What key will unlock most men's minds? Whiskey. When may a chair be said to creak you? When it can't bear you. Dog stealing in the second degree-Hooking town-nale sausage. Men wounded through the explosion of bomb shells are wounded mortally. An inspiring sight for a glazier-The early dawn, when it breaks in the windows. When is a flock of sheep like our climate? When it is composed of all wethers. When may a young lady be said to be an excellent mirror? When she is a good looking lass. What is the difference between your great coat and a baby? One you wear and the other you was. Singular case-A railway traveler says that he recently caught cold through sitting next to a wet nose. What is the difference between a hill and a pill? One is hard to get up and the other is hard to get down. The lady who sang "My Bark is on the Sea" impressed her hearers with the idea that it was in her throat instead of in the sea. The girl who wanted to kiss him for his mother, concluded after she got a taste that she would go in on her own account hereafter. An absent-minded man lately put his dog to bed and kicked himself down stairs. He didn't discover his mistake until the next morning. What is the first historical mention of a hypophagist banquet? When Cæsar's ghost said to Brutus, "We shall meet again at filly-pie."

BACK TO FIRST PRINCIPLES BOOTS AND SHOES OF MY OWN MANUFACTURE. WHAT I MAKE I CAN WARRANT I

After an experience of more than a year in the sale of Eastern made work, during which time I have expended more than the profits in repairing rips and tares, I have determined to come back to first principles and henceforth confine myself to the manufacture of BOOTS and SHOES for Men, Youths, Ladies and Misses, and am now better prepared than ever to give entire satisfaction in my business. I have at present in my employ a competent corps of workmen, and can say without fear of contradiction, that I can turn out as neat and substantial Boots and Shoes at as moderate prices as can be made anywhere in the State. I am having Boots made of the finest French Calfskin, and which the past month or two have had orders pouring in upon me from all quarters for this kind of work. The material in these Boots is the best to be found in the market, and the workmanship, both in neatness and strength, cannot be excelled at any other establishment in the country.

MY TRAIN ALWAYS ON TIME! All work will be ready for delivery at the time promised. Weddings, visits and other interesting or important occurrences need not be postponed through any failure on my part to come to time. Good work and moderate prices is my motto, and one trial will convince any person that the motto is not a mere boast. Retarding of Boots and Shoes attended to promptly and in a workmanlike manner. Thankful for past favors I feel confident that my work and prices will commend me to a continuance and increase of patronage. JOHN D. THOMAS, Ebensburg, May 28, 1867. - 4f.
