Re-Opening of the New Store.

Our new store is completed and Wednesday, Dec. 14th, 1910, will mark the opening to the general public. We are proud of this store because we think it is the most up-to-date and convenient General Store in this county. By reason of the fire, which destroyed our place of business on Aug. 16th, 1910, we have been greatly handicapped in our efforts to serve the public and we take this occasion to thank our patrons for their forbearance and kindness.

The floor space which we now occupy will enable us to present to the public a line of goods covering the entire field of merchandise. This line of merchandise will be of the dependable kind, fresh and new and our prices will be found right. Our service will be strictly honorable and if any patron finds it necessary to send their children to our store we assure them of satisfactory service in every instance. Anything bought here will be cheerfully exchanged, or money refunded, if not satisfactory.

Our Holiday Goods will be on display at the time of the opening. We have a large line of Candies, Toys and Playthings for the little ones. We want the people, one and all, to come and inspect this new store. We will endeavor to make it pleasant for you all.

Dec. 5, 1910. SPORT.

Take This Home and Try it on Your Piano.

When in doubt, get her a spoon. That may sound frivolous, but if you will stop, think, and question, you will find it the soundest advice you have had this Christmas season. For instance, is there anything a woman thinks more of than her table, with its silver and glass? No! Well to get a whole set of solid silver is quite an outlay, but you can get at Metzger's Jewelry Store a single spoon of any of the standard patterns, and you can always have them, one year after another, not only in spoons but in any of the hundred and one odd pieces, as well as forks, knives and ladies, and the expense is so little that you can afford to make extra presents on all the little anniversaries, and behold before you miss the money your wife has a respectable lot of solid silver, that is good, not only for her life time but for two or three generations after. 42-4'

A Steady Drain.

Sick Kidneys Weaken the Whole Body—Make you Ill, Languid and Distressed.

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broad-cast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Great Emporium cures prove it.

Lee Halderman, Allegheny Ave., Emporium, Pa., says: "I have used Doan's Kidney Pills and have found them to be a cure for backache and pains in the loins. I also know that this remedy acts as a tonic to the whole system."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.
