IT WON'T DO.

Radicalism wishes to conceal its crimes ander the smoke of Grant's cigar. It thinks that, like the ostrich, by hiding its Lead in the sand its body is concealed ; but with the Radicals, as well as the estrich, the Rump sticks out.

+ -----The Last Resort of Tyrants.

The Rump Congress is busily engaged in passing a law to distribute the firearms belonging to the United States among the negroes and carpst-baggers of the South. All the muskets in the United States will not perpetuate Radical rule, and the sooner Radicals make up their minds to this the better. + -

We wish to call the particular attention of Farmers to our celebrated "STAR" THRESH-ER AND CLEANER, which, as lately improved, we claim is far superior to any other machine now in market. It is compact and easily portable, simple in its construction, and therefore will do its work with marvellous rapidity and perfection, and with comparatively the least demand upon the strength of the animals driv.

We have made recent improvements in this machine by which we are enabled to THORODON-LY CLEAN THE GRAIN under almost any combithe feeder of dust, thus making the operation of threshing as comfortable and safe as with the ordinary machines it is annoying and frequently destructive of health.

These Machines are made of suitable sizes for our "Star" Railway 2 Horse Power and for our "Star" Lever Powers for 4 and 6 horses. For sale by our agents and dealers generally.

The drift of the tide is toward you ; changes are abundant; and it is apparent Radicalism.

Let us labor to deserve so propitious a result.

"signs of the times" they certainly presage a glorious victory for Democracy over Radicalism and the Rump. Never were the skies brighter. The nominations of Seymour and Blair are cordially ratified in every part of the United States. and a feeling is displayed throughout the whole country which gives a prestige to our cause that must produce a triumph.

On the other hand, there is no enthusiasm in the Radical ranks. The nomination of Grant was a necessity for them -they had no hope of success but by bringing his military record to recruit the depleted ranks of Radicalism. The result shows their mistake. There has been scarcely a demonstration of Radical approbation since the nomination, and Grant is now travelling Westward so quietly that we can scarcely learn his 8 Speech, whereabouts. The political fever has sub- 9 Song-"We Met by Chance." sided in the Radical ranks, and all is still and lifeless. Even Grant's name creates Entitled "Ulyss Grant Riding a Mule, when no fervor.

The reason of all this is plain. The Ring-Master, people are tired of Radical rule. In Mule, (without a competitor on any stage,) 1860 the Democratic party left a united country, free from national debt, free from national taxation. Eight years of Radicalism gives us a divided country, a national debt of three hundred millions of dollars, without any hope of its ever being reduced under Radical rule, and a taxation that paralyzes every effort of honest industry. Grant, so far as he is anything, is committed to this policy, and will perpetuate it.

Hence it is that even the name of Grant creates no enthusiasm. The people 17 Impeachment Representation -- Tom Wilwant, they are determined to have, a change. They want the Union restored 18 Extravaganza-(With a flank move--they want military governments, which cost eleven millions a month, abolished -- they want the Freedman's Bureau, which keeps carpet-bag Yankees in office to feed lazy negroes out of our pockets, discontinued.

The people desire all this, and the Radicals are beginning to see it. Hence they have changed their tactics, and leaving Grant to take care of himself, have commenced to utter the vilest slanders against the Democratic candidate for President. Copperhead, rebels, traitor, and similar terms, are pressed into the service by these bread and butter patriots. Fortunately for Horatio Seymour he gave more efficient aid to President Lincoln in carrying on the war than any one man in the United States. And

against these Radical slanders we put the their party. It says :
