# Unwelcome News

Word has been received at this place that the Rev. J. F. Anderson, who has been pastor of the Methodist Episcopal church at this place, the past three years, has been appointed to fill the charge at Milton, Pa. Rev. Anderson and his estimable family have many friends here who very deeply regret that the change has been made. He leaves Emporium with the best wishes of not only his own congregation, but from the town's people in general. We can highly recommend this family to the people of Milton and what has been Emporinm's loss is Milton's gain.

Rev. J. Emery Weeks has been ap pointed to fill the charge at this place. The Rev. Mr. Lehman, has been reap pointed to the Emporium circuit. This will be welcome news to his many friends. Rev. R. W. Runyan will again administer to the people of Driftwood and Sinnamahoning, much to the pleasure of his host of friends.

French legal time is at last to be b. ught into conformity with the international time of Eastern Europe and is to correspond exactly to that of London. For this purpose the Paris clock will have to be put back nine minutes, the difference between Greenwich and Paris. When, by an international understanding, time zones with one hour's difference were adopted for Eastern, Central and Western Europe, with the meridian of Greenwich as the starting point, France held aloof. It would have come, of course, under the Eastern division, but it objected to adopting the meridian of Greenwich for that of Paris. The difference was only nine minutes, which was another reason for not making the change, as it seemed a small matter. But in 1898 the chamber voted the adoption of the hour in the international conven tion. The ministers at the time disagreed on the subject, and the senate left the matter in abeyance. A few weeks ago the minister of public works wrote to the commission of the senate, of which M. de Freycinet is chairman, and informed him that the ministers were now agreed. The commission at once met, and a favorable report was drawn up, and has now been submitted to the senate. The exact difference between London and Paris is 9 minutes 21 seconds, and the change will be made as soon as the

# Lewis Leutze Injured.

Lewis Leutze, of this place, met with most painful accident at the saw mill of C. B Howard Company, on Wednesday, right after the noon hour, which resulted in a broken right arm and receiving severe body bruises. Mr. Leutze was engaged in putting on a belt, when his sleeve caught in the pully and he was whirled around the shaft several times. Most of the clothing was torn from his body. Dr. H. S. Falk was hastily summoned and dressed the injuries. Later he was removed to the home of his uncle, Mr. Bennett Leutze, on Second street, where he is being cared for. It certainly was a miraculous escape and Lewis can indeed consider himself lucky. While

his injuries are very painful he is resting as well as can be expected after such an experience. His many friends hope that he will soon be around again.

Each boy or girl drew a picture to ilustrate the rhyme he or she held and the prizes were announced as being in waiting for the best.

Twenty minutes were allowed for thinking up the picture and drawing it. The first prize was a nicely illus trated book and the second a plaster of paris goose filled with bonbons.

Robinson, West Fifth street, was invaded by over twenty-two lady and gentlemen friends of this estimable couple-a happy bunch, singing "Old Sod" songs, wearing the typical Shamrock and waving Old Glory. It was a surprise indeed. The evening was pleasantly passed singing songs and playing games. After a very enjoyable evening a delightful lunch was served, when all departed for their homes wishing Mr. and Mrs. Robinson continued prosperity and happiness.
