State of Alabama a few days ago. Our informant is a reliable colored man, who heard the particulars from a member of the Loyal League, who got his information from a fellow who lost a cousin in the late war. It seemed that a Mr. Carpet Bagger was attacked in his own house by 1632 Kukluxes, armed with double barreled bowie-knives. They slaughtered and ate nineteen of Mr. Bagger's children before his eyes, and compelled Mrs. Bagger to cut her own head off and hang it en a hook in the cellar. She was then ordered to keep still upon pain of instant death. She happened to sneeze, and the leader of the dastardly craw immediately had a threshing machine set up and run Mrs. Bagger through. It's very doubtful if she recovers. Mr. Bagger was then forced to swallow four tens of gurpowder and a handful of ni ro-glycerine. He was next dieted on live coals until an explosion | S.
