THE FREEMAN.

THE ELECTION.

Up to the time of going to press on Wednesday afternoon none but the most meagre returns of Tuesday's election have reached us, and they only from districts surrounding or within easy access of our town. In Ebensburg borough and Cambria, Munster, Carroll and one or two other townships, there have been Democratic gains, but Blacklick, Jackson and a number of other districts are reported to have given still heavier gains to the Radicals, and as things now look Cambria county has done no better, if she did so well, for the Democracy as at the October election.

From other States no information has reached us, and we don't know that we should feel any better if we had. If we thought we could bave given our Democratic friends more cheering news we should have delayed our paper, but just now the signs are not very propitious, and they might get worse instead of better.

THE CAMBRIA FREEMAN.
