CIRCUMSTANTIAL EVIDENCE, -A lawyer

in Central New Fork gives the context of the count of one of his first cases : "My dient such a neighbor for the alloged killing of a favorite dog. The proof consist-ed in the mysterious disappearance of the minual and the possession of a dog's skin in the defendant, which, after cons gument, was brought into court in evidence It was marked in a singular manner, and was positively identified, with many by the plautiff's wife and daughter doubled integument of the decenthe deceased, and of the love of the child: for their fourfooted friend, when i was it terrupted by a slight disturbance to the eros "Just so-thanks. I was inclined that way mear the door of the little school hoese which served as a court house. Looking around I saw my client's youngest son, a ad archin of twelve, coming forward with dog whose skin was the exact counternari the one put in evidence. The dag was his tail with good natured comparison the boy cried, in his childish trable, Bose has come home.' I gathered up re-books and retreated, and I have new mixed up-fearfully mixed. Will you an- perfect confidence in circumstantial while ince."-Entron's DRAWER, in Harper

CHRISTOPHER COLUMBUS' CRUCIFIX Mrs. General Hefferman, of Animas City, says the Durango (Col.) Record, the posse or of a very interesting and valuable relic being no less than the verifable crucify whit in America, of which she has anaple doc mentary evidence, if one accept the witne-viz : the Catholic Church. It has been of Mexico and California since a very er
