"city by the sea" and of scrues along the way has been sout us, but its great length prehess houses of our town-the hard ware store and hence we are forced to content ourself with a few concluding paragraphs, which we

We have simply to say, further, that we be-Bere Sen Grove appreciates his destiny and is bravely accounting to meet it. It is projected on a scale of enlarged expectation. Every pubon a scale of collarged expectation. Every pub-lic improvement necessary to a delight of, sat-isfying summer rest is to be provided. Already water-works, with a system of street pipes, are nearly completed, to furnish the note sand col-tages with clear and cost spring water. A horse-cert rairoad connects with Cape Island City and the world beread. The post-office, express and telegraph are here. Both houses, powder and despoiled of such of the contents express and telegraph are here. Both houses, wijh arrangements for hot and cold fresh and water oaths, are smaly provided. Hard. such water boths, are smally provided. Hard, wide, solid drives girt the city, Greenbouses are already filled with choice plants and Govers to becautify the hvernes. Day and Sunday-schools for the children, necessary shops and stores, and all conventences and applances for a restful strainer solourn by the sea side will be spacially strained.

base warn, where they selected or their petar-fous purpose a high iron brace and various hammers, chiscis, bits, etc. From here they most likely proceeded to Mr. Huntley's store, the front door of which they pried open with a limmy, breaking the keep of the heavy lock in their efforts, and then proceeded to rifle one of the show cases, from which they acted and the be sphelik supplied. The lots are laid out in a way to give equitaor three revolvers and several pocket fraires, worth in all not more than \$2 or \$40. This He advantages to all property owners every building being required to be set back twenty work done, the "midnight mechanics" next proceeded, if our theory holds good, to the store of Myers & Lloyd, which they entered through the front foor by much the same profreet, that a generous and alry outlook may be aboved and full and free currents of air fresh from the ocean and the bay be obtained. No wrive is less than 50 feet in width, many being \$0 and 100 feet; and over six miles of drives will he graded and gravelled within the city limits. The titles given are perfect, the land having been in the position of the family of Mrs. Alex-ander Whilldin for affect than a century. A generous offer the barches has been accent-

ed by several constructions, and re, we can be stand, still in forse, is the effect tradicionisters or churches builting this your will each have a lot presented to them worth \$529. The West Jersey Ratirond has also teen generous in its offers of facilities for reaching the place. It analise of alconnector for country the place. It grantises the plas to the owner of a contage for one or more years according to the outpay for improvements finder, giving an annual pass for each \$1000 ex prodet. Trains will be run at convenicat bonis and on fast time during the sum-mer, and it is expected also that a line of steam-boals will be added to the traveling facilities. The fine farming tracts north of the city, which Five been under good cultivation for years, will supply the tables of the new city as ey have been supplying those of the older inhboring resort with all the products of the farm, garden, and dairy, bringing frees vota-bles and pontry and milk and briter to the doors of the hotels and cottages. With every earthity math supplies, and a congenial, select, more at and Christian population, such as the went on with their work, and as the first blast seems to have proved ineffectual, they in the miers of Sea Grove have contemplated in ir chafter, and with such men as President Alexander Whilldin, Secretary J. C. Sidney, and tesident managers of experience as Messrs. Springer and Edmunds and Dr. Marcy, and othcourse of a few minutes exploded another one,

ers, to carry out the Association's views, we do not see how anything short of a most prosper-ous future is before this new sea-side bonic. It may well extend its welcome to all weary

PHILO.

body is exhausted and worn down with disease, when the face is blanched and pale, when the muscles shrink away, when the eve loses its lustre, when cough and night sweats are increasing upon you, you may be sure that the very essence of life is running away, and the blood has not that plastic and renewing quality which nature designed it to have.

were found in a somewhat demonalized condi-tion, and the store, which is a very large and heavy one, was slightly moved from the per-pendicular in consequence of the great concus-sions which the explosions produced. In this state of health, Dr. KEYSER's LUNG CURE will recreate the body; will fill the arteries and yeins with new blood. out of which new tissues and new organisms can be formed, and all the functions of life The blowing open of the anfe, to say nothing of the other incidents connected with these robheries, was indeed a bold and daring act, as will be restored to pristine health and vigor. We have seen this verified in more than an undred instances. Yest even after consumpion had laid its fatal grasp upon its victim, . Keyser, with that most wonder working medicine, has given back health and life Price of Lang Cure \$1.50 per bottle, or \$7.50 per half dozen. To be had at Dr. Koyser's Laboratory, 240 Penn avenue, Pittsburgh,

Letter from California.

