do the same thing in Susquehanna world; it is a magnificent five story structure, fronting an entire block in Eutaw street, and ave up to this time enjoyed the most covering, together with the Lumber Yards table weather that has probably ever attached, some two and one half acres of appreciated in this high latitude at this ground. Three hundred and fifty men conand the year. The thermometer at two stantly employed turning out over forty instru-

emerhage of the lungs is supposed to throughout the entire North and West, besides their largely increased Southern trade.

The most talented musicians of the day, both amateur and professional, testify to their superiwn township, Blair county, was found ority, and wherever exhibited they have never her barn yard on Sunday evening last. failed to carry off the highest awards over all competition, having received no less than 65 ause. Her husband was found dead first premiums. During the last season they were used simultaneously by the most distinguished artists at the Opera House in Bultimore, Philadelphia, New York, Brooklyn, Chiare created a sensation in mercantile cago, &c. There is certainly no instrument creaways, and big crowds of custom made, more durable than the KNABE PIANO. g their store room almost constantly, none but the best workmen being employed and only the very best of materials used.

As important action of ejectment, says the Harrisburg Patriot, was tried last week in Hollidaysburg, involving title to a large and valuable tract of land, in which James Bradley, of Chester county, and others, were plainand face and neck shockingly burntiffs and William Decker, of Blair county, and
of his arms had to be amputated,
others, defendants. The case involved some many sounds has a horn? What is the differis hot possible that he will survive. nice questions of land law and resulted in a came between a fracture and a piece of chaik? had one finger form off, knee fractured verdict in favor of the defendants, who held the grams. What becomes of a train of cars when werdict in favor of the defendants, who held the property under their improvement right. L. W. Hall, Esq., of this city, was counsel for the defendants. The whole tract of land was sold for a few shillings in 1850, and it is now said to be quite valuable. The plaintiffs hold the same sort of a title for many other tracts. Ecok in a mirror and analyze what you see as an object lesson. Givens the primitive of elecis said to have been highly creditable to in Cambria and Bluir counties, but the probainfered to his inters, and we hope his probility is they have lost any rights they ever had by neglect to assert them in due season; all of which teaches that delays are dangerous in language of the "Free Institute," with twelve professors. It means at the Library Rooms. The last tent method for making roads is to this age of improvement. Our courts in this water into the middle of the highway section of the State are not much troubled with questions about the titles to land.

> SINGULAR INCIDENT - Mr. Hiram Rhodes, of West Huntingdon, on Saturday night last, re- is a sunbeam? Local History - When were pots tired to bed having in his possession a considerable sum of money, which he put in his vest pocket, placing the vest under his pillow .-About two o'clock in the morning he awoke, having dreamed that some one had entered the room and stolen his pocket-book, and on searching found his vest lying on the bed, the pocket book missing, and the doors standing open. On searching the premises no trace of the robber or robbers could be discovered .-

have entered his room, and that whoever opened the door must have been concealed in his room before he went to bed, but the most singular part of the circumstance is that the next day the pocket book was accidentally found under the porch of the house, concealed under some building rubbish, with its contents undisturbed. The entire matter remains a mystery. -Huntingdon Journal.

THERE are a few interesting facts connected with the life of Mr. Paul George, whose death we announced last week, which we deem worthy of notice. When his father removed from Bedford county to this county, in 1811 he settled on a tract of land about two miles southeast of this place, which afterwards became
the property of the late Jacob Turner. In 1812
Mr. George carried the U. S. mail on horseback from Huntingdon to Pittsburgh. In 1819
back from Huntingdon to Pittsburgh. In 1819

Shore to the population, Johnstown is selfing made-up garments about as fast as a man can self goods. The sign of the "Star" must attract people to No. 100 Clinton street at this rate. James J. Murphy keeps mens' and boys' clothing, under and upper garments, clothing and over clothing, all styles, all qualities, all fashions, and all prices.

