The Removal and the Census.

It has been stated and restated by the organs of the removal faction, that the county seat ought to be removed to Johnstown.

Thus showing that in the balance of the county there is a population of 22,729.

In view of these plain and convincing figures, what becomes of the preposterous assumption, that Johnstown and its dependencies contain even one-half of the population of the whole county.

Woodruff and McDermitt. They being such men as Hon. Douglas and M. Guire who were Directors in 1863, could never have been convinced of the propriety of appointing as Seward a man who had just proved his utter dishonesty and worthlessness.

In the last Johnstown Democrat there was published a communication signed "T." It is a defence of Daniel M. Laughlin, and bears the earmarks of M. Laughlin's handwriting.

HON. EDGAR COWAN, of Greensburg, recently United States Senator from this State, was in town on Tuesday last.

Swank on New Counties.

We have usually found the reputed editor of the Johnstown Tribune to be a gentleman in his advocacy of the Removal humbug, and in our controversies with him we have studiously treated him as such.

How does he know that the people of Susquehanna, Chest and White, are in favor of a new county. We freely admit that it might be so, but we deny in their name that they are in favor of the removal of the county seat or that they will vote for it.

The proposition of the Johnstown Tribune to the townships to which he refers is simply this and nothing more: Vote for the removal. After that infamy is accomplished, we (of Johnstown) will divide up all the balance of the county and to annex it by sections and townships, wherever our pleasure may indicate, and then after we secure the county seat of Cambria county at Johnstown, we will, as decent, high-minded, honorable men, full of the "milk of human kindness," permit Ebensburg and the northern portion of the county to inhabit some vast wilderness, or to make for themselves a local habitation and a name.

THE REGISTRY LAW.

What Must be Done in Order to Vote.

Read, Explain and Circulate! SEE THAT YOUR NAME IS ON THE LIST.

To the Democratic Voters of Western Pennsylvania: Your attention is directed to the following explanation of the Registry Law.

These lists should contain your name, and the names of all qualified voters in the district; they should state, if you are a house-keeper, the number of your house; the street it fronts on; your occupation; if you board, where and with whom you board; if you work for another, your employer's name; and opposite your name should be written the word "voter."

Make it your personal duty to see that your name is upon the list. Do not trust this matter to any one else. HOW TO GET REGISTERED.

How to Get Registered. If you find your name is not on the list, go yourself to the assessor, and make your claim to be put on. He is bound to add your name. He cannot question your right.

ATTENTION TO THIS ONCE. If you delay until within ten days of the election, you may lose your vote.

On Thursday week about four thousand persons assembled at Front Royal, Virginia, to witness the ceremony of breaking ground for this important enterprise.

It would be useless to attempt to keep pace with the shameless falsehoods which the Johnstown Democrat has been belching forth since it and its editors have become the property, by right of purchase, of the removal faction in Johnstown.

It affords us great pleasure to state, that Col. JAMES K. KELLY, Democrat, has been elected United States Senator by the Legislature of Oregon, for six years from the 4th of March, 1871.

DURING the past week two of Pennsylvania's most distinguished sons have passed away. The venerable ROBERT C. GREEN, late one of the Associate Justices of the Supreme Court of the United States, died in Philadelphia in the seventy-seventh year of his age.

One of Mr. Morrill's chambermaids, named Cyrus Elder, addressed a gang of old men and boys at the Court House on Saturday evening. His remarks were well said, considering the subject he had under consideration—himself and Daniel—even if he did kill the Campaign Club project.—Huntingdon Monitor.

R. Milton Speer.

The democrats of the Seventeenth district, composed of the counties of Cambria, Blair, Huntingdon and Mifflin, have nominated R. Milton Speer, Esq., of Huntingdon, for Congress.

He is going before the people of the Seventeenth district, Mr. Speer will be able to present the record of Daniel J. Morrill. His vote stands recorded in favor of every infamous scheme of plunder that has been presented in Congress during the last three years.

For the sake of the Bessemer tariff which has raised steel rails to the enormous price of one hundred and fifty dollars a ton, Daniel J. Morrill voted against every proposition that has honestly designed to relieve the public burdens.

He did not, like Sprague, print his begus speeches at private expense, but burdened the official newspaper of Congress with the intolerable trash. Morrill is odious to the States who have been in his own defense when attacked for his course on the floor of Congress.
