Begone with feud! away with strife; Our buman Boarts numating! Let us be friends again! This life

Is all too short for hating ! So dull the day, so dim the way, So rough the road we're faring-Far better weal with faithful friend, Than stalk alone uncaring !

The bureau Sg, the withered vine, Are types of selfish fiving :

But rouls that give, like thine and mine, Renew their life by giving. While or bress waves o'er earthly graves. On all the way we're going.

Far better plant, where seed is scant, Than tread on fruit that's growing. Away with scorn! Since die we must And rest on one low pillow; There are no rivals in the dust-

So dry the bowers, so few the flowers. Our earthly way discloses. Far better stoop where daisies droop Than tramp o'er broken roses !

No fees beneath the willow.

Of what are all the joys we hold Compared to joys above us! And what are rank, and power and gold, Compared to hearts that love us?

So fleet our years, so full of tears, So closely death is waiting : Clost gives us space for loving grace. But leaves no time for hating. -A. J. II. Dungam

ROMANCE OF CRIME.

THE DUMMY BACKET AT SING SING.

[New York Herald, ] At Sing Sing the favorite method employed of escaping is the old and seemingly de-SHEET METALS. tected one of using a dummy in the cell, and more than any other method it has been successful. Only a few days ago, Holland, a partially kill the stench of the croton I had that way, and as his story has a peculiar vein of romance in it it is interesting in itself, in addition to explaining what the dum. nothing. It was not many minutes before had received a visit from an Irish girl, who the were up and doing in a second, for none locked up at night the keepers pass along in front of the cell, each man comes up and to the clerk, who adds the figures at each redon't make me get up ; I am very sick." > those bonds. AN INSURANCE ANECDOTE. - The Freder- broke in two, but we had almost reached the ick (Md.) Times relates the following story

"In connection with this insurance craze another amusing story is told. It is as folows: An old man of about 80 years, living in the suburbs of the city, supposed to be likely to die at any moment, was insured by a citizen for \$8,000. The man being old and decrepit, poor and forlorn, having asked the holder of the policy on his life for assistan was given a cheap suit of clothes and was ful charge of the Confederate brigade comtold to wash up a little. He took his clothes, manifed by General O. A. Welstern, we had went home, scrubbed up, and later made his appearance with pride beaming from his countenance before his noble benefactor, countenance before his noble benefactor, looking as fresh as a daisy. The policy-holder was thunder struck at the old man's youthful appearance. When he recovered from the shock, he excitedly called his wife. On her arrival upon the scene he pointed in horror at the subject and bawled out, "Look at that man! Why, great heavens! he looks we've paid \$35 assessment on him during the past week, too!" The old man whimpered: "Why Mr. Blank, you don't want me to die, do you?" "Don't want you to die!" frantically yelled his benefactor. white sailed boats flitted noiselessly down.
