The same authority established the fact that the House expenses for the year 1865 1866 increased over 1864, \$108,808; 1867 increased over 1864, \$148,451, and 1868 increased over 1864, \$371,925

No wonder that twelve hundred thousand dollars a year wrong, from the hard hand of labor, does not suffice to pay the interest on our national debt, but that under Radical rule it goes on increasing and multiplying. Let the people apply

the corrective at the polls.
