Democratic County Meeting.

The annual meeting of the Democracy of Cambria county, for the ratification of the National, State and County nominations, will take place on TUESDAY EVENING, SEPT. 8th. 1868, at the Court House, in Ebensburg. All Conservative and Democratic citizers are earnestly requested to attend and hear the great principles involved in the coming election discussed. The public debt is constantly increasing. The public credit is deteriora ing. The burthens loaded upon all industrial pursuits are | For President, paralyzing their efforts for success. The laboring man is ground down with multiplied taxation. White men are disfranchised, while Union Republican Congressional Committee, negroes are made voters and elevated to office and power by unconstitutional Congressional enactments. Negro Bureaus and large standing armies are kept up in time of peace to destroy your liberties and eat out your substance Let the people arise in their might and hurl these unprincipled demagogues from power, who are fast overthrowing our system of government, raining our people, and destroying our liberties. Come to the meeting, and from this hour until the campaign closes with victory let our motto be action, action!

By order of the County Committee. H. D. WOODBUFF, Chairman.

LOCAL AND PERSONAL.

CONGRESSIONAL CONFERENCE.-The conferces of the Seventeenth Congressional District met at the City Hotel, Tyrone, on the R. L. Johnston, E q., of Ebensburg, was chosen President and E C. Everbart., Esq.,

of Blair county, named for Secretary. The following conferces presented the re-

quisite credentials: Cambria-Philip Collins, R. L. Johnston and Capt. H. D. Woodruff. Blair-E C. Everhart, Dr. J. M. Gemmill and S. P. McFadden

Huntingdon-L. M. Stewart, N. Isenberg, and Dr. Smith. Mifflin-Messrs. David Stine, D. A. McMan-

Mr. Everbart nominated Dr. Rowan Clark, of Blair county, as the Democratic candidate for Congress. Mr. Isenberg nominated Col. John P. Lin-

ton, of Cambria. Mr. Weaver nominated G.n. William II. Lewin, of Mifflin.

On the first ballot the vote stood : Dr Rowan Clark, 6 votes.

The names of Dr. Clark and Gen. Irwin were then withdrawn, and Col. John P. Linton was nominated by acclamation.

A RUNAWAY LOCOMOTIVE .- Narrow Esslope of the mountain. It seems that Mr. I toran had assisted in hauling the Cincinnati Kittanning Point, on his return trip to Altoona, the brake chain on his engine snapped asunder. With great presence of mind Mr. Doran reversed his engine immediately, but the strain on the steam chests was too severe and the result was that one of them exploded, thus rendering him powerless to control it. The grade here is about ninety feet to the mile, and it required but a few moments for the engine to attain a fearful momentum, and Mr. Doran and his fireman were compelled to abandon it. At this time its speed Lour, and it is a matter of astorishment that both escaped without serious injury. The runaway engine, with constantly accelerating speed, ru hed do wnithe mountain, and, about four miles beyond the point where the brake was passing down on the same track. The result can be imagined. A number of the cars were completely wrecked, and the en gine was stripped of the cow-catcher, head-I ght and a portion of the machinery. No blame can attach to Mr. Doran, as this was one of those accidents which no amount of ever. His store is well filled, as is also that foresight could provide against.

BRIEF MENTI N -The extreme length and late hour at which our Altoona letter has been received precludes its publication entire, and we could not see how it was possible to condense it so as to express the views of our correspondent satisfactorily to himself. Much of it will do for next week, if desired .- The perusal of the letter from on shipboard, to which we referred last week, has convinced us that it contains not enough of interest to justify us in occupying the space in our columns necessary for its publication .- The many friends of James Potts, Esq., of Johnstown, will be glad to learn that he is convalescing rapidly from his late severe illness -- Wm. H. Sechler, E-q, as will be seen by his card elsewhere, has hung out his legal shingle at the office recently vacated by Geo. M. Reade, Esq. May he doubly prosper in his new location. - The Mountaineer club of this place will visit Johnstown on Friday to play a mach game of base ball with the Kickenepawling club of that place. Excursion tickets will be issued from this point to all who wish to accompany than.

CARS WRECKED AND MAN INJURED -About 1 o'clock on Monday morning last a tumber of freight cars broke loose from a train to which they were attached, on the grade between Gallitzin and the Tonnel, and afterwards ran into the balance of the train, precipitating eleven of the cars over an em bankment one hundred feet in height, causing the almost entire destruction of the cars. and injuring an engineer named Chas. Bowers, who was asleep in one of the cars which went over the embankment, so severely that no hopes were entertained of his recovery when we heard from him on Monday. Mr. Bowers was on his way to Derry to go on duty when the accident happened. His injuries are principally about the head and iron ore, three and a half feet in thickness, chest. The train which met with this misfortune is said to be the same one which Mr. Mr. Owen Roberts, in Summerhill township, Doran's engine ran into, as noticed elsewhere, but we can't conceive how this could be the covery was made by Mr. Roberts while case, as they seem to have been going in op- | sinking a well, and afterwards found at two

INTERISTING CORRESPONDENCE .- The Democracy will learn two facts from the following correspondence :- First, that the Radicals are determined to use the people's money to defeat the people's candidates; and,

bribe them with their own money. But the people are not to be bought; and after November the Radicals will find they have "reckoned without their host." Those be gratified by calling at the Freeman office: [LETTER.]

