IMPORTANT NOTICE!

TO ALL

Owing to the great scarcity of money and the long contimed neglect of many of my austomers to pay up their indebtedness for the past year or more, I am compelled to adopt

ANOTHER SYSTEM

of doing business. Very many of my castomers have allowed their accounts to run for such an unreasonable length of time that a great loss to me, without any benefit to themselves, has been the result. Hence it is that I find it

Impossible to Continue the Credit System and at the sainb time keep up my stock and meet my obligations promptly. I am sincerely thankful for the liberal patronage that has been extended to me, and now earnestly ask one and all who are indebted to me, no matter how large or how small the amount, to call and settle,

either by cash or note. BEFORE THE 1ST DAY OF JANUARY, 1873, as I need and fiftist have money. Believing as I do from past experience (which I have paid well for) that it will be better for me as well as for my customers to adopt the feady-pay system,

I WILL NOT. After the FIRST of JANUARY, 1875.

SELL ANY COODS ON CREDIT. I am fully convinced that in three cases out of four persons buying goods never find a more convincent time to our than when they make their parelfases, and as an inducement to my customers to buy for east or in exchange for country produce, I will. after the above date.

KNOCK OFF ONE-HALF the PROFIT heretofore realized in this place on goods of the same class.

Hoping that,my old customers will take no offense at the new mode of doing busiress I am about to adopt, but will continie to favor me with their patronage on a strictly cash basis, which they will be sure to find the very best for all concerned, I pledge myself to mark my goods down to

the lowest cash rates. ONE PRICE TO ALL! COMPETITION DEFIED! IN GOODS AS WELL AS PRICES.
