The melancholy which is so apt to take place in Liver Complaint, has often led to erroneous treatment, and the worst of conequences have thus befallen the patient.

We have cured many cases of melancholy amounting even to "derangement of the mind," when the cause was plainly due to Liver Complaint alone. In this disease, as in many others, the

-A couple of Sundays ago Mr. Dexter Fales, aged 64 years, and his son, aged 15 years, residents of Covode, went to the Big Mahoning on a fishing expedition. The had been engaged in this occupation for some time, when they concluded to move further down the creek. The boy preceded his father, but after fishing awhile, noticed that his father, who had started after him, had not arrived. He started back to ascertain the cause of his delay, and had proceeded but a short distance when he was horrified to see his father lying on some rocks at the edge of the stream and just below a steep embankment. He hastened to him and found that he was dead, his neck having been broken by the fall. The lad summoned assistance, and the body was re-moved to the home of the deceased, where it was interred on Monday of last week.

THE PEOPLE WANT PROOF .- There is no medicine prescribed by Physicians, or sold by Druggists, that carries such evidence of its success and superior virtue as BOSCHEE'S GERMAN SYRUP for Severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat or Lungs. A proof of that fact is that any person afflicted can get a Sample Bottle for 10 cents and try its wonderful effects before buying the regular size at 75 cents. It has lately been introduced into this country from Germany, and its remarkable cures are astonishing every one that uses it. Three doses will relieve any case. Try it. Sold by Lemmon & Murray, Ebensburg, and Woleslagle & Son, Wilmore.

CAMBRIA COUNTY SUNDAY SCHOOL AS SOCIATION .- The annual meeting of the Cambria County Sunday School Association will be held at Wilmore, on Tuesday and Wednesday, June 1st and 2d, and it is earnestly urged that delegates be chosen and special collections taken up for defraying the expenses of said convention, the hope being confidently entertained that every School in the county will be represented fully at this the sixth annual meeting. It is to be regretted that some officers have been indifferent in reporting or representing their Schools. In my report for 1874 there were fifteen Schools in this county not represented

or reported at all. J. C. MARTIN, Secretary.

FOR SALE OR RENT .- The well established hotel property at Summitville, Cambria county, known as the National House, is offered for sale at a big bargain until May 29th, after which, if not sold, it will be rented on accommodating terms The house is well acapted to the business and bas always loubt whether our people have ever enjoyed a remunerative patrenage. and, viewing it as we do, one that might very easily have been avoided. Captain Linton, it may be added, though roughly handled in the melee, was injured only to the extent of a few severe bruises.

.... MELLOR & HOENE'S PALACE OF MUSIC. PITTSBURGH, PA. - If any place deserves to be called a Palace of Music, it is certainly that of Mellor & Hoene, No. 79 Fifth avenue, for there can be no question that it is the most complete, most extensive and best appointed establishment of the kind in that city. We have referred hundreds of times in our paper to this well known firm, and have given the strongest kind of recommendations of it, and of the pianos and organs represented by it-and we can say that all we have said and have promised of it, has been strictly preformed, as thousands of customers all over the country can testify with us. The planos and organs they have furnished have always proved exactly what they were represented to be, and their prices have always been found to be as reasonable as reliable lestruments could be sold at. We therefore take pleasure in speaking again of Messrs, Mellor & Hoene's establishment, and of recommending it to those parties who are in need of a piano or organ. The firm now deals in a greater number of first-class instruments than any other firm in that city. The following is the list : Chickering & Sons Pianos, Pazleton Bros. Pianos, Kranich

& Bach Pianos, Haines Bros, Pianos, Behning & Diehl Pianos, Spangs Organs, Mason & Hamlin Organs, Vogel & Lincoln Organs, Shoninger & Co. Organs. Besides these standard makes they have always on hand cheaper grades of planos and organs, and can always furnish a piano as low as \$250.00, and a new organ as low as \$50,00. And beside the great advantage of a spendid variety of instruments to select from, Meilor & Hoene offer another feature which they introduced in the piano and organ business some years ago. This is the monthly installment plan. In former years, a man had to pay cash down if he wanted a piano, or give a note, with or without security, just the dealer required, and the whole price of the piano had to be paid in about six months. But Mellor & Hoene have changed

all this state of things. The popular way of getting a plano or organ now, is the Monthly Installment Plan-that is, you make a moderate payment as the time of getting the instrument, and agree to pay a certain amount monthly until the price (previously agreed upon) is paid up; the time of these payments to run from one to two years, you may desire. Here there is a plan by which even those in moderate circumstances can become the possessor of a plane or organ. This plan is especially convenient to those who have a regular income or salary, as teachers, mechanics, clerks, &c., and even to merchants and others who, though affluent, may not desired to take out at one time so much as the price of a plano. Again we cordially recommend those who want a pland or organ, to call on Mellor & Hoene, 75 Fifth avenue, or, if you live out of that city, write to them by postal card or otherwise, stating what you want, and you will get at once all the information you desire.

-------Very Rev. Father Tnigg, the greatly beloved pastor of St. John's (Catholic) church, Altoona, was, on Friday evening last, presented by the pupils of St. John's Convent school with a silver card basket containing \$59 in gold and about the same amount in greenbacks, the occasion being the twenty-fifth anniversary of his promotion to the priesthood. The presentation address was delivered by Miss Josie Smith and responded to in a becoming mannerby the worthy recipient. A presentation of flowers and an address was also made by Misses N. Plack, L. Montgomery and M. Kelly, the assistant pastor, Father Gallagher, and Brother Williams, of the Tribune, each com-

ing in for a very elaborate and beautiful bequet. Music, songs and a sacred drama en-titled "The Day of Jubilee, or the Angel of Spring." added their charms to the interesting and happy occasion. ----

-Alice Thompson, a sister of the man who was accidentally shot and killed on atrenage. For fur-or address SD, Proprietor, Summitville, Pa.

-"Stay." he said, his right arm around her waist, and her face expectantly turned to him, "shall it be the kiss pathetic, sympathetic, graphic, oriental, intellectual, paroxysmal, quick and dismal, slow and untions, long and tedious, devotional, or what?" She said perhaps that would be the better way, but wished it to be distinctly understood that if he didn't order his wellling garments forthwith from S. J. Hess & Bro., 241 and 243 Main street, Johnstown, the kissing business would have to stop immediately, if not sooner. A fine stock of Spring goods just received by the above

firm.

-He pressed her gentle torm to his and whispered in her ear, if when he was far, far away, she'd shed for him a tear. He paused to hear a cheering word, his throbbing heart to cool, and with her rosy lips she said, "Oh Bill ! you're sich a fool- tor sure you know

I love you well, and that my heart for you o'erflows, every time you cut a swell in Murphy's flue store clothes." Star Hall, 109 Clinton street, Johnstown, which is just now filled to repletion with an unsurpassable stock of Spring clothing of all styles, tex. tures, sizes and prices-the latter being invariably of the very lowest order.

.....

-Mr. Godfrey Wolf, the enterprising Altoona clothier, whose immense establishment is on Tweifth avenue, next door to the Post-office, has returned from the East and is now busy waiting upon his customers, showing them his mammoth new stock just receivel. Mr. Wolf's experience in the business, his good judgment and cash purchases, enable him to offer inducements to the public that cannot be excelled by any house in the city. By buying for cash he saves considerable and gives his customers the benefit of it all. Don't fail to call at once and see Mr. Wolf's stock.
