No Ground to Expect True Reciprocity.

There is nothing in our previous negotiations with Canada which justifies any expectation of concessions. Even the Reciprocity Treaty of 1854, negotiated with those paid in foreign countries, means that our laboring people must suffer. Gov. Kitchen's position is simply that the manufacturer shall make a profit at the expense of the operatives. Do any of our textile workers feel that they are receiving too much for their labor?—Hickory, (N. C.) Times-Mercury.

"Paid in Full."

The wonderful record of this most popular play, by Eugene Walter, will be maintained when it makes its appearance here at Emporium Opera House on Monday evening, Feb. 13th. And the fact that it will be interpreted by a great New York cast, will no doubt be a great inducement for our local theatre patrons to turn out en masse, and that it will repeat its former triumphs is already indicated by the immense number of inquiries for seat reservations in advance.

Popular Courses.

The Spring Term special courses at the Clarion State Normal School proved last season to be immensely popular and helpful to the hundreds of students who attended this institution. For the coming term, they have been greatly expanded. Special classes will be maintained for teachers who need Agriculture, Drawing, Music and School Methods. Write for the bulletin to J. George Becht, Clarion, Pa.

The Greatest of American Plays, "Paid in Full."

The greatest play of the time and the most popular, will be the attraction at the Emporium Opera House on Monday evening, Feb. 13th, when Eugene Walter's "Paid in Full" with a cast that brings out in highest degree the superbly dramatic qualities, the human sympathy, the comedy that makes this the most appealing work the stage has seen, "Paid in Full" is a masterpiece. It drives across the footlights and grips with a power that is not once relaxed. It contrives every factor that lifts a play to highest place in public favor. Consider its wonderful record and it becomes plain that everybody likes it. Two years in New York it ran, going without halt through a summer, exceeding in drawing power the musical shows that until then had been the only form of hot weather theatricals Broadway would patronize. At the same time in Chicago in scored an all summer run. Then throughout last season five companies appeared in it, more than ever before had played any piece at the same time, and again this year an equal number are touring the country. With all this is the fact that more persons have seen "Paid in Full" than any other play in a like length of time, which sustains Acton Davies, the eminent dramatic critic of the New York Sun, who wrote:—"Paid in Full" is the biggest dramatic hit of the age." It is a vital, living story of the hour, depicting with compelling power conditions and persons that help make up the human sum of every American city. It is a play to be seen more than once and it will have a hearty reception in this city. It will be acted by a brilliant New York cast so that every atom of its tremendously entertaining quality will be brought out to the full. To see this great play acted by a great cast is a treat not to be missed by anybody.

Annual Reception.

Third eight members and guests attended the annual reception and dance of the Union Friendly Society, which was given at the Theatorium Hall, last Thursday evening. The first part of the evening was devoted to card playing, hearts being the chosen game and this was followed by dancing, which was indulged in until the very small hours of the morning. Miss Dorothy Nelson presided at the piano. A bucket lunch was served during the evening. The merry-makers were given a great surprise and treat by Mr. Robert Green, President of the Theatorium Company, who, at the close of the dancing favored them with a reel of moving pictures. This was indeed a treat and was heartily enjoyed by all. Although the Union Friendly Society have had several joyful occasions, last Thursday's affair was one of the best given by this organization and was undoubtedly the most successful. Guests of the Society present were: Misses Christy MacDonald, Julia Bair, Edna Clark, Elizabeth Crandell, Margaret Murry, Dorothy Nelson, Nina Hertig, Edna Johnson, and Messrs. Rodney Shives, Harold Seger, Harry Anderson, Richard Kuehne, E. B. McKee, Carl Swanson, Mr. Kennedy, of Emporium and J. F. Anderson, of Washington, D. C.
