LOCAL AND PERSONAL.

THEMIS AND PENICINGS - The themis and penicings are to be known as Glade butter, of the best quality, still remaining unadulterated in the Eastern cities.

Mr. Evans has a few words of advice for our readers printed in our columns today. Ourselves the friends will tempt them to the removal of the county seat from Johnstown to be before the committee to-day (Thursday) at 10 o'clock.

Although persons without number have stepped upon or over the stone listed of the Mountain in this place, it was not until last Saturday that the somewhat startling discovery was made that a petrified snake perfectly formed in every particular and curled as it in the act of springing, was imbedded in the thick of stone. We have not yet viewed the wonder, but are told that the head, tail and body of the snake are readily discernible, leaving no room for doubt that it was at one time a living reptile. How it came to be overtaken by the "little unclean spirit" which has forever fixed its destiny, is a conundrum we are not prepared to answer.

CAMBERIA COUNTY AND THE STATE TREASURY - We compile from Auditor General Hartman's Report of the Finances of Pennsylvania for the fiscal year ending November 30, 1869, the following statistics showing the several items paid into and received from the State Treasury by citizens and corporations in this county:

Table with 2 columns: Item and Amount. Includes Bridge Company (43 13), Cambria Iron Company (9,869 23), Johnstown Gas & Water Co. (1,497 50), etc.

PERSONAL PROPERTY TAXES, AS VALUED FOR THE YEAR 1869. Total amount: \$759,891 00. Includes Personal Property (2,192 00), Population of Cambria County (87,113), etc.

PLENTY OF CHANGE - The only thing that seems to be blessed with an abundance of change in this "neck o' timber" is the weather. If any person had half as much change he could invest it to good advantage at the popular cheap dry goods grocery and fruit store of H. A. Shoenaker & Co., who are desirous of exchanging their fine winter stock for the ready cash at cost prices.

GET UP - People who wish to "meet me by moonlight alone" can do so these mornings by getting up before daylight, but people who wish to meet in the middle of the day can do so in all kinds of mercantile articles at the west ward store of R. R. Davis, in daylight, moonlight, lamp light, or no light, he cannot be beat in selling cheap.

COUNTERFEIT COIN - The country is said to be flooded with counterfeit five-cent nickels, but not one man in a hundred is able to tell "other from green." We believe all kinds, as well as greenbacks and scrips, are taken at the cheap cash store of V. S. Barker, who gives more than full value therefor in the best kind of dry goods, groceries, etc.

Local Correspondence.

JOHNSTOWN, Feb. 14, 1870. Dear Freeman - When passing the Arcade Building the other day I was attracted by a view of P. Patton's wholesale and retail Furniture Depot, Clinton street. He had just made a sale. He said "Come a Reel!" I went in, and then he said "Exclaim!" which means, "go up higher." We went and found the second-floor tier of rooms crowded with furniture. There must be \$5,000 worth of chairs, tables, cupboards, washstands, sofas, bedsteads, music stools, what-nots, and such like furniture, in this magnificent establishment. Mr. Patton sends furniture to all the counties around, and he makes good furniture and sells cheap. Moreover his heart is as big as his body, and his body is a hoosier.

The excitement here about the removal of the county seat is intense. I wish the vexed question was forever settled. The population is increasing rapidly here, and the more I think of the matter, the more I think I am right when I said, a few years ago, let us each have a county seat. The population will justify it in a very few years. But if you don't take my advice, fight away.

Local is scarce. Since the weather blazed up the hens have stopped laying and took to roosting. Butter is scarce. Flour is down and spirits are up. We are all living in hopes of a prohibitory law. If we get this we will petition to abolish horses, "cause they eat so much grain, and waste so much of the count money. Logic is blessing. If such could be abolished it would be a God-send. A few years ago two children got lost in Bedford county. When the father and mother were almost distracted about the little ones, some slanderous tongue started the rumor that the parents might have killed them. The same unreasoning surmise was started in regard to the children lately lost in New Jersey. That must be a warning to our parents and guardians.

LOREKKA is an excellent article of granulated Virginia tobacco - where ever introduced it is universally admired. It is put up in handsome mullin bags, in which orders for Meerschaum Pipes are daily packed.

Lorillard's Yacht Club Smoking Tobacco is classed by all who consume it as the "finest of all" - it is made of the choicest leaf grown in the world, and its effects, as the Nicotine has been extracted - it leaves no disagreeable taste after smoking - it is very mild, light in color and weight, hence one pound will last as long as three of ordinary tobacco. In this brand we also pack with every day a quantity of the "Grandes Pines." Try it and convince yourselves it is all it claims to be - "THE FINEST OF ALL."

This brand of Fine Cut Chewing Tobacco has no equal or superior anywhere. It is without doubt the best chewing tobacco in the country.

Lorillard's SNUFFS have now been in general use in the United States over 110 years, and is still acknowledged "the best" wherever used.

If your stockkeeper does not have the articles for sale, ask him to get them; they are sold by respectable jobbers almost everywhere. Circular of prices forwarded on application. P. LORILLARD & CO., New York.
