THE ELECTION.

The election on Tuesday, important and exciting as it was, passed off quietly. The Democratic vote in Cambria county is large, but the entire vote was not polled. There are fully two hundred Democratic voters in Cambria county who were not at the election, or, if there, declined to vote. The majority for the State ticket will be about 750, and on Congress and the County ticket, excepting District Attorney, the majority will reach about the
