It is related of a grand-daughter of her's that she went to week it was determined, in view of the great the old lady's house the early part of last number of civil causes to be disposed of, to week for the purpose of doing the washing for her, but when she got there she found that her grandmother had not only pleted all her ordinary duties of that kind, but was at the time engaged in washing bedclothes, which of course she was not permitted to finish herself. In the same vicinity there are two or three other old ladies who ages range from 80 to 90 years, but Mrs. O'C. is, we believe, the oldest as well as the stuptest of the lot.

-1: would no doubt be highly amusing, and at the same time astonishing, to see a complete list of all the expressive and "powerful" names of the multitude of short-lived medical preparations placed upon the market during the past few years as "most wonderfal discoveries" and "infallible cures," (In has signa rinces,) by unscrupulous speculators and adventurers who, recognizing the alue of advertising, seek by such means to obtain public favor and popularity for their doubtful and so often entirely worthless and even dangerous preparations. And it is a genuine pleasure for us to commend Da. BULL'S COUGH SYRUP as one of the few really deserving medicines offered to the ligent physicians is due only to its real worth and merit, and by thousands of families it is regarded as "the standard household reme-

-The golden wedding, or fiftieth anniversacy of the marriage, of Mr. John E. Roberts and Mrs. Mary Roberts was celesbrated yesterday (Thursday) evening, at the residence of their only surviving daughter, and the only one of their children present, Mrs. Wm. Jones, in this place. The affair was an exceedingly pleasant and joyful one and letters of congratulation and substantial remembrance were received and read from their two sons, Messrs, Thomas E. Roberts, | which beset and afflict hundreds of our readof Himois and also from their son-in-law, Dr. James McMullen, of Indiana county, as well as from several of their grand children and other relations. Mr. Roberts is one of our best and purest citizens, and when we extend to him and his estimable wife, the partner for a full half century of all his love and sorrows, the best wishes of every man, woman and chied in this community, we feel that we are only expressing a sentiment to which all will respond with a hearty good will. May many long and happy years still be in store for the worthy and greatly re-

-One of the most miraculous escapes from a terrible death that we have ever heard of affections, which has enabled him to promise occurred in Carrolltown about three weeks other day we presume we will be excused for not publishing them before this. Be that as it may however, here are the particulars as related to us : A little three-year-old son Long Care, the great remedy for Consumpof Mr. Benjamin Wertner went out on a ortico through a door leading from the third or of his father's residence and from there attempted to reach a pigeon roost under the enves of the roof by climbing up one of the posts of the portico, but missing his hold fell to the ground beneath, a distance, we are assured, of thirty-five or forty feet, and yet, strange and unaocountable as it may seem, henot only escaped with his life, but actually received no injury at all worth talking about. It was thought at the time that one of his ribs was fractured, but as the lad was out again in all his glory on the following day, is fair to presume that even so slight a mishap as that did not befall him. If any one can tell us of a more miraculous escane than this we will at least require "the pa-

ARE YOU GOING WEST ?-It is important that you purchase tickets by the route compelling you to make the fewest changes of cars, and by which there are no emuibus transfers between depots in the large cities. The principal connection of the Pennsylvania Railroad, at Pittsburgh, is the system of roads familiarly known to the public as the "Pankandle Route." Its trains run through, without detention, from Pittsburgh to Cincinnati and Louisville, where prompt connections are made for all points South; from Pittsburgh to Indianapolis, where through express trains are in waiting in the Union Depot to take passengers to all points in Indiana, Illinois, Iowa, and the Northwest. The only line running through trains from Pittsburgh to St. Louis, crossing the Mississippi river on the largest and finest steel bridge in the world, and making direct connections in the New Union Depot with the great through lines for all points in Missouri, Kansas, Colorado, California, Arkansas, and Texas. Trains are all equipped with the Safety Air Brake; the cars are comfortable, and the road in first-class condition. Your tickets west of Pittsburgh, should read over "Pittshurgh Cincinnati & St. Louis Rail-[3-30.-9:.]

BOSHEE'S GERMAN SYRUP can now be purchased right at home, and is the only successful preparation ever introduced to our people. It works like a charm in all cases of Consumption, Pneumonia, Hemorrhages, Asthma, severe Coughs, Croup and all other gigts, Lemmon & Morray, and get a Sample Buttle for 10 cents and try it; three doses will relieve any case. Regular size only 15 cts. 18" SOLD BY ALL DRUGGISTS. [2-16-1y.] April 6, 1877.-1m.

PROP. TYNDALL'S WARNING.-In conmoment that the other is. If they will not defatigable brain workers of our century, care of the timbers of your boat." The disnable to all workers. We are apt to devote strokes fall firm and fast, but few of us examine or even think of the condition of our boats until the broken or rotten timbers suddealy give way and we find ourselves the victims of a calamity whileh could have been easily avoided by a little forethought. What began with a slight fracture, or perhaps even store, where an endless stock of clothing for a careless exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which began with a slight headache or an undue exposure to cold terminates in death, unless its progress be checked, and the disease remedied. The first symptoms, the heralds of disease, give no indication of the strength of the on-coming foe, and the victim trusts that his old ally, Nature, will exterminate the invader. But Disease is an old general and accomplishes his most important movements in the Mr. Burkett was engaged in cleaning night-time, and some bright morning finds out a paint pot, and had it sitting on the him in possession of one of the strongest fortifications; and when he has once gained a stronghold in the system Nature ignominicareful.
