AGENTS WANTED ENCYCLOPEDIA

Never say die-never say die:
Life's worth the living, if only we try:
The hand and the brain
Were not given in vain.
Wa've a battle to gain,
And so—never say die.

NEVER SAY DIE.

Never any die—never say die;
If carning be low and if living be high.
The reason the more
Not to faint or give o'er,
Better days are in store,
And so—never say die.

Never say die—never say die— When night is at darkest the morning is nigh; Whether far off of near, In God's time will appear Some blessing to cheer. And so—never say die.

Never say die nove; say die; The soul that is steadinst may fortune doly; In labor and art Let the hand and the heart Each do its own part, And so-never say (16.

Never say die - never say die, When cowards desput, he this our reply-All that's noble and human in censiant and true man, in trave, patient woman,

A THRILLING STORY.

A few years ago, as I was riding on an out-of-the-way railroad in one of the old second-class cars of some more prosperous road, I was very much annoyed by the incessant rattiling of the car windows. 'Tis said that mis-

anything and am't dangerous."

"What!" I shouted, thinking be had not eaught my meaning.

"I say it is perfectly meaningless, and don't mean any mischlef," he shouted smill attributing it to my dislike of the Mongolians.

rationally, not to say intelligently " he

ironically. "Did you?"
"I have," said he, "and as soon as we stop
I will not only make a window talk, but possibly get an answer from some other win-I began to think that I had let the man cod of R.

"Centreville! Twenty minutes for diu-ner?" shouted the brakeman, opening the door after screwing up the old fashioned

litting behind without either of us looking earance of the back of the head of, say the

the answering window. Then he said : "There is no person sitting just there. Try I looked and sure enough he was right. So I made it the fifth seat.

Short, black hair, parted behind, one side grev, high shirt collar and coat collar turned up. Railroad ticket in the back of his hat," aid my companion, as he listened at the

"I then handed the paper to the old gentle-'Have you read this sir? It's How to be Your Own FOR THE ENSUING YEAR. man, saying: 'Have ness Correctly and Sue. FOR THE ENSUING YEAR. an excellent editorial.'

> "I know it to be true, sir," I said.
> "Horrible" said he, slipping his hand into
> "To observe all these rules, and they are the answer." his breast pocket, a stern look coming into his face as he added: "I believe that I'd feel like shooting some one."
> "I saw I had a man of courage to help me, I't was getting well."

gentleman did equally as well, the ruffians being taken completely by surprise at our sudden attack. We had passed the precipice now, and calling to the driver to stop, he and the one outside passenger helped to bind our prisoners, whom we left inside, while we climbed on top. But when we arrived in Sacramento we found that the robbers had released each other and dropped out along

the road. "The old gentleman introduced himself as Mr. Stamford, a Sacratsento banker, and in-sisted on my accepting the hospitality of his home, saying that I had saved his life and a large amount of money. I consented and was driven with him to his handsome residence on the outskirts of the city, where I was introduced to his wife and two daugh-ters, the former a kind, motherly woman. and the latter a handsome brunette and pret-

Three weeks stay at Rose Hill, Mr. Stamford's home, with its lovely walks amid a wealth of tropical flowers, and the society of wealth of tropical flowers, and the society in Ella and Blanch Stamford, lovelier if not more beautiful than the flowers which bloem-ed around them, only served to make me wish for a longer stay; and when Mr. Stam-ford offered me a position in his banking house. I most gladly accepted it, not failing to take courage from the evident delight of

"About this time Mr. Stamford, at his wife's request, replaced two Irish servants with two Chinamen, much to the formers' violent denunciation. Mrs. Stamford was loud in her praise of her new help, who seemed to be quiet, active, orderly fellows, always ready, always willing, and always to be found

at their posts.

"To these two 'spoon gobblers,' as the Irish called Ah Whing and Ah Lee, I somehow conceived a decided aversion. There was, I thought, a sinister look about their eyes thought, a sinister look about their eyes." (which seemed to be cut less on the bias than usual with Mongolians) which sent a chill

attributing it to my dislike of the Mongolians 'What the mischief do you mean?" I as a race. One quiet sommer night I had retired to outed.
"You probably never heard a window talk ing of the happy possibility of Blanche Standing of the prince grew pale with fright. The outed.

nd approached the window where I found What are you doing here?" I demanded.