CRESSEY STATION, Merced Co., Cal., 1

CRESSEY STATION, Merced Co., Cal., 1 April 10, 1836. (DEAR FREEMA? - Hard times are beginning to reach us. They have nillicited the Sintes for fitteen years ever since the Republicants got the sway-from the days of the "Pell Ringer" to the days of the Belkmap-er. Californians, however, guarded of the heavy blows. They had metallic currency to fall back on. But the Rais in testolen so much that even the previous inclus are tosing value. The trade dollar is only worth 52 to 80 cents, and this fact is curs-ing consternation here among our merchants ng consternation here among our merchants and tusiness mon generally. We expect now to suffer with our Eastern low three, and the to suffer with our Eastern low three, and the eod is not yet. Yet General Grant smokes his eight as usual. Nero fiddled while Home was burning, and Grant smokes while Babcock is stealing. It does appear as if the nation were blinded, for the couple will still vote the Rod ticket.

The bistory of no country presents so and a The bistory of no country presents so and a spectacie as that of our own. During Buchan-no's a ministration the nation was out of debt -new it is hopclessly in debt, while these in power, histead of trying to reduce that debt, are stealing what is left. "That's what's the matter now."

matter now." OUR PROSPECTS, California has so many sources of income that it is almost impossible for her to tails. The grain crop books remarkably we'l this scaton. We have had lots of rain and it is still randing. We have had lots of rain and it is still randing, we have and lots of rain and it is still randing, we have an observe on the 7th 9th, and Joth insts., and we expect more. The grounds thorough-iy sorked and the grain is growing very rapid-b. The intres are producing largely, and the inter abundant rains have undepastures good that sheep and callle, and vegetables, and fruit.

here abundant rains have unde pasture so good that sheep and callie, and vegetaties, and fruit, and bees runst all flourish. Thus Providence rebulks the presed corrupt administration. THE CONTRAST. Last year was dry and parching. There were only three days rain, and the wheat was not half a crap. The present year we have had at least one manifed days are set when a she had at least one aundred days' rain, and the crops are Bourishing. There is a man out here who is chares that he is that loquacious old chap, the call "the oldest inhabitant," and he says that be has been here for twenty years and he never saw so tauch rain fail in one year. He remarked tint when General Grant used to be here it didn't rain at all, and they were so glad when he

went away. Give my respect to "Tomnbawk" and John Porter and tell them to fight it out on that line. ROB ROY.

LORETTO, April, 15, 1876.

DEAR FREEMAN-I read the "Pozzle Department" in your columns with pleasure and profit, and I am only sorry that owing to jealousy, or whatever may be the cause, there seems to ex-ist fome unpleasantness between the contribu-tors. "Sham lights, wordy builles, brick bats," etci, as a consequence puzzle me the most of inte to understand.

inte to understand. A D. H. certainly let his temper get the better of his judgment, or "it might he that inst active cask that get the better of him." I do not protend to be a critle, yet I cannot let A. D. H.'s asser-

10 be a critic, yet i cannot let A. D. H.'s assertion go without comment. In answer to the wine problem, C. B. D. says "60 gallons." E. F. M. says 24 gallons of white and 36 gallons of water-60 in all-which is of course the same result. Yet A. D. H., while he acknowledges that C. B. D. is right, says that "E. F. M. is as far from the mark as if he had almed at the north pole and hit the south." Wishing to pour "He" on the troubled waters. I advise ant to keep could, for instruction the south." I advise an to keep cool. Let histice prevail if the heavens should talk. McPfke says "A. D. H. is one of the most valued and most able con-tributors to the Puzzle Department," and he ought to know. JUSTICE.

