**CHRISTMAS GIFTS
FOR BUSINESS GIRLS**

There is no safer investment in the way of a Christmas present for any woman, young or old, than a scarf that may be used for afternoon and evening wear. Scarfs are the direct outcome of the vogue for tunics, fichus, berthas and draped skirts that have invaded the fashions this winter. One scarf can serve a number of purposes. It can be used as fichu on a house gown or worn as a shoulder cape under the evening cloak or adapted to serve as a headress.
An Ivory Toilet Set.
"I've put my silver set away and now use the Ivory toilet set Aunt Marlon sent me last Christmas." was

IVORY TOILET SET.
The very pertinent remark made recently by a girl who is successfully working her way to a good salary if not to fame. Yes, there are such comfort and smartness about the new Ivory toilet sets that every girl is pleased with them. It is, however, much better to give one or two pieces at a time of the very best quality of Ivory than to try to cover a larger field.
Pocket Writing Case.
Why not give her a stationary writing case? You can buy such a convenience for \$2.25 of fine durable leather which holds a quire of paper, envelopes, fountain pen and stamps. Or a good print neatly framed to hang in her room is an acceptable gift, and even a calendar, if artistic, is not to be despised. But do be careful if you give her a book, and don't send an edition of Ibsen to the girl who loves the lightest kind of fiction, or vice versa. Handkerchiefs and gloves she'll

POCKET WRITING CASE.
flippantly dub as "commonplace," but she'll be grateful for the gift later on. Silk stockings are always winners in the gift line, and pretty combs for the hair, or an umbrella if it has a stunning handle.
Handy Powder Bag.
The stress and strain of the day's work never seem to make the business girl oblivious to the fact that her nose may be shiny and that a judicious bag of powder will add as much to her well being as the drop of oil given the rod of her typewriting machine. In other words, if you give the business girl a smart little powder bag, such as the one to be seen in the illustration, she will bless you as long as the vanity case lasts. She can conveniently dis-

pose of the little bag in her pocket and surreptitiously give her nose a dab that will add to her satisfaction during the day.
The useful trifle is to be purchased at most department stores and comes in a Christmas box decorated with sprays of holly. There is a glass in one section, and in the other a pocket conceals a tiny chamois bag filled with powder. Small incisions have to be made in the chamois to allow for the outlet of the powder.