FATAL RAILROAD ACCIDENTS .- On Monday night last, a man, while walking on the railroad, near Redebaugh's station, about two miles west of this place, was struck by a freight locomotive, and killed instantly. He had just stepped off one track to the other out of the way of a coming train, when he was struck by a locomotive meeting him. Coroner Detar held an inquest on the body, and from the evidence elicited the jury returned a verdict of accidental death. A diary was found on the deceased, in which was written in several places the name of "Jacob Werr, Baltimore, Md." It is said that he was peddling ink. He was apparently about thirty-five or forty years of age, and was blind of one eye. The body was buried

on the Poor House farm.
On Tuesday evening last, James Henderson, aged about sixteen years, son of Samuel Henderson, of Bolivar, got on the Fast Express train east at Walls' station, for the purpose of going home, and when a short distance west of Barclay's tunnel, fell asleen and fell off, several cars passing over his body, mashing his left arm and leg and disemboweling him. He was brought to this place and physicians called, but he died about | the best and handsomest goods, and permits one o'clock next morning. Coroner Detar held an inquest, and the jury rendered a verdict in accordance with the facts. His remains were taken home. - Greensburg Dem-

We call upon our fellow citizens, of could not make a respectable show as the rewhatever party, to spurn this attempt to sult of his labors. Therefore I hope you will pardon the briefness of this letter, promising to do better pext time.

There was a large and enthusiastic meeting at the Democratic club room, on Saturday desirous of seeing this precious epistle can night last, which was addressed by Hon. Cyrus L. Pershing, Col. John P. Linton, and Capt. H. D. Woodruff, in appropriate and able speeches, which were received with great applause. The meeting then adjourned with three cheers for Seymour and Blair, and the whole ticket.

The work of laying the water pipe on Main street has been recommenced where it

was left off some time ago. The Tribune, in its last issue, made an attempt on the life of the Republican candidate for Congress in this District, Mr. Morrell, by inserting that gentleman's portrait over the little sketch of his life which was taken from the N. Y. Literary Album. Mr. Morrell had the "cut" taken out before the edition was finished.

In my last letter I erroneously stated that the Mongrel mass meeting, at which Carl Schnrz is advertised to speak, would be held on the 26th, which was the day first announced. It was subsequently changed to

The score footed up 44 for the Elm and 48 for the Atlantics, giving the latter the game by four. The members of the Elm club are men from 18 to 35 years of age, while the Atlantic is composed of boys from 11 to 16 years of age. The game was witnessed by a number of gentlemen from Loretto, all of whom gave great credit to the little boys of the Atlantic club for playing so manfully.

A GREAT SUCCESS .- No article of household utility which has ever been introduced into any community has met with the same ready sale and general commendation as has attended the renowned Metropolitan Oil, manufactured and sold exclusively by our neighbor, Mr. M. > ENCOURAGE HOME ENTERPRISE .- Our energetic and amiable friend, John Crouse, E-q, as will be seen by his card in our advertising columns, has opened a wholesale and retail liquor store in Johnstown. We have tested the quality of Mr. Crouse's liquors, thanks to his kindness, and know that they will stand the test of the strictest scrutiny. They are well selected, and being offered at fair prices, we can see no good reaon why our Cambria friends should go to Pittsburgh or elsowhere to buy liquors, when they can do as well in quality and price with Mr. Crouse in Johnstown. Let home enterprise be properly encouraged when it is found worthy of patronage.

MUST PROSPER -The man who establishs himself in a certain line of business, and by industry, energy and liberability endeavors to merit the good will of his fellow-citizens, must prosper. Such a man is emphatically our neighbor over the way, Mr. Geo. Huntley, who is not only enterprising enough to keep almost every article of bardware, tinware, glassware, woodenware, groceries, and hundreds of other things, but pays strict attention to his business, and disposes of his goods at prices which cannot be undersold. Such a man deserves to prosper, and you, reader, will find your own interests promoted by dealing with him.

STILL MAINTAINED. - Notwithstanding the noise made by dealers on all sides, in regard to the cigars and tobacco sold by them, Cham. Roberts still maintains his well earned reputation in this respect, by selling the brought to Ebensburg. Also, sewing machines, jewelry, clocks, watches, stationery, notions, etc., in enuless profusion.
