Mr. Carney, 't is stated, remained in a constance state for about forty-eight hours, meantime recognizing nobody and being enrisity oblivivious of his own condition. Soon will the festive gardener Regin to tear the ground.
And seek and spy among the weeds
To see what's lying round.
And should be chance to find the rake
It may cause him surprise.
If he treads upon the "business end,"
And the handle "hunts" his eyes.

And the handle "hunts" his eyes.

But there will be no surprise when we say, as we say now, that Godfrey Welf, next door to the postoffice, Altoona, has a stock of Spring wear for all classes of the misculine persuasion on his shelves—for anybody who wants anything in the wearing line—for a man who wants to be married, or would like to die—for John Smith or John Brown, and all their relatives—has a stock on his shelves, as before stated, binger, and better and cheaper than can be found elsewhere in the State.

With doughnuts fried in suct.

All which suggests the thought that Sol, Blu-menthal, Illy Eleventh avenue, Altoona, can sell boots and shoes at lower prices than can be found elsewhere in this section, and whether it sucts or suits is all the same. The seat of pain is reached by exciting the pores to action, thus enabling the curative proporties of the CHINESE CREAM CAMPHOR to enter, which stiffes the pain as soon as the affected parts are reached. The liniment must, upon each application, be rubbed in thoroughly; and in cases of Rheumatism of long standing it should be used three or four times a day, and four applications made each time, until cured. Care, however, should be exercised after the pores are opened, to pre-
