No Trouble about Judge Chase's Principles.

No Democrat need hesitate to give his support to Judge Chase on the score of months ago, Mr. T. B. Mason, of that principle.

Chase's principles. He is a hard money has remained there since Christmas under man; yet, as the Irishman, when he saw treatment, and is now perfectly cured.

a donkey, declared that he had found the The process is this: A piece of sticking father of all rabbits, so we find in Chief plaster is put over the cancer, with a cir-Justice Chase the father of all greenbacks cular piece cut out of the center a little -in fact, Old Greenbacks himself. bond question; he is behind him; for it skin next to it were exposed. Tien a is well understood that although Judge plaster made of chloride of zinc, blood Chase made greenbacks a legal tender, he root and wheat flour was spread on a

He of London, and has been used by him for is also in favor of large appropriations on six or eight years with unfailing success, the banks of the Mississippi, to prevent and not a case has been known of the rethat river from overflowing, and to cause appearance of the cancer when this remedy the hearts of the planters to overflow with has been applied. gratitude and political support towards

In verification of the wisdom of his financial policy, Judge Chase may point proudly to Jay Cooke, as an illustration. lon of stale apple cider; add to this a If it had worked so well for him, why should it not work well for everybody?

The Democrats might think that Judge Chase would be squeamish in his selections for office; but he is not over particular about men, so that they are his friends; for while he stands himself erect, over six feet in his stockings and immaculate ermine, can he not point to Callicot in his parti-colored suit as one of his confidential firiends?

Judge Chase's notions on the negro question will do no harm with the Democracy of the Southern States: for while he is in favor of allowing intelligent colored gentlemen to vote, he would rather leave it to their former owners to decide whether they shall be permitted to vote or not. If they do vote, of course the Chief Justice is the Democratic can- good protection against moths,

He does the part affected. it too, with such dignity and such perfect consistency that no one can find any fault. The Democracy cannot have a more faultless candidate .- New York Sun.

"The Party" and its Record,

The men who met in Chicago to nomite the American people. They are known by their crimes. Here is a synopsis of

ify partisan hate: They speculated on the best blood of the

American people:

they refused to make peace when the enemy surrendered ;

For three years they have resisted the restoration of the Union:

They abolished ten state governments and established military rule instead: freedom of speech:

They have supressed presses for denouncing treason to the government: of the people for opposing revolution:

moralize the judiciary ; The have impeached the President for

defending the constitution, and attempted to secure his disposal by intimidating and Main Street, Johnstown, Cambria Co., Pa.,

under the pretence of reconstructing states: They have pensioned an army of partisans on the treasury under the pretence of eriminating public. protecting southern negroes and paupers: They have taxed the country over five | brands of liquors and wines. bundred millions in a single year of peace

and squandered the bulk of it on schemes designed for personal and partisan profit:

They have excused the bondholders and manufacturers from taxation, and imposed additional taxation upon commerce, labor

They have assumed the power in [a partisan caucus at Washington to dicente local laws for sovereign and independent

They have converted congress into a den of political speculators and partisan

These are but some deeds of the party whose representatives assembled at Chicago on the 20th ult. It is safe to say that the delegates who composed the convention and their immediate partisanfriends have robbed the people of not less than a hundred millions for their individual benefit within the past twelve months. Four-fifths of them might be dismissed from office to-morrow, Grant included, without detriment to the public

service. - Milwaukee News.

Valuable Recipes.

HOW TO CURE A CANCER -A Milwankee paper states that some eight city, ascertained that he had a cancer on "These suspenders, said an auctioneer, his face the size of a pin. It was cut out "are clastic-long enough for any man, by Dr. Wolcott, and the wound partially short enough for any boy, and warranted | Lealed. Subsequently it grew again, and while he was in Cincinnati on business, it Here we have an epitome of Judge attained the size of a hickory nut. He larger than the cancer, so that the cancer Pendleton is not ahead of him on the and a small circular rim of the healthy is now in favor of declaring them not to piece of muslin the size of this circular be a legal tender for any debt incurred opening, and applied to the cancer for since the war. He is, of course, in favor twenty-four hours. On removing it, the of paying the bonds in greenbacks; for cancer will be found burst in two and apshoe sole, and the circular rim outside of When the Chief Justice says he is in it will appear white and parboiled, as if and to mean that he is in favor of appre- ates, and the cancer comes out in a hard ciaring Old Greenbacks-that is, of hav- lump, and the place heals up. The plaster kills the cancer, so that it sloughs out Judge Chase is emphatically in favor like dead flesh, and never grows in again.

