

THE CAMBRIA FREEMAN.

EBENSBURG, PA., Friday Morning, - August 23, 1872.

Democratic Republican National Ticket.

FOR PRESIDENT: HORACE GREELEY, (of New York). FOR VICE PRESIDENT: B. GRATZ BROWN, (of Missouri).

Democratic State Ticket.

FOR GOVERNOR: CHAS. R. BUCKALEW, of Columbia County. FOR SUPREME JUDGE: JAMES THOMPSON, of Erie County.

FOR AUDITOR GENERAL: WILLIAM HARTLEY, of Bedford County. FOR COMMISSIONERS AT LARGE: RICHARD VAUX, of Philadelphia.

PRESIDENTIAL ELECTORS.

- EDGAR COWAN, of Westmoreland County. GEORGE W. SKINNER, of Franklin County. Selden Marvin, of Erie. JOHN S. MILLER, of Huntingdon.

HON. R. MILTON SPEER requests us to announce that the Democratic Congressional Conference in this district will meet at Wood's Exchange Hotel, Altoona, on next Monday, the 28th instant, at 3 o'clock, p. m., to nominate a candidate for Congress.

The conferees from this county are, JOHN CAMPBELL, Esq., of Conemaugh borough, P. H. SHIELDS, Esq., of Loreto, and E. R. DUNEGAN, Esq., of St. Augustine. We trust that these gentlemen will all be present at the Conference and by their votes aid in making the renomination of Mr. SPEER unanimous, as we have no doubt it will be.

Simon Cameron and Sam'l Henry.

Without rehearsing the disgraceful political career of SAMUEL C. POMEROY, one of the present Radical United States Senators from Kansas, or even referring to JIM NYE, a Radical Senator from Nevada, it is an admitted fact that SIMON CAMERON, now the colleague of JOHN SCOTT in the Senate from this State, is as corrupt as either the Senator from Kansas or the Senator from Nevada.

By the new postal law which came into operation on the 1st of July, packages of dry-goods, hardware, drugs, (except liquor and other merchandise) not exceeding twelve ounces in weight, can be mailed to any part of the United States at a charge of two cents for each two ounces. Much time and money will be saved by this arrangement.

HON. HENRY D. FOSTER has been renominated for Congress in the Westmoreland district. His Radical opponent is A. W. TAYLOR, Esq., of Indiana county. Mr. FOSTER will be returned to Congress but at the same time we are free to admit that the Republican candidate, Mr. TAYLOR is a gentleman of high character.

Horace Greeley at Portland.

We publish on our outside page a speech delivered by HORACE GREELEY at Portland, Maine, to an immense concourse of people composed of Liberal Republicans and Democrats, on last Wednesday week. He has been making a tour through a portion of Connecticut, New Hampshire, (his native State,) and extended his visit as far east as Portland. He was everywhere received and welcomed with the most unbounded enthusiasm by the people, embracing all the Democrats and thousands of Liberal Republicans, who admire his honesty of character and purity of purpose as the coming President—a fact, which no man fit to be outside of a lunatic asylum now doubts for a moment.

It is a noble speech, patriotic in all its utterances, a plea for justice and right, a protest against bayonet rule and the suspension of the writ of habeas corpus in the South, and in favor of Abraham Lincoln's humane policy as expressed in his second annual message.

NEW PARCEL POSTAL LAW.

If people choose to avail themselves of its advantages, will seriously interfere with the express business, which is not wholly free from the charge of being an oppressive monopoly. An exchange gives some suggestions which are valuable, as follows: By the new postal law which came into operation on the 1st of July, packages of dry-goods, hardware, drugs, (except liquor and other merchandise) not exceeding twelve ounces in weight, can be mailed to any part of the United States at a charge of two cents for each two ounces.

THE subjoined extract, clipped from the Harrisburg Patriot, furnishes a leaf from the life record of CHARLES ALBRIGHT, Radical candidate for Congressman-at-large which we commend to the perusal of his old friends and acquaintances in Cambria county: "ALBRIGHT entered the service as major of the 122d regiment, a nine months' organization, in 1862, and returned home as colonel."