C. H. P.—The Cheap Hat Parlor of L. Cohen & Brother, No. 227 Main street, Johnstown, still maintains its celebrity as the cheapest Hat store in the place, and the only hat store in the place, that firm are now sciling immense numbers of hats, caps, trunks, umbrellas, gents furnishing goods and furs of all kinds. Cohen & Brother take a pride in keeping up the latest fashions and styles, and being men of good taste, they know what style and fashion is. Call with them if you want a tip-top hat. if you want a tip-top hat.

STRAWBERRIES.—A man in Hantingden county is said to have gathered ripe strawberries on his farm one day last week. We don't know how that is, but we do know that if you want the best kind of a watch, the best kind of jewelry, the best kind of a sewing machine, the best kind of fancy goods, the best kind of books and stationery, the best kind of eigars and tobacco, and the best kind of everything, at very reasonable prices, C. T. Roberts is the man to have from.

Local Correspondence.

boat and wish to depart the same day.

Persons at a distance wishing to obtain medicines for their friends, will bring a specimen of urine for examination, or have it sent by express.

The patients will be careful to take the first urine passed after a night's rest, and in all cases to give their AGE.

JOHNSTOWN, Oct. 7, 1870.

Dear Frieman-Racing horses has been the passine of some of the prominent citizens of Johnstown, but the rains of autumn have sadly interfered with this pleasure. And that it is a pleasure is a fixed fact—and innocent at that—or church members would not practice it.

The Combination Troupe of Delehante, Hengler and Bloodgood will hold a concert at the Opera House this evening. The Coleman Children, occupied the same place on the 3d 4th and 5th. JOHNSTOWN, Oct. 7, 1870.

This latter is necessary to a correct diagnosis as well as to the regulation of the quantity of medicine prescribed.

We would like to have the NAME and residence of every patient.

The advantage of this will be apparent to all, but especially to those who may wish to end back for a second course of medicine.

We keep a regular record of each analysis and prescription, by comparison with which, we are enabled on subsequent examinations to

The Knabe Piano.—We refer with special pleasure to the advertisement of the Great Piano Manufactory of Messis. Wm. Knabe This factory is one of the largest in the world; it is a magnificent five story structure, fronting an entire block in Eulaw street, and two or three feet. These lots have been filled with vater all summer, and will make a spientidid skating park during the winter. The seam Brothers, physicians, have bought the Downey property on Market street and put up a splendid building. The Yengiy Brothers, also physicians have done likewise on Locust street. George Fritz and Jacob Fend have put up splendid mansions on Main street. Abram Kopelin has put up a fire building on Frankfin street Nupoleon Haynes has built a nice portice to his house on Morris street, Kornville, Chus. to his house on Morris street, Kornville, Suppos has put up a large store room on

covering, together with the Lumber Yards attached, some two and one haif acres of the year. The thermometer at two on Monday indicated 81 degrees in the one Monday indicated 81 degrees in the best Johnston, switch tender in the Almihoad yard, fall suddenly dead, while going the track on Monday afternoon lemorhage of the lungs is supposed to the heads, and though they were well raised at home, yet they can stamp and cheer and liger in public places, as if they deserved notice. They can even call respectable farmers hard names, and act the monkey generally, in church and out of it. Now what makes them do this? Because they are well cherated and somewhat conceiled. Their parents would be ashamed of them if they saw them acting the baboon, but they take care to keep dark when the "old folks" are about. Our police are afraid to say anything, though they are paid for attending theatres and other public places. Let 'em rip!

Winter has not yet set in. But just to think ht w soon it may. Oh, the cold and dreary winter! Oh, the dark and cruel winter! Oh, the snowy, stormy winter! How it makes me it. Now what makes them do this? Because

snowy, stormy winter! How it makes me sprug and shudder! How it makes me shake and shiver! How it makes me think of oysters! How it makes me dread the sleighing! Trembie with me, Minchaha! When I was young I liked the winter-liked to see the snow flakes falling through the humid air like feathers. But I'm growing old and feeble. Hence, the
