Ebensburg, president pro tem., in the absence of the president, A. Y. Jones sickness in famipreventing his attendance.

The convention spent ten minutes in devo-tional exercises, concluding with a very im-pressive prayer by Rev. Fink, of Johnstown. The secretary, Dr. J. R. Caldwell, having re-moved from the State, J. G. Martin, of Port-age, was elected to take his place, assisted by F. A. Hatch, of Johnstown. c. A. Hatch, of Johnstown.

The reports from the Sunday schools of the ounty represented being in order, they were resented and ordered to be prepared in a concensed tabular form, a summary of which we propose to give in our future reports of the longs of the convention.

The address of welcome was made by Rev. Jones, of Ebensburg. The committee to nominate officers for the ensuing year were elected as follows; Rev. Fink, Dr. Evans, W. W. Pike and D. M. Pringle. The report of the treasurer was read in reguited upon them during the bajance of life's on Entertainment, On motion of Rev. Edic, the childrens' meetlar order, followed by that of the Committee ng, that very pleasant and entertaining part of the proceedings, was set apart for Thursday afternoon at \$ P. M. The convention then sang

ugs of the convention.

the hymn "Stand up for Jesus,"
At this stage of the meeting the Rev. Alfred
Taylor, the veteran Sunday school worker and
four years connected with the Sunday schools of our State, came forward, and in his earnest, forcible and pleasant manner, introduced the following topics for discussion by the convention: ist. The teacher's interest in the Biblio.
2d. What use shall we make of the Biblio? His humorous and instructive incidents, laughable observations and comments upon the various ways in which the Bible is used in places and homes, brought out animated descussion, which was participated in by the Revs. Fink, Edge Lawrenge and Sween, which was participated in by the Revs. Fink, Edie, Lawrence and Sweeney and A. A. Barker, after which a recess of fell minutes was grant-ed for the convention to make the acquirietance of those in attendance and to interenange Finch, chairman of the Committee on Nouri nation of Officers for the ensuing year reported as follows: President, C. T. Roberts, Ebensburg: Vice President, G. W. Stutzman, Coopersdale; 2d Vice President, W.W. Pike, Johnstown; Secretary, J. C. Martin, Portage; Corresponding Secretary, G. A. Kinkend, Ebens-burg; Treasurer, Win. Stewart, Johnstown, Executive Committee-Henry Waiters, Wil-more; P. M. Wolesingle, Wilmore; N. S. George,

Summernii; Mitton Jones, Jackson; Jonn J. Davis, Cambria Twp.

The report of the committee was unanimously accepted and the above-named gentle-men were declared the officers of the associa-tion for the ensuing year.

The topic "Teachers' Meeting "being next introduced by Kev. W. H. Settlemeyer, of Wi-more, he was followed by G.W. Stutzman, J. C. tion, White township, was mule on the exterior of his Altoona Tribane terms it, and arrived, this important subject of so much in-terest to the successful working of our Suaday schools was continued for the evening sesion, which was a mounced for 7% o'clock, until which hour the convention adjourned. WEDNESDAY EVENING'S SESSION

"There is a found in," etc., followed by prayer gatives, in order to produce a powerful effect by Rev. Sweeney and the singing of "I love to tell the oid, old story, "after which Rev. ject of his remarks being to induce those who were opposed to the system to give their views thereon. The gammet thus thrown down was taken up by Messers. W. W. Pike and K. S. scriptures were entirely ignored by the uni-form lesson system, and the latter gentleman | use is discontinued, leave the liver strengthdecided it not only unwise, but against the principles of Bible liberty to be bound down by any fixed secies of questions and answers. Mr. Settlemeyer, of Wilmore, on the contrary, bore testimony to the great interest that had een awakened in the school under his charge by the iciroduction of the uniform lessons. sev. Taylor, on invitation, again spoke in faor of the system, after which an intermissiof five minutes for interchange of friends;

greetings was announced.

At the conclusion of the brief intermission.

