Democratic County Meeting.

The annual meeting of the Democracy of Cambria county, for the ratification of the National, State and County nominations, will take place on TUESDAY EVENING, SEPT. Sth. 1868, at the Court House, in Ettensburg. All Conservative and Democratic citizer's are carnestly requested to attend and hear the great principles involved in the coming election discussed. The public debt is constantly increasing. The public credit is deteriorating. The burthens loaded upon all industrial pursuits are paralyzing their efforts for success. The laboring man is ground down with multiplied taxation. White men are disfranchised, while principally obtained without drawing on the negroes are made voters and elevated to office and power by unconstitutional Congressional enactments. Negro Bureaus and large standing armies are kept up in time of peace to destroy your liberties and eat out your substance. Let the people arise in their might and hurl these unprincipled demagogues from power, who are fast overthrowing our system of government, raining our people, and destroying our liberties. Come to the meeting, and from this hour until the campaign closes with victory let our motio be Action, Action!

By order of the County Committee. H. D. WOODRUFF, Chairman.
