THOMP- Monday morning last, and who, as the would have excited the envy of a Modoc Indian, jumped from his sleeping berth and began to yell "murder!" In the excitement of the moment he plunged through a fiftydollar pane of French glass in one of the wrist and arm. The somnambulist was en dishaille, and was laboring under the hallnalighted from the car at Mt, Union, evidently suffering from temporary aberration of mind.

> -- In that part of Cambria township known as Mullen's Hill resides an old lady named over nine hundred pages, illustrated by two O'Connell, relict of John O'Connell, de- hundred and eighty-two engravings and colceased, whose age is set down at 92 years, ored plates, and elegantly bound in cloth and but whose physical condition is such that she is still able to do all the household work, washing included, for herself and one of her sons, who resides with her. It is related week for the purpose of doing the washing for her, but when she got there she found that her grandmother had not only completed all her ordinary duties of that kind, but was at the time engaged in washing bedclothes, which of course she was not permitted to finish herself. In the same vicinity | the following being the result : there are two or three other old ladies whose ages range from 80 to 90 years, but Mrs. O'C. is, we believe, the oldest as well as the

stoutest of the lot. -It would no doubt be highly amusing, and at the same time astonishing, to see a complete list of all the expressive and "powerful" names of the multitude of short-lived medical preparations placed upon the market during the past few years as "most wonderfal discoveries" and "infallible cures," (In hoc signo vinces,) by unscrupulous specula-The dwelling house of Mr. Christian value of advertising, seek by such means to obtain public favor and popularity for their doubtful and so often entirely worthless and even dangerous preparations. And it is a genuine pleasure for us to commend DR. BULL'S COUGH SYRUP as one of the few really deserving medicines offered to the public. Its adoption by many of our intelligent physicians is due only to its real worth and merit, and by thousands of families it is regarded as "the standard household reme-

-The golden wedding, or fiftieth anniversary of the marriage, of Mr. John E. Roberts and Mrs. Mary Roberts was celeresidence of their only surviving dangliter, and the only one of their children present. Mrs. Wm. Jones, in this place. The affair was an exceedingly pleasant and joyful one and letters of congratulation and actions. and letters of congratulation and substantial of Himois, and also from their son-in-law Dr. James McMullen, of Indiana county, as and other relations. Mr. Roberts is one of our best and purest citizens, and when we feel that we are only expressing a sentiment to which all will respond with a hearty good will. May many long and happy years still be in store for the worthy and greatly re-

ago, but as we only learned the facts the other day we presume we will be excused for not publishing them before this. Be that as it may however, here are the particulars as related to us : A little three-year-old son of Mr. Benjamin Wertner went ont on 3 portico through a door leading from the third floor of his father's residence and from there attempted to reach a pigeon roost under the eaves of the roof by climbing up one of the posts of the portico, but missing his hold fell to the ground beneath, a distance, we are assured, of thirty-five or forty feet, and yet, strange and unaocountable as it may seem, henot only escaped with his life, but actually received no injury at all worth talking about. It was thought at the time that one of his ribs was fractured, but as the lad was out again in all his glory on the following day, it is fair to presume that even so slight a mishap as that did not befall him. If any one can tell us of a more miraculous escape than this we will at least require "the papers" to substantiate the story.

ARE YOU GOING WEST ?-It is important that you purchase tickets by the route compelling you to make the fewest changes of cars, and by which there are no emnibus transfers between depots in the large cities. vania Railroad, at Pittsburgh, is the system of roads familiarly known to the public as the "Panhandle Route." Its trains run through, without detention, from Pittsburgh to Cincinnati and Louisville, where prompt connections are made for all points South; from Pittsburgh to Indianapolis, where through express trains are in waiting in the Union Depot to take passengers to all points in Indiana, Illinois, Iowa, and the Northwest. The only line running through trains from Pittsburgh to St. Louis, crossing the Mississippi river on the largest and finest steel bridge in the world, and making direct connections in the New Union Depot with the great through lines for all points in Missouri, Kansas, Colorado, California, Ar-kansas, and Texas. Trains are all equipped with the Safety Air Brake; the cars are comfortable, and the road in first-class condition. Your tickets west of Pittsburgh, should read over "Pittsburgh Cincinnati & St. Louis Rail-
