-The discovery of the crimes of a man named Joseph W. Bugbee has, says the -Parts of the body of a woman who New York Sun, come like a thunder clap upon two chies-Boston and Indianapolis. Busbee was connected with the large Boston firm of Holt & Bugbee, and was prominent in business and political circles in real estate, and becoming embarrassed, forged notes in order to obtain money. He kept up his criminal course for years, retiring one forged note with another, until concealment was no longer possible. Then, last Sunday, he called his wife, his ciate to him, and confessed. His forgeries aggregate \$132,000, and the exposure has been followed by the suspension of the Boston firm. Bugbee was a leading churchman, son is law of a minister, and

-A special Potsville dispatch to the Philadelphia Record, dated April 7th, says: An entrance was forced into the German Catholic church here last night by means of a chisel, and property to the value of six hundred dollars was stolen, viz : One host for the communion, three chalices and golden plates on which the chalices some of the money which is kept there, but did not succeed in getting it. The only clue to the perpetrators is the chisel local detectives. One of the chalices was the private property of Father Longinus, the pastor, having been brought from Eninformation of her, came to a sad end in a 2 in company with Redheffer, whose con- rope by Father Manus, of St. Clair, and house of ill-fame on Virgin alley, in Eden- tradictory statements in regard to their presented to him. The other articles were the property of the congregation. -A special from Washington says : The
