

recently preached on the subject, "A Good Wife," and his words were so true and arguments so logical that we commend them to the best attention of our readers. We learn

learn how to behave to those whom Provi

The

The father is the one on whom devolve lie is the sweat of his brow and the labor of hands, if need be ; by Intellectual work, literature be his calling ; or else by the fruits of patrimony inherited from his forefathers ie is bound to maintain the children whom God has given him. Yet how many are there who neglect this duty as completely as tho they were entirely ignorant of its existence How many fathers are there who can in m sense be regarded as bread-winners for their familes. The poor man ruins his fam-

mastery ! Few of us know the extent of its ravages. It penetrates into circles where in society-ladies whose names it would shock society to have associated with intem perance-are victims of this terrible vice Depend upon it, the man who most neglects his duty as a parent does not love his home He is not domestic, and herein is to be found the source of his neglect of wife and offsprin For him the ruddy glow of his own areside ssesses no charm-an evening passed in traction. He loves club-life, or the society of 'Jovial companions." At any rate, he does

Those inside the fort ould plainly see that the eves of the Indiana were upon her, but either from curiosity of of relief, and watching even more analously for her reappearance, saw her come out soon

suspected her burden, and in a moment more, as she was bastening toward the fort, they sent after her a shower of bullets and arrows. startled eve, but undautited heart, she sped on with her treasure through the denily rissiles, until at last she have it in triumal inside the gate. By the aid of the powder beth's self sacrifice inspired, the little garrivanouished its five hundred dusky assailants. We have no account of the subsequent careet of the heroine. The family became well
