#### A Base Forgery.

In order to bolster up the desperate political fortunes of John F. Hartranft, the ring candidate for Governor, and save him from overwhelming defeat, the last Johnstown Tribune publishes the following :

This is what Mr. Buckalew said of Gen. Hartranft before he thought of the nomination for Governor on the Democratic ticket : "I know General Hartranft well, both as a public officer and a man. As Arditor-Gen eral he has shown himself a most faithful. upright, efficient, and accomodating officer, and he would make an excellent Governor.

This is the meanest, most villainous and at the same time most transparent forgery which has appeared during the present campaign. It is a lie from its beginning to its end. Charles R. Buckalew is not a fool. Does any man believe that after the report

SUFOF.

In this county, where Hou. R. MILTON elaborate argument in favor of his re-election seems to us to be entirely unnecessary, Mr. SPRER has not disappointed the expectations of the men of either political party who voted for him, and especially A. A. BARKER, the present Radical candidate-the same gentleman who two years ter of Mr. SPHER against DANHEL J. MOR-RELL and who contributed more by his personal influence to defeat Mr. MORRELL and elect Mr. SPEER than any other Republican in this Congressional district. And now the singular and unprecedented political anomaly is presented to the Republican voters of this Congressional district, that ABRAHAM A. BARKER is the opponent of the very man who would have been defeated two years ago by DANIEL J. MOR-RELL if A. A. BARKER had not in that Will or can Mr. MORRELL's Republican friends, and we are free to say that DANIEL J. MORRELL is a gentleman and entirely worthy of the support of the Republican party, not only in Cambria county, where he lives and to whose interests he is warmly attached, but of his party throughout the State, for any office for which his Republican supporters may see fit in the future to place him in nomination-will they. we say, vote for BARKER, who impaled

their own candidate, DANIEL J. MORREL', on a political cross two years ago? We say nothing personal against Mr. BARKER .--Our business with him is political.

R. MILTON SPEER has won a national reputation. No man disputes his perfect integrity, while his ability is unquestioned.

## He Declares for Buckalew.

Ex-Governor CURTIN, who is at Saratoga, has addressed the following letter to Col. A. K. M'CLUBE, Chairman of the Liberal Republican State Committee. It will be seen that he takes decided ground in favor of the election of CHARLES R. BUCKALEW. and we have no doubt that after BUCKA-LEW's election, which is a foregone conclusion, Governor CURTIN will denounce himself as a supporter of HORACE GREELEY. Here is the letter-it speaks for isself :

SARATOGA, September 21. inst., informing me of my nomination by the Liberal Republican State Committee as candidate for delegate at large to the Constitutional Convention, and enclosing

SPEER is so well and favorably known, any an address to the people of the State recommending my election, came duly to hand, but extreme illness prevented my reading the letter or considering the subject until now.

I am still quite feeble and unable to write without the aid of an amanuensis, but the near approach of the election, and the gravity of the issues immediately effecting the honor and prosperity of Pennsyluania, to ago was the warm and enthusiastic support- be decided in October, compelme to answer when my rest should be unbroken.

A nomination made by so many of the purest and best old representative Republicans of the State, and presented to the people upon grounds which stand out in rave contrast with the demoralized politiical management now so sadly prevalent. is an appeal I cannot refuse to respect. 1 therefore accept the nomination, and if it shall be ratified by the people, and my health permits, I will discharge its duties with fidelity. I had confidently expected immediately upon my return home to familiarize myself fully with the details of what I well understood in all general ascampaign betrayed Mr. MORRELL and used peets touching the misrule in our Commonwealth under its present political control, and to speak my convictions at the earliest possible moment. While I cannot ever be indifferent in a Presidential contest, I felt that the regeneration of my native State in the October election was a paramount interest to the people in whose happiness and greatness I am enlisted by every consideration of gratitude and patriotism.

The bad rule that has wholly compassed the channels of political administrative authority in Pennsylvania, is not of recent creation. It was the tircless but impotent power that conferred the action of the govrument, State and nation, during the dark days of civil war, and steadily struggled to gather advancement and gain from the bitter sorrows of the people.

Six years ago it attained control in our State. How it was achieved is remembered with humiliation by all. Why it was sought and won our subsequent history painfully demonstrates.

The Republican organization has made its name illustrious in maintaining the unity of the States and redceming a continent to freedom. It was seized in contempt Mr. BARKER is a gentleman, but no man of the will of the people, and its victories will say that he is as able and competent a perverted to licensed wrong. I need not recite how, under an honored name and flag, it has created wide-spread-indeed, almost universal-distrust of authority, and to a Satyr. There is not a Democrat in made honest men despair of integrity in this county who will not eagerly go to the legislation, in elections, in conferring legislative honors, and even in the administra- ate their side of the conflict. What Leading Republicans Have Said.

The Pittsburg Gazette, the oldest, most steady and respectable of the radical papers of Western Pennsylvania, thus declared tself on the subject of selecting a caudidate for Governor. Hartranft had been its choice, but when the Evans swindle was exposed, showing his complicity therein, it dropped him at once thus :