Come to lookee see. Think heah some mans hoppice out the window," said he blandly. "Well," said I, "you go down stairs and bring me a glass of water and a lemon to my "All litee, me will," said Ah Lee, as he glided down the stairway. As soon as he

was out of hearing, I took hold of the window and telegraphed : "Yonker is awake and coming up stairs, Go hide in the closet till be comes back. "All right, right," answered the upstairs Then I went up stairs softly in my stock-

ing feet, and softly turned the key in the all closet; after which I telegraphed with Keep quiet down there. Yonker is up here talking to old one. Hide in the library dead, but no! he sponted out the stuff as till he comes back and goes to bed."

THE DISCOVERY OF ICE CREAM. A BETTER BUSINESS THAN MAKING PRESI-

DENTS OR EVEN ACTING BING.

It was in Lactia, and the king of the country was such a grand king that he were his gold crown even at night, though it made the worst king of a night cap. The wise men of Lagita and the Lactia said the crown must never come off, and it was these wise men and the prince who formed a conspiracy against the king, ending in the discovery of ice cream. But

the prince chief high director of the weather. The change that followed was marvelous.— He made it clear and sunny for a picnic par-ty, windy in the right direction for the saillier of the two sisters) when I told her of the fur dealers and hot for the bathing resort men. The people of Lactiz went almost wild with joy, and the king laughed and grew fat again. The wise men claimed all the merit, but they soon regretted doing so. Thousands of Lactions came to thank them in long, dry speeches and brass bands bray-ed before their houses all day, while nightly processions marched and hurraled every

est ran away to sea, but the others formed a conspiracy.

The king's strawberries grew between the paiace and the royal milk house, and it was double high treason for any one but the king to pick them. One morning before the weather office was open, the wise men per suaded the prince. suaded the prince to go with them to eat berries with sugar and cream in the royal shed with a rail enclosure. The hired man shed with a rail enclosure. berries with sugar and cream in the royal milk house. While sugaring the berries they heard the king come into the garden. an Old Time Victory. The very 1881 will mark a new era in our political history, with an incoming Administration that can be respected as legitimately in possession of power—with Congress evenly divided in both branches—with the Sinter half Bemocratic and hist Republican. The Republican party example catry through extreme sectional legislation, but will anneuncedly make insidious attacks on the will anneuncedly make insidious attacks on the will anneuncedly make insidious attacks on the centralization is at ill rampant in that porty—it is its controlling tendency, and will be furthered by appeals to the selfishness of sections. A magnificent government, on the paternal plan, republican in outward form but in resulty momerchical, is the haven the ambitious leaders of the Republican purty are pushing for.

Notes was there a greater necessity for activity, watchfulness and knyleiding political integrity, than there now is in the Democratic party. As an apposition party it ests defeat the comspirators, its organization must be maintained in all its old time vigor: its party neares and traditions chores had a selected leaders trusted and encouraged; its numbership strong thone) and educated the self-shored leaders trusted and encouraged; its numbership strong thone) and educated leaders trusted and encouraged; its numbership strong thone) and educated leaders trusted and encouraged; its numbership strong thone) and educated leaders trusted and encouraged; its numbership strong thone) and educated leaders trusted and encouraged; its numbership strong thone) and educated leaders trusted and encouraged is the first of the authers. To the Democratic party and educated leaders trusted and encouraged; its numbership strong thone and educated leaders trusted and encouraged is the numbership strong thone and educated leaders trusted and encouraged in the state of the subthers. To the Democratic party and trustices the subthers are to the party and trustices the party and trustices the party and trustices the party and trustices the party and tr Great variety SACK and CUTAWAY SUITS. 10:00

ned; its nown selected leaders trusted and en-uraged; its membership strengthened and edu-ted in the fath of the athers. To the Demo-tic party is confided the exalted duty of defeat-the efforts of men in the Republican party to up another form of government in place of that ach exists. Therefore it is the highest patriot-t to defend and maintain organization in its miss effectiveness. PANTALOONS of all styles and qualities up to rem to defend and maintain organization in its greatest effectiveness.

The Pyreser and Post is committed to this principle in all its length and breadth, and if possible more rigorously and uncompromisingly than in the past, will it labor to strengthen the party, hold up the hands of its trusted lenders, spread Democratic truth and promote by all honorable moans the success of Democratic candidates. National, State and local.

So much for the political course of The Weekty Post during the coming year; but in all its departments it will mainthin the highest degree of usefulness to its readers as a family journal.

The Literalty Department will be enriched by a choice and carefully selected mincellany, consisting of taics, postry, sketches, humor and biography

THE NEWS DEPARTMENT WIll be carefully edited the Legislature.
