S DOINGS.

WEISENFLUH.

Miss Kate, daughter of Mr. and Mrs. Andrew Weisenfluh, died last Monday morning, October 31st, at eight o'clock at the family residence on West Sixth street, after a prolonged illness that has extended over a period of three years. The cause of her death was tuberculosis, which was the result of a cold contracted three years ago last Easter Sunday. Since that time Miss Weisenfluh has been in poor health, but all that medical aid and the ministrations of a kind and devoted family could do was done, but to no avail and death claimed her for its own. Deceased was born in Emporium, November 29th, 1885 and was therefore 24 years, 11 months and two days of age. She was a loving and devoted daughter and sister and a true friend to all who had the pleasure of an acquaintance and her many friends and relatives are bowed down in the deepest sorrow. Death has saddened many homes in Emporium during the past few months and many familiar faces have gone from our midst to the better world where sorrow is unknown and where they await in glory, for those bereaved and who mourn their loss. This home was visited two years ago last September by the death angel and at that time the only son and brother was taken. The funeral of this most esteemed young lady will take place this (Thursday) afternoon from the family home and the Rev. R. H. Bent, pastor of the Presbyterian Church, of which deceased was a member, will officiate. Interment will be made in the Wiley Annex to the Newton Cemetery. The surviving family are as follows: The parents, Mr. and Mrs. Andrew Weisenfluh and Mrs. George Neidlinger (sister) and the Misses Anna, Margaret and Clara Weisenfluh. To these bereaved ones the Press and the entire community extend the deepest sympathy. "Sometime, when all life's lessons have been learned, And sun and stars forever more have set, The things which our weak judgment here have spurned, The things which o'er which we grieved with lashes wet, Will flash before us out of life's dark night; As stars shine most in deeper tints of blue; And we shall see how all God's plans were right And how what seemed reproach was love most true."

HACKENBERG. The Press last Thursday briefly announced the death of our old and respected citizen, William Hackenberg; also giving a short obituary. The funeral took place from the family residence, East Fifth street, last Friday afternoon at two o'clock, being very largely attended by relatives and friends. The religious services were conducted by Rev. R. H. Bent, of Presbyterian Church, his pastor, assisted by Rev. J. L. Bogue, of Baptist Church, and Rev. J. F. Anderson, pastor of M. E. Church. Rev. Mr. Bent delivered a very appropriate address. Deceased leaves besides his devoted wife, (who has faithfully ministered to his every want during his long and painful illness), the following children by his first wife, who died fourteen years ago: Laura Erhard, Austin; Mrs. Hattie Wet Sellingsgrove, Pa.; Mrs. Myrtle Walker, Austin, Pa.; Mrs. Lucy Bloom, Buffalo, N. Y.; also two sisters and two brothers.

The following honorary pall bearers were in attendance: Hon. J. C. Johnson, Riley, Warner, M. M. Larrabee, H. C. Olmsted, F. D. Leet, and R. R. McQuay, the active casket bearers being Hon. B. W. Green, E. W. Gaskill, T. H. Norris, I. K. Hockley, C. H. Felt and G. S. Wiley, members of the Masonic Lodge of which the deceased was an honored member. A male quartette consisting of H. C. Olmsted, I. K. Hockley, C. H. Felt and Geo. A. Walker rendered very appropriate hymns.

The following relatives and friends were in attendance: Mr. and Mrs. P. J. Bloom, Buffalo; Mr. and Mrs. W. S. Walker and children, Mrs. Lora Erhard, and son William, Austin; Prof. and Mrs. H. H. Webber, Sellingsgrove, Pa.; Mr. Edward Hackenberg (brother) and daughter, Mrs. Cleminger, Kane; Ex-Senator W. H. Hackenberg, John Hackenberg, (nephew) Milton, Pa.; Mr. and Mrs. Edwin Jessop, Dundee, N. Y.; Mr. and Mrs. J. C. Bushman, Franklin, Pa.; Mrs. Dr. Wilson, St. Marys.

This closes an active life of one of our old friends, respected by all. William Hackenberg was a man of pronounced opinions and never hesitated to proclaim the same. During the long residence in Cameron county he was identified with various business enterprises, all of which he successfully conducted. Religiously he was a consistent member of the Presbyterian church and aided as far as he could in every manner to promote the same. Politically he was a Republican, of the old school, and we know whereof we speak when we say he could be relied upon. Farewell, friend.

The Question of Education

Is one of the most important topics discussed at the present time by county institutes and the family, and to the average salaried man or workman is somewhat serious, especially where the family is large. And it behooves him to use every effort and means possible to provide an educational fund for high school and college days. A savings account offer a rare opportunity for husbanding a fund for the education of those little ones. Try it.

Do You Remember?

It is a well known fact that when the rapidly disappearing of the timber in this county was realized by many of our citizens the question of continuing the battle to hold our county and prevent its absorption by the surrounding counties, owing to the lack of employment and the great decrease of taxable property, that a little band of gentlemen resolved to stand by Cameron, live here and invest their money. Who headed every enterprise to increase the employment of the wage-earner and who is now exerting every possible effort to improve the condition of our laborers? Hon. Josiah Howard.

Who stood at the head of the Novelty Incandescent Lamp Company, where over seventy-five young ladies and men are daily employed at good wages, with a pay roll of over \$1,500 every two weeks? Hon. Josiah Howard.

Who encourages and aids in the improvement of our farming lands, our roads, our streets, our churches, our schools and every laudable project? Hon. Josiah Howard.

Who introduced and secured the passage of the law, now on the statute books, taking the State lands for school and road purposes, thereby greatly aiding the several townships in keeping up their schools and roads? Hon. Josiah Howard.

Voters of Cameron county, is it not to your interest, the interest of your dear ones and an expression of gratitude that you show, by your suffrage, that you endorse Mr. Howard's interest in your behalf, by not only casting your vote for him but urging your neighbors to do likewise. Make this expression of good will unanimous, regardless of party.

New Club Organized.

Last Monday evening a club that will be known as the Emporium Social Club was organized. The meeting was held in the rooms of the Republican Club and was largely attended. The organization of this club assures a good time for the coming winter months. Fifty of Emporium's leading young men have become members of this organization and the object is to promote sociability among the young people. Dances will be given every two weeks. The following officers were elected: President, Ben G. Erskine; Vice Pres. Max F. Falcom; Secretary, C. Harold Seger; Treasurer, Guy S. Thompson; Committee on Arrangements, Mose J. Harris, Fred J. Keim and R. H. Edgar; Committee on By-Laws, R. M. McQuay and Ben Liston. The first of the series of dances will be given in the near future.

Italian Killed.

Last Friday Giuseppe Pope an Italian employed near Sizerville on the new railroad grading was almost instantly killed. He did not see an approaching train, owing to the snow storm, and was struck, throwing him twenty or thirty feet. He was placed on a train to be taken to Olean Hospital but died before arriving at Port Allegany. His remains were brought to Emporium and placed at Egan's undertaking rooms to be prepared for burial, the funeral taking place Monday afternoon. Deceased leaves a wife and several children in Italy.
