ADDRESS.

OF THE DEMOCRATIC COUNTY COMMITTEE

TO THE DEMOCRACY OF CAMBRIA COUNTY: The prospects for a speedy and final re-

demption from the wrongs of Radicalism were never so bright as at the present moment. The Democrats are everywhere standing manfully by their principles, while their opponents are sundered by factions-divided and discordant !

We are united and hopeful. The palmy days of Democratic supremacy-days leaders of the Removal Lumbug, wiser, like those which sustained a Jefferson and a Jackson-are again dawning upon us. Victory, like ripe fruit, is ready to fall into our hands, if we but remain firm at our posts to enjoy the triumph.

Congress must be redeemed ! Labor must be protected, and not capital, R. MILTON SPRER represents the ARM of labor ; DANIEL J. MORKELL represents the

In this county, as well as in this country, the people always govern and regulate their own local affairs. They are pecuniarily and of course personally interested in the proper management of the affairs of the county. The perfect and complete remedy is in their own hands, and if they fail through the ballotbox to apply it they are alone to blame. Are H. D. Woodruff, Harry Buggs, D. M'Laughlin, John F. Barnes, and other more honest, or more patriotic than the balance of the honest people of Cambria county, that they should take these matters specially under their peculiar charge, and that they should set themselves up as "Judges in Israel"?
