Werest is known as "hay fever" is prevailing in many portions of the North. but it itu't a circumstance to the Han- extortion and held up as an oppressor, apologetic letter containing \$500. country, attacking men, women and eheldeen alike.

THE Johnstown Tribune publishes a letter from Harry White challenging his competitor, James Mesgrove, to a joint discussion. Knowing Mesgrove us well as we do, we would advise him to decline the invitation, not because he is not fully able to defend himself, but for the plain and obvious reason that White can tell more Republican lies in half an hour than he (Mosgrove) could answer in a whole week.

Storey, one of the speakers, had a sufficient amount of check to say : "The American people.

HOW TO GET Clothing under Price.

If we could sell a link more of this and a little less of that, we could make things come out even-the last man that came in would carry off the last suit; her we can't. Out of every stock there are a great many sizes left when some are gone. The best we can do with these incomplete assurments is to mark them lo enough to set a great man people looking among the for bargains.

This we do every day; this time of year; and is now we have enough a such to stock a little store

Besides, odd parts of win get left-coats, vests and trousers. We laure a men in which there is nothing else. There is in that room cheaper clothing than ye have any notion of. Weit the Bargain-Room,

These marked-lown als and garments are of a sorts; they may be among the best in the store. We force a continue

ance of such articles would only embarrant

fresh and full. Wanamaker & Brown
