--The twenty-third annual statement of the Protection Mutual Fire Insurance Company of Cambria County for the year ending year is far in excess of that of any former exhibit. The amount of r sks in force is in the aggregate, \$1,350,000; the whole number licies in force is 1,200; the number of risks taken during the past year, 340; the total amount of losses during the year, \$1,540. Owing to careful management, no assessment was found necessary since the year 1877. We have no hesitation in saying to renders that the Cambria Mutual is in firstclass condition, thanks to the careful management of its board of officers, principal of whom is T. W. Dick, Esq. Secretary and Treasurer, and as such we give it our cordial mmendation.