We praise thee, O! God, for the law of Thy ove. was song ; after which the Rev. Tayhearers the importance of enquenting distractly the words of the hymn or song while place, are at Pittsburgh attending to the singing. He also gave a practical exercise in rising and singing.
Adjournment at 19 P. M. to mewt at 9 P. M.

on Thursday morning. THURSDAY'S SESSION. Want of space prevents an extended report want of space prevents an extended report of the second day's proceedings. Rev. Taylor, in opening the discussion of "What to do with our pastor," related a number of amusing abecoates, and the ensuing hour was spent in profitable ventilation of the subject. A de-tailed report of the condition of the Sabrath Schools showed them to be in a prosperous condition, though all the schools were not heard from. The gratifying statement was the large number-over 20-of conversions

during the year.
The question of "Music" was re-opened and The question of "Music" was re-opened and discussed at length by Messrs, A. Hatch and Merarren and Rev. R. A. Fink.
Hon, A. A. Barker and J. C. Martin were elected delegates to the State Sanday school convention at Scranton.
The atternuous session opened with the discussion of "How to ask questions." Mr. Taylor gave several valuable aims upon this subject, and after five minutes recess the children were addressed by Revs. R. A. Fink, Alfred

A MONSTER RAFT .- Our friend Bob Mc-

Cornick, of Cherry Tree, knows as little, perhaps, about the rules of the prize ring as a dog knows about his daddy, and hence when we say he returned last week from a sparring expedition down the river, we don't wish to be understood as insinuating that he was "traveling on his muscle" the general acceptation of that term. He was, however, on a sparring expedition, as stated, having taken to Marietta, as one of the joint owners, a raft containing twentyone soars, every stick of which was large enough for a ship's mast, the largest measwring 90 fact in length and 44 inches in diameter at a joint twenty feet from the butt. as well as paint, and is much cheaper :The work of eighteen horses and twelve Slake half a bushel of unslaked lime with men were required for two days to bank the monster preparatory to rafting, and it was acknowledged by the oldest and most experienced dealers at Marietta to be the finest raft that has descended the river to a thin paste; half a pound of powdered for many years, it being something Spanish whiting, and a pound of clear glue, very unusual for every spar in a raft dissolved in warm water. Mix these well of this kind to be of sufficient length to make a ship's mast. The twenty-one eral days. Keep the wash thus prepared in

spars were sold at the contract price of a kettle or portable furnace, and when used \$2,800, but had not the bargain been made | put it on as hot as possible, and with a paintin advance, \$700 more could have been re- or's er whitewash brush. alized from their sale, that much additional having been offered for the entire lot. These spars were cut on land of Mr. Porter Kinports, who, as the Altoona Tribune might have stated while at it, was not the only former citizen of Blair county interested in the enterprise, Mr. McCormick having been about the same time and for many years a resident of Hollidaysburg. resident of Hollidaysburg.

call for a meeting of the committee on Monday, June 8th, the first day of the second week of court, which call explains itself .-We understand from Mr. Sechler that at

## Local Correspondence.

Croyle fownship awent in allow was the Sunday school convention now (Wednesday) in session here is concerned, both of our correspondents appearing in that body under a flag of truce as representatives of the Sabbath school cause, and both same pashins out of the same hymn-book.

—The steam saw-mill of Hoover, Harris & Co., situated the Tyrone and Clearfield Skiiroad, between Rhie Ball and Philipsburg, was entirely destroyed by fire on Sunday morning last between three and four day morning last between three and four day morning last between three and four day morning last between three was burned, although the cociock. T. Roberts, Esq., of Ebenshurg president of Landon and the convention of convention of the con of running sores, or rather discharges, from different parts of his limbs, have followed each other, or, as has frequently been the case, several such discharges have afflicted him at one and the same time. During all this long period he has also suffered and is still suffering with pains which it would be impossible to describe, out which are as constant in their unwelcome visits as they are excruciating in their tortures. The condition of the 'Squire meantime appears to be an impenetrable mystery to the medical fraternity, he having thus far without any sub-stantial tenefit, except perhaps a temporary relief from pain, been under the care of physicians from various parts of the country. To describe all the phases of this lamentable case would require columns; but my purpose now is merely to call the attention of his friends in particular to the fact that his helpless conditions will continue to furnity that I am offended at this philable error is merely to call the attention of his friends in particular to the fact that his helpless conditions will continue to furnity that I am offended at this philable error is merely to call the attention of his friends in dung-cart. Far from it, for I know that he is only in his proper cicinent. dition is one that is attended with heavy ex-pense, and as he is utterly unable to help him-self, any assistance that would be rendered by those who are able to do so would not only be of laying up treasures for the charifibly-in-clined where "the moth cannot penetrate and the rust consumeth not." Carnottrows.

