EMMANUEL EPISCOPAL CHURCH.

REV. M. L. TATE, Rector.

Next Sunday the following services will be held at Emmanuel Church:

There will be an Early Celebration of the Holy Communion at 8 o'clock.
Morning Prayer and Sermon at 10:30 o'clock. Theme, "The Food for a Hungry World."

There will be a meeting for men only at 4 o'clock in the Parish House. This service will consist of singing of familiar hymns, reading of a Psalm and scripture lesson, the prayer and an address by the Rector on the theme, "The Temple of God and Its Care."

Evening Prayer and Sermon at 7:30 o'clock, theme, "Christian Courage."
Strangers are always welcome at Emmanuel Church.

The Vagabond Actor.

Mollere raised the status of the actor to a hireling clown who must amuse his king. Sir Henry Irving was even knighted by Queen Victoria, who recognized his magnificent services to dramatic art. But in all the years when Sir Henry was breaking his neck to run back and forth between Victoria's royal residences and the cities where he was playing, to set up his scenes and act for the old queen's amusement and the entertainment of her guests, he was never once officially received by her at court. He had many private audiences, which were much the same for him as to have a chat with any other old lady; but, although he was the possessor of a royal title, a favorite with the royal family and the greatest actor of his age, he never was invited or "commanded," as it is called, to Buckingham palace. The status of vagabondia clung to his garments, and he was classed with crooked nobles and other undesirables.—Archie Bell in Cleveland Plain Dealer.

Courage and the Flea.

Courage is resistance to fear, mastery of fear, not absence of fear. Except a creature be part coward, it is not a compliment to say it is brave; it is merely a loose misapplication of the word. Consider the flea—incomparably the bravest of all the creatures of God if ignorance of fear were courage. Whether you are asleep or awake, he will attack you, caring nothing for the fact that in bulk and strength you are to him as are the massed armies of the earth to a sucking child. He lives both day and night and all days and nights in the very lap of peril and the immediate presence of death and yet is no more afraid than is the man who walks the streets of a city that was threatened by an earthquake ten centuries before. When we speak of Olive, Nelson and Putnam as men who "didn't know what fear was" we ought always to add the flea—and put him at the head of the procession.—Mark Twain.

The Original Paul Pry.

Thomas Hill, familiarly called Tommy Hill, was, says Dr. Brewer, the original Paul Pry. It was from him also that Theodore Hook drew his character of Gilbert Gurney. Planche in his "Recollections" says of Hill: "His specialty was the accurate information he could impart on all the petty details of the domestic economy of his friends, the contents of their wardrobes, their pantries, the number of pots of preserves in their store closets and of the table napkins in their linen presses, the dates of their births and marriages, the amounts of their tradesmen's bills and whether paid weekly or quarterly. He had been on the press and was connected with the Morning Chronicle. He used to drive Matthews crazy by ferreting out his whereabouts when he left London and popping the information in some paper."

Names in Electricity.

Electricity is the one branch of science that honors the great names in its fundamental terminology. Andre Marie Ampere was the French physicist who first measured the current and for whom the unit is named. The ohm bears the name of George S. Ohm, a German man of science who discovered the law on which the unit of electrical resistance is based. The volt is named for the Italian Volta, the greatest electrical authority of the eighteenth century, who was the first man to construct a rude electric battery. The farad, the unit of electrical capacity, is named in honor of the English physicist Faraday; the coulomb, the unit of quantity, for the French physicist Coulomb, and the watt, the unit of power, for James Watt, the Scotch inventor who improved the steam engine.

Weekly Lenten Services at Emmanuel Church.

Services are held on Wednesday and Friday evenings in the Church at 7:30 o'clock.

Thursday afternoon at 4:00 o'clock prayer and readings with the Women of the Parish in the Parish House.

On Friday evenings the Rector is delivering a series of sermons on The New Life.

The theme on next Friday evening will be the Duties of the New Life.

Saturday afternoon at 4:00 o'clock an hour with the young people in the Parish House. The Junior choir sings at this service. Next Saturday the Rector will draw some lessons from candles. To all these services all who are disposed are invited to come.

Meeting for Men Only.

A meeting for men only will be held in the Parish House on next Sunday afternoon at eight o'clock. Familiar hymns will be sung. A Psalm and a lesson will be read, followed by the Prayers, after which the Rector will deliver an address on the theme, "The Temple of God and its Care."

All men of the community are cordially invited to attend this service.

John W. Sicklesmith, Greensboro, Pa., has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all dealers.

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious disease that it often tends to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by all dealers.

Pianos.

The W. J. Frederick Music Company, of Williamsport announce that they have for sale an elegant line of pianos. Twenty-five makes to select from, among these are the Chickering, Knabe, Hardman, Strich and Zeidler also the Estey and many others. For further information address Mr. Thomas J. Council Proceedings.

Meeting held Monday evening, March 20, 1911. Members present: Messrs. Cramer, Haupt, Howard, Mullin, Mumford, Pearsall, Spencer and Mr. Norris, president. Absent, Mr. Cummings.

Moved by Mr. Mullin, seconded by Mr. Howard, that in as much as there had been a member elected in place of Mr. Spencer, his seat having been declared vacant at a previous meeting by the president of the Council, the legality of his seat in the Council was referred to the borough solicitor. Carried.

Minutes of previous meeting read. A message was read from the Burgess taking exception to the minutes of previous meeting, in which Mr. Hilliker acted as president, declared the resolutions passed during the time he acted as president as being illegal.

Moved by Mr. Cramer, seconded by Mr. Mumford, that the Burgess' exception, pertaining to the action of Mr. Hilliker acting as president, be sustained and the minutes be approved with this exception. Carried.

Mr. Mullin, chairman of the sewer committee, reported that he had consulted with Mr. Brady relative to the disposal of the garbage at Furnace and

had about completed arrangements with him, whereby the draymen would be allowed to dump the refuse with the understanding that the borough authorities would see that same would be burned, until such time as the furnace would be put in operation.

Moved by Mr. Cramer, seconded by Mr. Howard, that Council proceed with the advertisement of bids in the Cameron County Press, Emporium Independent and a trade journal, for the completion of the surface water sewer as per plans and specifications on file. Carried.

Moved by Mr. Cramer, seconded by Mr. Howard, that motion of Feb. 6, by Mr. Mullin, in regard to tax for Theatorium be laid on the table indefinitely. Carried.

Ayes and nays were called and motion was carried.

Moved by Mr. Howard, seconded by Mr. Cramer, that license for Emporium Theatorium be \$50 per year for moving pictures and 50c per night additional for vaudeville acts. Carried.

Moved by Mr. Mullin, seconded by Mr. Pearsall that motion be amended to read moving pictures instead of Theatorium. Motion lost.