HON. HENRY D. FOSTER has been renominated for Congress in the Westmoreland district. His Radical opponent is A. W. TAYLOR, Esq., of Indiana county. Mr. FOSTER will be returned to Congress but at the same time we are free to admit that the Republican candidate, Mr. TAYLOR is a gentleman of high character.

Hon. Galusha A. Grow for Greeley.

If we would undertake to publish one-fourth of the speeches which have been and are daily being delivered, or one-fourth of the letters written by leading and prominent supporters of GRANT throughout the country, but who now declare their purpose to advocate the election of HORACE GREELEY, the columns of the Freeman would be entirely taken up that way, to the exclusion of all other matter.

THE fact that this reformer also upon the declaration of principles affirmed by the Liberal Republicans at Cincinnati, and proclaimed without amendment by the Democratic party at Baltimore, gives the assurance that in this combined expression there is sought only the deliverance of the nation from a present peril to its peace and liberties.

And yet, should your action be confined, I shall endeavor to discharge the duties of that high place with fidelity to your trust, with devotion to public interest, and with an inflexible resolution to prove not unworthy of such a choice.

CHARLES R. BUCKALEW.—A Labor-View.—After mature deliberation and after consultation especially interested in the utterances of this paper we are in favor of and shall support Hon. Charles R. Buckalew for Governor.

Curious Historical Records.

Gen. Grant's Threat in 1861 to Resign his Commission and Cast His Lot with the South. From the Reminiscences of a Soldier. In the summer of 1861 Gen. Grant, then Colonel of the twenty-first Illinois Regiment of Infantry, was stationed at Mexico, on the North Missouri Railroad, and had command of the post. He remained several months, mingling freely with the people regardless of the peculiar shade of any one's political opinions.

Gen. Grant's Belief that Negro Suffrage was Unwise and would Lead to a War of Races. Extract from Senator Doolittle's Speech at Milwaukee, Oct. 2, 1855. The other day when Gen. Grant was here spending several hours with him in free conversation upon this subject among others, he expressed to me the same opinion.

The Heavens in a Blaze.

THE MOST REMARKABLE STORM EVER WITNESSED—BOSTON CITY AND HARBOR ILLUMINATED.

Last night it seemed as if heaven and earth were in a blaze and both bursting asunder. During the first storm, at about 6:30 P. M., the Mount Pleasant Unitarian Church at the Highlands was struck by lightning and set on fire. The flames were extinguished without an alarm. The spire was somewhat shattered.

At eight o'clock the storm abated, the lightning ceased its vivid flashes, and all supposed that the storm was over, but at midnight the skies were again darkened, the rain began to fall in sheets, and the whole firmament was lit up with the sudden and almost blinding flashes of the lightning.

Bloody Tragedy on the Mississippi.

STEAMBOAT ROBBED AND SEVEN PERSONS MURDERED BY NEGROES.

MEMPHIS, August 17.—Early this morning a fisherman discovered the little steamer Helen Brooks floating down stream near the head of Check's chute, some ten miles above here, and apparently abandoned. He rowed out to the steamer, made a line fast and pulled her toward the bank, but before reaching it, saw a negro asleep on the lower deck, who, as soon as the boat struck the bank, started up, leaped ashore and ran to the woods.

At eight o'clock the storm abated, the lightning ceased its vivid flashes, and all supposed that the storm was over, but at midnight the skies were again darkened, the rain began to fall in sheets, and the whole firmament was lit up with the sudden and almost blinding flashes of the lightning.

KINDNESS TO KINDRED.—Want of necessary means to supply the necessities which usually press upon people of moderate means, is a disease, which, if not cured, will result in a disease, which is estimated as incurable. But the necessities of nature, which ought to bind man to his own, overlook all these barriers of estimation of right-thinking people. When we see a medicine like Dr. Keizer's Lung Cure, which gives place to that healthy and vigorous circulation which is the result of that all-powerful remedy, and which expels from the blood, and restores to the system by the natural ducts and arteries, thousands of lungs clogged with mucus, and which the spirit of the system, we feel that it is not only a valuable acquisition to medical knowledge, but a duty to point out to our readers, and to our countrymen, who are suffering from a disease of the lungs, and who are in need of a valuable acquisition to medical knowledge, and who are in need of a valuable acquisition to medical knowledge.