> ance is scarce in this vicinity at present. The weather is mild, and pleasant, and everything in nature seems to be rejoiced at the arrival of beautiful Spring at last. Our farmers are bus ly engaged at present in their several la-bors of sowing and planting seed, etc. Your correspondent was on the outs question yester-day, when he siapped in thirty-five bushel of it, which, as Sol. Clites would say, is pretty good for a greenhorn. good for a greenhorn.
>
> The Literary Society in this township is still in a flourishing condition. The attendance has been much larger since the weather has become favorable. I was present on last Satur-day evening and was surprised to see so large and respectable a crowd of ladies and gentle-men present besides those interested in the de-bate. The question discussed was, "Which is the most use to a community, the miser or the spendthrift? The following took part in the debute; P. A. McGough, John Itel, Wm. Donahoe and Francis Lilly appeared as the party of the first part, and George Gallagher, James Itel and T. D. McGongh maintained the latter roposition. The question was argued for a considerable time with much energy and no considerable time with much energy and no little skill. The persons selected to decide the merits of the argument. Messrs. John Dempsey, James Skeily and M. McHugh, gave their verdict in favor of the argument condemnatory of the miser. So it would seem an unwise plan to hoard up money even in time of panic. I hope "Local" will keep cooler than the weather has been for a day or two past. More news part time I hope. Vores &c. meast time, I hope. Yours, &c.,

STAMMERING AND STUTTERING .- Dr. J. H. White, of he U.S. Stammering Institute, New York City, will remain at the St. Clair

Communication.

to himself saw fit to endeavor to throw mud on the writer hereof in the last issue of his smut-machine, but in deigning to notice him I shali not pollute the columns of the FREEMAN by el they mentioning his name or the name of his disreputable sheet.

This wretch among other things finds fault

with the wilfer hereof because he does not give the advertising of the office he holds to the pa-per he (the blackmailer) publishes. I have only to say in this connection that society judges a man by the company he keeps, and therefore am not disposed to putronize either a liar, thief, bummer, renegade, blackmaller, or incendiary, but, instead, will continue to furnish the advertising of my office to respectable newspapers only. I do not wish it to be understood particular to the fact that his helpiess condition still continues, hoping that as advertising so frequently leads to success the making public of this deplorable case may not be without good results. It is needless to say that his condition is one that is attended by the fact of the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to throw mud on respectable passers by. Such a creature is beneath the notice of any one possibility of the fact that his deposit of that he is only in his proper element when he gets down into a fifthy pool and endeavors to that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he gets down into a fifthy pool and endeavors to the fact that he is only in his proper element when he is only in his prop a dung-cart. Far from it, for I know full well sessing \* if-respect; yet, in accordance with the wise counsel of King Solomon, and in order that all may know the contempt I entertain for this miserable spology for a man, I have concluded to fight him for once, and only once, with his own weapons. Further than that, I ask no justification at his hands. If I should ever want him five dollars will secure his services to abuse his best friend, provided said friend does not possess five dollars and fifteen cents with which to buy him off. My dealings with the people of this county and the discharge of the duties of the office which they have been so kind as to honor me

with is the standard by which I must be judged. and not by the judgment which may be passed upon me by a mercenary creature whom I have never allowed to bleed me. More than that, any slime or fifth he may see proper in the fu-ture to throw at me will not provoke me ever again to take any notice of him, as I do not deire to enter into a controversy with a thing for those who have.

Apologizing to the readers of the FREMAN for holding this fifthy bound up before them and expresing his beforded and fifthy careass to the public gaze. I will let him drop back into

the sewer of his own choosing and wash from my bands the flith and slime which invariably attaches to the pulms of those who handle such JAMES M. SINGER. a loathsome thing.

## THROAT AND LUNG DISEASES!!

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained Tar even in its crude state has been recommended by aminent physicians of every tricol. It is confidently effected to the afflicted for the following simple reasonate.

1 If a trace is and by abruptly stopping the congarbat by dissolving the philagen and arciating maters to throw off the unbesidely matter consing the irritation. In cases of traced consumeration in both tradengs and readers less burdensome the life of the afflicted sufferer.

2. Its healing principle acts upon the irritated surface of the lungs, practicating to each diseased fart, relieving pain, and subdisting inflammation.

3. It reserves and materialist trace in Positive-ly caring all humors, from the common structs or generations to the severest cases of Sections. Thousands at afficients could be produced from those who have foll the beneficial effects of Piss Tana Tax Complation to the various diseases arising from the repairing of the Ridon. Tar even in its crude state has been recommended by THE BUSOD

a. It invigurates the digestive organs and restore ake appetite.
