A Long Search for a Wife.

TIMES TO FIND HIS PAITHLESS SPOUSE.

In July, 1874, John Pearson, a miner at Manor Station, Pennsylvania, sailed for

England, his native country, taking with bim a daughter seven years old, and intending after arranging his business in England would seem now to be effectually re to send for his wife Martha, and another about five feet long and two feet wide, and moved. A man named C. S. Bell, of little daughter who remained with her was made of rough boards, fastened to-Jockson, Miss., was examined last mother in Pennsylvania, to meet him there. When Mr. Pearson arrived in England he twice wrote for his wife to meet him there, mer's committee. Said Beil seems to but he received no reply, and she did not have been a scout during the war, and come. Alarmed, he then returned to this to have acted under General Grant at | country, but found his house deserted. His one time in the southwest. Last De- former neighbors at Manor Station told him his wife went away about a month

to meet her husband. Pearson could find no traces of her in the instance of no less a personage this country, and he returned to England than the President himself. He was and traveled through England, Scotland, and Wales in search of his lost wife and ebild. Unsuccessful, he sailed again for this country and searched more carefully in the towns of Penusylvania. At Harrisburg he ascertained that William Kehoe, who had boarded with him at Manor Station before he went to England, had met Mrs. Pearson at Jack's hotel in August, 1874, and gone away with her. Before Ohio; Lynde, of Wisconsin; Jenks, whether Enbook was really guilty or making this discovery Pearson had entertained no suspicion that his wife had eloped, because she had always lived bappily with him. Determined to find his faithless wife and her lover, he then put the case in the hands of Chief of Police Hoopes of Harrispatches and other documents relating burg. It was discovered by the detectives to the case and succeeded in getting that Kehoe had an aunt living in Hadson, and last December Chief of Police Snyder of this city was furnished with I hotographs of Kelioe and Mrs. Pearson, and re mested Belkmap, and possibly Judge Black, of he was in St. Louis, the President's to search for them. He soon got on the track Private secretary, Luckey, and A. C. of the guilty couple, and found that they Bradley, of Washington, one of Bab. had been living in and near Hudson as husband and wife. Keboe had been employed as a quarryman, and while living in the suburbs last November Mrs. Pearson's tion at Harrisburg, one looks in vain evidence against Babcock out of the daughter, four years old, was accidentally District Attorney's office and deliver burned to death. Mrs. Pearson promised to be a faithful wife and agreed to return to her former home. She rolled down her the President of his convictions, and donned her silk dress, left Kehoe to attend three days afterwards Chandler re- to the chores, and departed with her child and husband by the 11:10 train Saturday evening for Harrisburg, by way of New

BURSTING OF A DAM .- At 8 o'clock on Wednesday evening of last week it was reported that the Lynde Brook reservoir, near Worcester, Mass., which covers 140 phia. The only contingency upon the trict Attorney, who was examined be-happening of which he would be re-fore the committee on the following 2:30 a. m. the gap was twenty feet wide, tention of Dr. Pierce to elect a hotel at the quired to g , to Cincinnati would be day. Bell asserts his ability to make and was rapidly increasing, and large tree cost of at least two hundred thousand dolthrown into the gap, and the rush of water somewhat lessened. At 5:50 Thursday afternoon the water was seen bubbling through the earth of the dam. The stream when first noticed was not larger than a man's finger; in less than half a minute it incident to the numerous investigations was as large as a man's leg; gradually its into radical misrule now going on at size increased until, with one grand crash, Washington are not compensated by the whole volume was let off. Down through a narrow ravize 100 feet wide and one mile long the flood swept on. The largest trees were twisted around like mittees empowered to send for persons straws, pulled up by the roots, and carried and papers must necessarily involve onward down the decline. The flood tore considerable outlay; but as the mat- out everything in the ravine and rushed onward toward the highway. A large barn was taken up bodily and carried about fifty feet, when it struck a tree and was broken a right to the information and will not into pieces. The waters reached Kettlepond, at the head of which stood Smith & o, s woolen mill. In front of it was a dam, property, valued in all at about \$200,000.

> IMPORTARY DISCLOSURES .- Some important disclosures were made on Friday before Clymer's committee in regard to General Babenck.

A certain C. S. Bell, of Jackson Miss., who had formerly been a detective, was appointed special agent in the pension bureau at the request of the President. who wanted him to go west and examine secretly into Babcock's alleged connection with the whisky ring, and to inform him as to the facts: General Babcock and attorney's office any evidences against Gen. Babcock, which he was to hand over to Babcock, himself. He went west and abthe most intimate personal friends of he took to the Lindell hotel, where Babits occupant. It is not a pleasant task The papers were not destroyed, however,

> Witness got disgusted with the whole the President that Babcock was guilty, whereupon he was dismissed from the service without any intimation whatever as to

SCOUNDRELS AT THE CENTENNIAL .-The Philadelphia Times is authority for the statement that thieves, sharpers and human vultures of every kind and degree the country to dens of iniquity in that city. Circulars are being scattered through neighboring towns and cities, addressed to girls whose names have been somehow obtained, promising them pleasant situations cretly, lest their parents should object. The originators of this scheme sign themselves Hayes, Arlington & Brother, and have been using the postoffice in furtherance of their wicked designs. Another kindred enterprise is the opening of bogus employment agencies in certain parts of the city to entrap respectable women into the clutches of barpies. The municipal authorities should use every exertion to bring the authors of these and similar enterprises to speedy punishment.
