EXECUTION OF WM, FOSTER, THE CAR-

-Avery D. Putnam, a merchant at No. 68 Pearl street, on the night of Wednesday, April 27, 1871, about eleven o'clock, in company with Madame Duval, a dresster, an ex-conductor of the road, was upon the front platform of the car. Mr. Putnam saw him peer through the entrance and of 238, (Mr. P.) closed the door. Foster opened it again and continued his insults. Mr. Put-

nam again closed the door. When the car reached Thirtieth street, now used exclusively. Foster came inside, and remarking that he had paid his fare and was entitled to a seat, and sat down close beside Miss Duval. He then behaved in a brutish manner, and made a noise with his lips which induced Putnam then interfered, and said although Foster was entitled to a seat in the car, yet would not suffer the ladies in his charge to be insulted, and that Foster should be put off.

The latter then said : "I will go as far Mr. Putnam alighted with the adies at Forty-sixth street. Foster picked up a car-hook, followed them some distance, nd then struck Mr. Putnam a terrible blow on the head, which fractured his skull and caused his death on the following day. Foster was arrested, identified by Mr. Putcommended Foster to mercy. The court of

Yesterday the gallows was erected in the il-yard and so near the cell of the condemned man that he could hear the hammering of the nails and the other noise ineident to the terrible work. There have and a current of air, forced out from the been previously twelve men hanged upon this gallows.

Further efforts to have his sentence commuted having failed, his wife and brother were with him all day yesterday, and took their farewell parting last night. It was a most effecting scene, Mrs. Foster having fainted several times. He has refused to see his children since the arrest.

The unfortunate man was brought from his cell at 9 o'clock this morning, and at water. sixteen minutes past nine the law was vindicated and the crime explated .- Phila. Evening Heral 1, 21st.

round Senators. I think I can understand the weighty arguments adduced in opposiand I fully appreciate the weakness of reason and justice when pitted against these convincing proofs. Day by day, when bills of a questionable character are pending, men are seen flitting in and out of these balls, who ought to be banished from the Legislature and the capitol. Plying their he can readily discover if he will only infamous traffic, they pass with perfect freedom the barriers that our rules prescribe. Mingling with the representatives of the people, they drag their slimy way throughout these halls, contaminating, corrupting, and degrading all they touch. Unrestrained they traverse the transcribing rooms, and rumor has it that even there the imprint of their foul work may be traced upon the pages of the record. In our committee rooms, in the lobbies, at our desks, in session and out of session, we election to the office of State Treasurer reached us : can see and recognize these birds of evil omen-these skilled and trained corruptors of the avenues of legislation. Af the tender from the uncertainty of future political mercies of these harpies are to be consulted my constituents have but slight chance of justice. Against the result that they would have I most earnestly protest."

------ALEXANDER CALDWELL, one of the members of the Senate of the United States from Kansas, has been under trial before a committee of that body on the charge that he procured his election to the Senate by bribery and corruption. Mr. Morton, of Indiana, was the chairman of the committee to hear and take the testimony, and after a full examination of the case, and after having heard all the evidence, was prepared to offer a resolution to expel Caldwell from the Senate on the proven allegations that he had bought his way corruptly into that body. Caldwell took time by the forelock in view of his certain expulsion, and wrote the following letter of resignation to Henry Wilson, the Vice President of the United States, and therefore the Speaker of the Senate :

WASHINGTON, March 24. Hon. Henry Wilson, Vice President of the United States :

SIR : I do hereby very respectfully notify resign my seat in that body as Senator from the State of Kansas, and that I have forto the chief executive of that State, at Topeka, Ks., a resignation in the following form, to wit ;

UNITED STATES SENATE CHAMBER,) March 24, 1873.

Topeka, Kansas.

Sin : I hereby respectfully tender you my resignation as a Senator of the United effect immediately.

Very respectfully, our obedient servant.

ALEXANDER CALDWELL.