> CURE FOR DROPSY .- The Marietta Register says that the following mixture has been tried successfully as a cure for dropsy: I'ut in a stone jar or jug one galdouble handful of parsley roots and tops, cut fine; a double handful of scraped horseradish; half an ounce of syrup of squills; one ounce of juniper berries; the liquid to be kept warm by the fire for twenty-four hours, shaken often and then strained for use. Dose for an adult, onehalf wine glass three times a day. To be taken on an empty stomach. The dose and a general Banking business transacted. may be increased if necessary. The paiient should use moderate exercise, subsist on dry, nourishing food, and abstain from all liquids as much as possible.

HERE is an item for the consideration of our good housewives, and we have some very excellent ones in this place:

"A small piece of paper or linen, moistened with spirits of turpentine, and put JOHN GAY. he expects them to vote for him; and into a bureau or wardrobe for a single AY & WELSH that no Democrat can object to, provided day or two, or three times a year, is a

CURE FOR SNARE BITE. - A farmer of Grocers and Commission Merchants, In short, Judge Chase is willing to go Audrain county reports having recently

GOLD FOR THE PENSIONERS-GREEN-BACKS FOR THE BONDHOLDERS.—Under the Republican policy the soldiers and sailors not only received legal tenders for their pay, but wounded pensioners and maimed and disabled veterans are also paid in that currency. The bondholder. nate Grant for President are not strangers | however, expects his pay in gold. This distinction against the pensioners and wounded soldiers and sailors is scandalously unjust. The Democracy are in They incited a bloody civil war to grat- favor of remedying it. They believe in the reversal of the policy. They are in favor, and we trust a plank to that effect will be inserted in the New York plat-They so loved the profits of war that form, of paying pensions to our disabled veterans, to our soldiers and sailors, in gold. It is right that they should have this preference, in as much as they have roads coming into the city. The Restaurant shed their blood for the country, and received but a trifling and inadequate compensation during the war. When a very They opposed the supremacy of the fed- large proportion of them entered the sereral constitution in war as a military ne vice, gold was the legal tender, and they eessity, and in peace as a party necessity: might naturally suppose that they would They imprisoned men for exercising the coutinue always to receive their small payments in it. The faith of the country is, therefore, virtually pledged to them for that payment. It is not so with the They have disfranchised a large portion | holders of the five-twenty bonds. They lent legal-tenders to the government when They have attempted to abolish the in- they were worth forty or fifty cents on the dependence of the executive department dollar, and took back a bond in which and to annihilate the constitutional powers | the government scrupulously refrained from pledging to them any gold payment. FOR THE BEST

Sole Manufacturers of Grand and Square Patent

Monitor Plate Piano Fortes, with DOUBLE IRON FRAME. A COMPLETE PROTECTION AGAINST WET, COLD OR HOT CLIMATE. (Patented February 20th, 1866.) WARRANTED FOR FIVE YEARS.

Warerooms, 452 Broome St., New York. The Patent Monitor Plate Pinnes by their peculiar Construction are superior to all others, and their merit consists in the wrest plant being supported by the Iron frame, allowing a larger space for the sounding boast than is possessed by any other kind of Piano. By this means the quantity as well as the quality of the tone is largely increased.

These Pianos have been pronounced by the best judges to be unrivalled for

Power and Sweetness of Tone, Easy and Agreeable Touch and Beauty of Finish. Most flattering certificates of excellence from Thalberg, Gottschalk, Strakosch, Viouxtemps, and a large number of the most distinguished Professors and Amateurs. From long experience and superior facilities for Manufacturing, we are esabled to offer our Pianos at as low prices as are naked by inferior makers.
