A RENEGADE. To the Editor of the Cambria Freeman;

Goddess Venus and her mischievous little sketches, yet I feel that a brief sketch of a Goddess Venus and her mischievous little son Cupid, and the furious love and romantic death of Queen Dido. Illustrations by Worth. Send 25 cents to the Herald, Winsted, Conn., and get a copy.

Sketches, yet I feel that a brief sketch of a comparatively young politician whom I once knew might be of some use to young men, particularly those imbued with political aspirations, as it may serve to illustrate how Mr. Griffith intends to fill the office himself, when the control of that gentleman, but that I am to act as his substitute, should be be successful, I positively and emphatically deny. I am satisfied that provided the provided that the most that is should the provided the provided that the most that is should the provided the provided that a brief sketch of a gentleman, but that I am to act as his substitute, should be successful, I positively and emphatically deny. I am satisfied that the provided that the provid warning to all against pursuing "ways that would employ me to fill it for him

The circumstances to which I propose to the writer bereof was about to east his first as might best subserve the true interests of his country. There were but two political parties in existence at that time, but had as his later Modoc namesake is in ours. By there been a dozen the opposition to each other could not have been more bitter and unrelenting. A most careful canvass was Freeman fell from his horse in more people in proportion to its popula-made by both parties, and I presume there tion who do nothing and have nothing, was scarcely a voter who was not approached was scarcely a voter who was not approached by the politicians of both parties, each protesting most earnestly against the opposition and arguing to the best of his ability that the rival party was led by oily-tongued men Cother day. Result, a badly until next year's potato crop begins to put the party was made up entirely of malice, hatred and ill-will-that the only object its leaders had in view was personal gain, and of government the country would soon go to

Prominent among these harping politicians believed in the principles of his party as an abiding faith in its principles and loved them dearly-that although dark and threatening clouds were hanging over us, his party, and his party alone, could dispel those clouds and save the country—that he would rather his right hand should wither than that it should ever cast a vote for the opposition-all which objurations were qualified with words and phrases decidedly more emphatic than polite. At the same time he denonneed RENEGADES in the most unmeasured terms, loudly proclaiming that such men were villains who would sell their country, as they had sold themselves, for money, which was the only argument, in his opinion, the opposition had to make use of.

capacity of a lesser grade, aspired to a still political services, which they regarded as nating convention met and performed its labors, our aspiring friend was not among the chosen ones. Still he was for the ticket, it being as natural, as he himself expressed it, for him to stick to his party as it was to eat his dinner. His friends, and many whom -Mr. Frank Sheppard, of Altoona, was | he did not recognize as friends, because they ended, felt that one so faithful to his party itself, to give him their united and cordial support.

But ere long the scenes shifted and the som, of the Indiana Dema-counted with a buniel lot, leaves his bed. be deserting him, and he began to grow fond among others came a gentleman accompa-nied by his wife and three children.
