

THINGS WORTH KNOWING.

CURE FOR CORNS.—One teaspoonful of tar, one of coarse brown sugar, and one of saltpetre. The whole to be worked together. Spread it on kid leather the size of the corns, and in two days they will be drawn out.

CURE FOR NEURALGIA.—Half a drachm of sal-ammonia in one ounce of camphor-water, to be taken a teaspoonful at a dose, and the dose repeated several times, at intervals of five minutes, if the pain be not relieved at once.

GARGET in cows making milk thick and full of slugs may be cured by giving saltpetre in quantities as large as a hickory nut in a mess of bran or meal. In fifteen years I never knew it to fail by giving three or four times in as many days.

RELIEVING CHOKED CASTLE.—Take a quart junk-bottle filled with water, raise the animal's head and pour it down, and the obstruction is at once removed; nor is there torture of pulling out the tongue. The same is good for horses choked with oats.

DRIED FRUIT, it is said, put away with a little sassafras bark (say a large handful to a bushel) will save for years unmolested by those troublesome little insects which so often destroy hundreds of bushels in a season. The remedy is cheap and simple.

GREASING GRIDDLES.—To grease griddles for baking, rub half a turnip over the griddle. It answers the same purpose—and does not emit the disagreeable smell usually occasioned by rubbing with grease. So says a correspondent of the Country Gentleman.

SORE THROAT.—Soak a small piece of bread, about the size of a hazel nut, and then take a pinch of Cayenne pepper; mix and roll up in the form of a pill, which the patient must swallow, when in about three hours he will be relieved from all pain. A second dose may be requisite in a severe case, but it has never been known to fail.

FOR PRESERVING MILK.—If milk be introduced in to bottles, put into a pan with cold water, and gradually raised to a boiling point, and after being allowed to cool, be taken out, corked, and set away in a cool place, it may be preserved perfectly sweet for half a year. The reason is said to be that heat deprives the sugar of its power of changing into lactic acid.

IV.—THEY ARE HISTORICALLY CORRECT. "Historically correct, and as entertaining as many of the volumes of Sir Walter Scott."—Providence Herald.

V.—THEY ARE ORIGINAL. "The reader is greatly surprised to find a new writer with such constructive genius and knowledge of character as Louisa Mulhach possesses."—Public Ledger.

VI.—THEY ARE FULL OF IMAGINATION. "There is not only the skillful painter, but a poet in the artist."—Christian Witness.

\$100 REWARD! For a medicine that will cure COUGHS, INFLUENZA, TICKLING IN THROAT, WHOOPING COUGH, or relieve CONSUMPTIVE COUGHS, AS QUICK AS COE'S COUGH BALSAM.

OVER ONE MILLION BOTTLES have been sold, and not a single instance of its failure is known. We have in our possession any quantity of Certificates, some of them from EMINENT PHYSICIANS who have used it in their practice, and given it the pre-eminence over all other compounds. IT DOES NOT DRY UP A COUGH, BUT LOOSENS IT, so as to enable the patient to expectorate freely. Two or three doses will invariably cure TICKLING IN THE THROAT. A half bottle has often completely cured the most Stubborn Cough, and yet, though it is so sure and speedy in its operation, it is perfectly harmless, being purely vegetable. It is very agreeable to the taste, and may be administered to children of any age.

In cases of Croup we will guarantee a cure, if taken in season. No Family should be without it. It is within the reach of all, it being the cheapest and best medicine extant.

C. G. CLARK & CO., Prop'rs, mar 28.66-ly. New Haven, Conn.

COE'S DYSPEPSIA CURE!! This great remedy for all DISEASES OF THE STOMACH is the discovery of the inventor of Coe's Cough Balsam, while experimenting for his own health. It cured Cramp in the Stomach for him which had before yielded to nothing but chloroform.

The almost daily testimony from various parts of the country encourage us to believe there is no disease caused by a disordered stomach it will not speedily cure. Physicians endorse and use it. Ministers testify to its efficacy; and from all directions we receive tidings of cures performed.

Dyspepsia it is sure to cure. Heartburn one dose will cure. Sick Headache it has cured in hundreds of cases. Headache and Dizziness it stops in thirty minutes. Acidity of the Stomach it corrects at once. Rising of the Food it stops immediately. Distress after Eating one dose will remove. Cholera Morbus rapidly yields to a few doses. Bad Breath will be changed with half a bottle.

IT IS PERFECTLY HARMLESS! Its unprecedented success is owing to the nature of Coe's Cough Balsam. Nature to reassert her way in the system. Nearly every dealer in the United States sells it at ONE DOLLAR PER BOTTLE. C. G. CLARK & CO., Proprietors, March 14. 66-ly. New Haven, Conn.
