Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

Minute directions are given in the wrapper on the box, for the following complaints, which these Ptlls rapidly cure:— Fulls rapidly cure:—
For Byspepsia or Indigestion, Listlessness, Languer and Loss of Appetite, they
should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billious Headache, Sick Headache, Jaundice or Green Sickness, Billious Colic and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.