-The Johnstown Tribune notices the fact that old "Granny" Sheehan has fully recovered her health, and that she attended carly mass at St. John's church on Sunday last, the distance from her home in Millville last, the distance from her home in Millville to the church being about a mile. The old lady claims that a few days ago she celebra...Billous Com- Fevers of all ted her one hundred and thirteenth birthday auniversary. She is in full possession of all her faculties, and has a "a good luck be with Bowel Com. Headnes, you" for every person that speaks to her on the street. -

GENTENNIAL CALL!-All per-It is private consulting office is No. 120 Penn avenue. quested to call and south on the formation of the day of May next, as all accounts remaining unsatisfied offer that date will containly be jeft with a lawyer April 21, 1877. Crawford Konse, Ebensturg.

Norvous Disonders.

ACPROVA Disorders. WHAT is more fearful that a breaking down of the nervous vatient? To be exclude or nervous in a simili degree is most districting, for where can a remedy be found 7. There is one - wrink but little which hear, or spirits, or har better, none; take no coffee, -weak too being preferable; get all the fresh air you can, take three or four Pills every night; eat pleaty of so bits, avoiding the use of slops; and If these golden rales are bellowed, ron with bb happy in mind and strong in body, and lorger you have any perves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are furning it is their purifying proper-tics, especially their power of cleansing the binod

The especially their power of characters the blood from all thipselines and removing dangereds and responded sourcetions. Universality adomed as the one grand remody for temate complainty, they have full, never weaken the system, and giveys bring about what is required.

Sick Headaches, Want of Appetite.

These feelings, which so sadden us, most fre These feelings, which so sadden us, most fre-quently arise from annoyances or trouble, from obstructed perspiration, or from eating and drink-ing what is unnit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Fills, if taken according to the printed instructions, will quickly restore a bealthy action to balk liver and stomach, whence follow, as a natural consequence, a good appettie and a clear head. In the fast and West profes genreely any other medicine is ever used for these disorders.

disorders.

How to be Strong.

Never let the howels be either couffied or duly Never let the howels be either conflued or duly ne si upon. It may appear singular that Hollo-way's Pills should be recommended for a run spon the howels, many persons supposing that they would horrense relaxation. This is a great mis-take, however; for these Pills will immediately correct the liver and stop every kind of howel com-plaint. In warm climates thousands of lives have been saved by the use of this medicine, which in all cases gives time and vision for the whole commute all cases gives tone and vigor to the whole organic system, however dorange !, -health and strength following as a matter of course. This appetite, too, following as a matter of course. This appetite, too, is increased by the use of these Fills, combined in the use of solid in preference to fluid dict. Ari-mal food is better than broths and stews. By removing acrid, fermented, or other impure himors from the liver, stomach, or block the cause of dys-entery, diarrhora, and other bowel complaints is expelled. The result is, that the distorbanes is ared, and the action of the lowels become rega-Nothing will stop the relaxation of the bowels so quickly as this the correcting medicine.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrets too much or too little water, or wheth-er, they be afflicted with stone or gravel, or with aches or pains settled in the loins over the regions of the kidneys, these Pills should be taken accord-ing to the printed directions, and the Ointment should be well rubbed into the simili of the back at bedtime. This treatment will give alreast im-mediate relief when all other means have failed.

For Stomachs out of Order.

No medicine will so effectually improve the tone the stomach as these Pills; they remove all achility, occasioned effort by intemperance or is proper dist. They reach the liver and resince it reper diet. They reach the liver and rollice it to healthy action; they are wonderfully efficacious Parke's Marble Works, in cases of spisms -in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the last remedy lower in the world for the following diseases: | Female Irregu- | Rheumatism. Scrotula, or King's Evil, Sore Threats, Stone & Gravel, plaints, kind Biotches on the Fits, kinis, Sceandary DROME plaints, Indiscettion. Tic-Doloureux. THIPOTS. Constipution of Jaundice, the Bowels. Liver Com. Conveal Affec-Worms of all plaints, Lumoago, Ples, Retention of Wonkness from Concurniption. Dysentery, Ervsipelas,