NO STATE CHURCH-OFFICIAL IMPERTI-NENCE .- The Catholic World calls attention to an abuse which ought long since to have been stopped. The documents of the State Department sent to Congress with the President's message show that several of our Ministers in foreign countries, forgetting that they represent a Government which has no State church and ought not to have any sectarian bias, assume in their official capacity a sectarian character, and another. Mr. F. F. Low, for instance, Minister in China, advises the State Department to reject an amendment proposed in the treaty with China, for the reason that, in his opinion, this amendment would tend to facilitate the operations of Roman Catholic missionaries. In the same way Mr. G. F. Seward, our Consul-General in China, sends home in a despatch an elaborate argument against the Roman Catholic hurch, and Mr. Thomas H. Nelson writes from Mexico, reporting the spread of Pro-

every other class. There is no evidence that these impertinent religionists have ever been rebuked by portant points in Texas, 600 miles less than ment at Washington were conducted by tem and respecting the Constitution, all men would soon be made to understand The Wichita Agricultural, Mining and that all forms of faith are entitled to equal In Catasaqua, Northampton county, the Manufacturing Company and the Texas respect and protection from the officers of our Government, and that in undertaking to favor one at the expense of another they are guilty of an offence against all .- N. F.

A WONDERFUL MONSTROSITY .- There may be seen at Cooper's Hotel, in Lancaster, a curious freak of nature in the shape of a pig that has two pair of ears (one pair seemingly growing out of the back of the a New England politician of means ac- cially invited to the inducements offered by head), ten legs, two distinct bodies, and only one head. The head of the pig is perfect, and the flesh is intact to the shoulders, where it separates, and then branches off

cessary to send for the doctor. -During the past month 113 fires have occurred in the United States and Canada. involving a loss of \$4,713,000. There was one in which the loss exceeded \$200,000, four where it exceeded \$200,000, seven between \$100,000 and \$200,000, eighteen be- borhood are searching t tween \$50,000 and \$100,000 and nineteen in which no statement of loss is given By them 26 persons lost their lives.

-James Bowker, a prominent republican politician and ex-member of the city | to Georgetown by an offer council from the Twenty-first ward, Philadelphia, committed suicide on Saturday | He is a hardened wretch, morning last by hanging himself in the basement of his place of business on Main street. Financial difficulties, it is said, prompted the act. The verdict of the jury was rendered in accordance with the facts.

-Uriah Teagarden, who lives on the PERSONS going to Europe New Lisbon road, some five miles south of Salem, Ohio, is the owner of a cow which was delivered of a calf, the first of last week, which in its formation presented an anusual and extraordinary appearance. When born the entrails were located on the ridge of the back, in a perfect state of development and grown fast as though natural and perfect in their place.

-Will President Grant allow himself to be outdone in honesty by Gen. Butler? The latter individual has offered to each taxpayer applying for it the three cents plundered from such taxpayer by Butler in oting himself an increase of salary. At Butler's computation President Grant's increase of salary will amount to fifteen cents from each taxpayer. It is a small amount, but it would pay for many a poor citizen's breakfast.

-The Philadelphia Press says : "The ncrease of the salary of its members by the Forty-second Congress was denounced as the most infamous act ever perpetrated by a legislative body-as a crime, a robbery. recisely such a bill is about to be passed by the Legislature of Pennsylvania. The lower house of that body has actually contestantism in that country, as though his official duties included friendship to one summated it, its members, like their Congressional prototypes, having voted themelves an increase of pay, extending over a ment. term now nearly ended

-A breeding sow, belonging to Geo. W. Teel, of Sulphur Springs, Crawford county. Ohio, was on the 14th day of December, 872, buried under a straw-stack made on that day, on the occasion of threshing out the grain. The animal was missed at once granted to the suband supposed to have been covered up, but no effort was made to find her, as no hope was entertained of her under existing cir- perly authenticate cumstances. On the 11th ult. the missing sow resurrected herself from the remaining base of the stack, after being buried a period of 57 days.

-Father Burke when he landed from the steamer City of Paris at Queenstown to enther of us after on the 7th inst., was welcomed with uproarious manifestations of genuine Irish enthusiasm. The Town Commissioners, leading inhabitants, and a large number of Catholic clergymen were present, and the crowd wanted to take the horses from his carriage and draw it themselves, a compli-
