

Among the immense piles of desirable goods at E. J. Mills' cheap cash store, nothing more reasonable can be found than the elegant Quaker flannel and new stock of ladies' and misses' shoes just received.

DEATH OF REV. P. M. WARD. A telegraphic dispatch received immediately after press Thursday evening announced the death of Rev. P. M. Ward, pastor of St. Charles' (Catholic) church, Hazelwood, Allegheny, eldest son of Rev. Martin Ward, and brother-in-law of Rev. J. M. Ward, of this paper. His disease was consumption of the bowels. May God rest his soul.

Three deer were shot in the vicinity of the supposed military camp in this county, and are being prepared for sale by the proprietor. The deer were seen by a party of hunters near the camp, and were shot by Mr. J. M. Ward, who has decided the largest, best and most varied stock in Ebensburg.

California Correspondence. DEAR FREEMAN—Business engagements and necessity of news are my excuse for remaining so long silent.

There were copious rains here this fall, which are unusual at this season. The first rain fell on the 24 day of October, and this has been followed by a dozen of heavy showers, some lasting all night. The ground has been completely saturated, and vegetation is springing up in every direction.

These unexpected falls surprised the farmers and hurried them up with their work, preparing for the winter plowing. It is very unusual to commence plowing before the middle of December, but the farmers this year commenced about the middle of October, or some two months earlier than heretofore.

The result of the election of the past gives great satisfaction to the Democrats of this State, as well as to all true lovers of free government. The despotic rule of the late administration is re-established. I failed to receive a paper issued just after the election, consequently I do not know the result was in Cambria county.

I never thought that there could be so many ill-gotten gains as have passed over this place from the north and west to the south and east. They could be counted by millions. One might count a thousand blocks at one time. Whence they come and whether they give a mystery to me.

The farmers here are very much down in the mouth about the low price of wheat. It never was so low since people began to grow wheat in California. There is a prospect of a rise in the price now, however. It will certainly advance during the winter, at all events.

We had a sharp winter at last night, which people say is a remarkable occurrence. Some think there is frost in January, but seldom any in all.

I hope I can venture to congratulate the Democrats of Cambria county on the result of the election, and I hope John Kelly is now Hon. John Kelly. I am really afraid now that Mr. Kelly will be elected, and that the Democrats will have a good Judge, the more the pity. Of course the Democrats will have a good Judge, the more the pity.

THE HUGO DRASIC, graining, sickening pills, constructed of crude, coarse and bulky ingredients, are fast being superseded by Dr. Pierce's Pleasant Purgative Pills, or Sugar-Coated, Concentrated, Rectified and Hatched Juice, Anti-Bilious Granules—the "Lithio-Gin" Cathartic or Maltum in Parvo Form. Modern Chemical Science enables Dr. Pierce to extract from the juices of the most valuable roots and herbs their active medicinal principles, which, when worked into little Pills or Granules, scarcely larger than mustard seeds, renders each little Pill as active as a large pill, and which are so much more palatable and pleasant in effect.

DR. I. A. TRAYER, of Boonshower, Ohio, writes: "I regard your Pills as the best remedy for the conditions for which you prescribe them of any I have ever used, so mild and certain in effect, and leaving the bowels in an excellent condition. It seems to me they must take the place of all other cathartic pills and medicines."

AN ENORMOUS LEAP.—It is no part of our work as chroniclers of the times, to introduce Wadsworth & Brown, of Oak Hill, Philadelphia, to the business world, and expensively of many hundred thousand dollars in advertisements, and the sale of many million garments during thirteen years.

LETTER FROM MARYLAND. SWANTON, Garrett Co., Md., Nov. 9, 1874. DEAR FREEMAN—The Democrats in Frederick and Allegany counties celebrated the re-opening of Liberty at Bucktown, in the first of those places, on Saturday night last.
