ROMANTIC STORY OF AN ALTOONA BAR-BER.—The following item from a New York paper is creating no little annsement among the barbers and their patrons of the Mountain City:

 The patronage of all who visit Pittsburg from this part of the world. We may also add that so great is the demand for accommodation at this innerse and admirably contained to be world. We may also add that so great is the demand for accommodation, as soon as the weather permits, to put another story on top of the four or five of which it already consists. When that is done our adjucted house that it is in contemplation, as soon as the weather permits, to put another story on top of the four or five of which it already consists. When that is done our adjucted the fame of a hotel that has no superiors and for most in order to prove that he can breathe with hot order to react the fame of a hotel that has no superiors and few equals anywhere.
 WORTH REMEMBERING.—Now that goad times are again upon us, before indulging in "In the town of Altoona, Pennsylvania, there

LOCAL CORRESPONDENCE. BEST BARCAINS IN TOWNI

CHEST SPRINGS, March, 1881. EDITOR FRAMMAN-I think it is little short of a natural axiom, that when a humorous episode oc-curs in the every-day routime of practical life it should by all means be recorded by the observer.

all the every-day routine of practical life it should by all means be recorded by the observer. Else why is there a numerous vein in man's nature, and why do humorous things occur? If I be wrong I will stand corrected when convinced to the contrary. However, let that be as it may, to the unain point of our story.
It devolved upon me the other afternoon to go to Carrolliown on a medical mission ; or, more correctly, to a medical genitleman on a mission for the site. A thorough thaw was in progress at the time and the rounds were sinally and mellow indeed. Your scribbling pedestrian had proceeded on his watery way as far as the bill on the side of Nagle's mill, an the round to farrolliown ; end thus far all the sliding vehicles were slipping in the wrong filmetion. Tresently, however, a pleasant lingle after the direction of my destination, which was completed by two genitement, one of whom was leading an unsuddled horse by a rope bridle.

Frofferred me the use of his rope-beliefield steed for a tide to Carrolltown. Your correspondent, not being a mustani breaker, or anything of that kind, cramified the animal slightly to be sure that it was not an unruly cell, or a tickous, uncontrollable beast of burden which no man might bestride. In stead of all that, in truth it was an old crowbalt, thind or all that, in truth it was no old crowbalt, thind or all that, in truth it was an old crowbalt, thind on the weather side and with a backbone like a hay rack. The reputation of your correspondent as a horseman was, howerer, at stake, and the horse must be mounted. I got around an the weather gauge of the one-side and with a stake, and the horse must be mounted. I got around an hourded him on the information of your correspondent as a bound of the one-side and with a sheetbone like a hay rack. The reputation of your correspondent as a bounder har a bounded. I got around an hourded him on the information of your correspondent as a burget and to fix me on the bony quarter. Mit thus, and the horse was a former and with a backbone has a burget and shout to cross the Sahara, as off 1 started burge hand to fix uncasty rests like head that was raked and about to the start of the backbone of optics, and we should have that larescheif a tele, soore to balance the thing.

During which, 1 prosums, was a siter my aged sheed, perturbile, a bandou "Daw, rrows" of story, 1 am unshie to state perturbility and the set.

At height a watering trough appeared in the store.

At the store was the province of the store of the stores of ride to Carrolltown. Your correspondent

story, I am unable to state point appaared in the fance. At length a watering-trough appaared in the distance and my withered Hursphalux headed is the same, waiving all extension. As I had only one sided argument, i.e., the elocitus-line balter was unable to keep the station animal in S read, and he bannelsen into the trough, drink till I though the would burst. The station for then took a shord and wouldn't go for any perce-tion, a little arcek crossing the read scenary

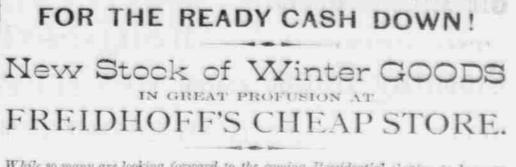

sion, a little urcek enseing the road scening to hun. I presume, an invariantiable marrier j to I had to dismount and icad him till be urgot all about it. After that we doubled a case in the road in fine style, going at about five knots an hour.— The water did it, i suppose. When we arrived at Carrolltown I hitched my steal at the first house outside the borough, for I thought the presence of the two of its might be more than the town could bear at once, and, besides, I didn't like the nonvesion to be least nor his general contour. I take this concentration to the general contour. I take this concentration is a scattle.

I didn't like the increases of the least nor his general contoor. I take this opportunity to beg a gestle-main's pardien for saying that a crow bollowed us, which may have been trae, as I heard the caving at two or three different volute on the way; but I don't wish to make a dottors assertion, either control of the second of the caving of the caves.
To continue. After my business was transacted. A non-main and the didn't wish the make a second of the way is but I don't wish the the two out to see us off.
To continue, and very sensible too, that she would be the two part the test of the max is the second of the

P. S.—The animals reemed to have entered into a computery before they parted company, for the one in the deigh had kicken the dush board into splinters, and I alterweit's learned I had token a most victors animal, which could kick at a mark and hit it every time. I purstial the rast of my way home through the slushy mow on bot, where at length I arrived, protty weary I can tell you.

COMMENSION.

BELSANO, PA., Murch 20, 1881. EDITOR FREENAN-I have been reading Sina Hand Book and find that the Constitution of t "State requires that " all taxes shall be units upon the scame diasa of subjects." If such is

While so many are looking forward to the coming Presidential election in hopes of being the lucky man, the subscriber has concluded to remain in the mercantile business and give it his undivided attention by supplying his friends and the public generally with ALL KIND OF GOODS

AT PRICES SO LOW THAT NONE CAN OR DARE COMPETE WITH HIM.

Buyers will always find a full and elegant stock of everything to be found in a general store, comprising a complete line of

DRY GOODS, DRESS GOODS, NOTIONS, HATS, CAPS, Boots, Shoes, Groceries Hardware, Tinware,

Queensware, Glassware, Woodenware, Cigars, Tobacco, Canned Goods, &c., &c. Also, FLOUR, CORN MEAL, FISH, SALT by the bushel and barrel, DRUGS, NAILS GLASS, PUTTY, BRUSHES, BECOMS, &c. I have likewise added to my stock

BIRD'S PATENT CORN SHELLER.

which will be sold at the remarkable low proce of a cents each. Also for sale, the

BEST AND QUICKEST BUTTER-PRODUCING CHURN EVER INVENTED.

23" A large increase of business has necessitated the enlargement of my store room and the eres tion of an additional wareroom, and still my establishment is literally enveloed with choice goods and enger sockers after bargains. Still bring determined to accommodute all who come, and repectally my friends from the country, to whom the highest prices in trade will be paid for all kind of produce, i have thrown open my barge and commodicar stable for the free use of all who may wish to put up their stock. Thankful for past favors and hopeful for many future ones I remain as over.
