Are you a debilitated per-son, aged and feeble, or just recovering from the effects of exhausting mental or physical graphic despatches up to the time of going -Two prisoners were turned out of jail last Monday, their respective terms of im-prisonment having expired, but their places work? Revive the drooping energies, get new strength and rich blood by the prompt were filled Tuesday evening by two custom-ers hailing from Johnstown. Of those who use of Dr. Faust's German Aromatic Wine. In no way can it be used as an intexicant.-Ask Druggists. For sale by E. James, Druggot out, one was a woman (the survivor of

the notorious Clark Sisters duo), and one who got in was a colored man. In all, the st, Ebensburg, Pa. [4-1.-e.o.w.ly.] --As regards the harvest in the norther jail has the respectable complement of 30 part of this county, which is about one-half of the whole, it may be said in general terms -Mt. Thomas Dougherty and his young son, of Keytesville, Mo., are here on a visit to the venerable parents and other relatives that the wheat crop is good, but not quite equal to that of last year; rye not near so good as last year; hay better than last year; oats a fair crop, nearly equivalent to that of a year ago; corn not a good crop as it now stands, but may be materially increased by favorable weather during the balance of this month : potatoes, owing to the dry weather in July, will be small and few in a hill, with giad to see that great blessing continue with exceptions in some localities; apples not near so abundant as last year, but enough -Mr. Michael Fitzbarris, proprietor of the leading hotel at Gallitzin, this county, and who, by the way, is a gentleman well known to many of our readers, has recently been granted a pension dating from Jame for all practical purposes. We omit buck-wheat, as we have not heard its condition spoken of though the long-prevailing drought

likely to have a bad effect on it -The remarkable spectacle of a lot of 30, 1855. Mr. Fitzharris was a member of Co. D. Sth Regiment, P. V., during the late rebellion, and having faithfully served his country in the time of war it is no more than right that he should be recompensed for his genuide in the time of server rats up a tree has been witnessed for soveral evenings past in front of the Cambria House, in this place, and a goodly number of persons have been attracted thither to see the sight. The tree is a tail locust, some of the upper limbs of which extend across the payement and connect with the rosf of the eral natural bridges by which to reach and return from the tree. How the rats get on the root is not so easy of solution, as no one yet has seen them emerge from their hiding places, but the presumption is that they emerge from a chimney which is not used during the warm weather. Several of the varmints were shot and killed by firing into

-The FREEMAN household had the pleasthe tree on Wednesday evening. -A heavy thunder storm, though of brief -The FREENAS household had the Dieas-ire this week of a visit only too brief from in esteemed lady friend and two of her bildren, Mrs. Mary W. Burg, of Wheeling, W. Va., formerly of Holildaysburg, whose musband, Prof. C. O. Burg, and eldest son

duration, passed over this place last Satur-day after soon. Rain fell in torrents, while slight damage was done to the growing corn by a sprinkling of hallstones about the size of a hickory-nut which descended. The e now on a visit to the Fatherland (Gerstorm, coming from the west, extended northward probably a mile, but to the south it barely went outside the borough limits.-many), where Mr. Burg's venerable mother, who is the only other surviving member of the family, still lives. A safe journey home During its continuance the stable of Mr. John Owens, in the West ward, was struck -George Levering, of Johnstown, sought to break up a marriage on Thursday night last between the girl he loved and a chap he lightning but not much damaged. This is at least the fourth time the lightning has struck in that immediate vicinity of latedidn't love, and with that object in view Mrs. McDonald's house twice, Mr. J. G. Hasson's stable once, and now Mr. Owens' stable-and the folks living thereabout think it's getting too numerous. A number of trees to the north were also scathed or de-

molished by the fiery bolts. —On Saturday evening last a cow invaded a stable in the East ward which is used by Mr. E. J. Humphreys, but only in the day, time, as a place wherein to feed his horses. The presence of the bovine was not noticed and the key was turned on her, and there she remained a close prisoner till the following Monday morning, when she was set at liberty. A bag containing about a bushel and a half of oats was found empty when oyable, and eminently worthy of encourage-uent. Go ye therefore and indulge in the

ment. Go ve therefore and indulge in the delights which will be in store for all who attend on that occasion. - A white crane measuring five feet from the toes to the bill, was shot near Hileman's mill, in Blair county, on Friday hast, by a man named Wilt, who had a bard hist, by a man named Wilt, who had a hard fight to get possession of his prize after it was shot, the hall having failed to get in its it's to the full extent. The erane is a na. tive of the extreme Southern States and i notes that she tried to make the best of seldom seen in Northern latitudes. Its feathers are very valuable, and being purely the unlooked-for opportunity thus afforded If she keeps on, her book of advenwhite are even more desirable than those of tures for the season will be quite volumin-James McGraw, the colored man who -Robert Hagan, alias Williams, alias Mewas found guilty of nurder in the second degree in the Bhuir county Court last week and sentenced to the Western Penitentiary town on Tuesday night and committed to and sentenced to the Western Penitentiary for a term of ten years, was driven from jail to await trial at the coming term of Court, for the alleged obtaining on false Hollidaysburg to Cresson in a close carriage by the Sheriff and another centleman and tenses of a watch from a jewelry estab-ment in that place to which Mrs. James McCreight had the only lawful claim. from thence taken to that institution by the P. R. R. The object of this coup d'etat was to avoid passing through Altoona, the scene he watch in question is worth about \$40, at the fact that it was left to Mrs. McC. by of the murder, where it was feared the prisoner would be lynched, though we are sure r father, ex-Sheriff Patterson, recently de-ased, makes it much more valuable to that the apprehension was grou -We had a call on Monday from Mr. J. W. Wonders, of Johnstown, who departed lady. The accused got possession of the time-keeper about five months ago by impos-ing a very plausible story on the cierk of the jewelry establishment, but it was not until several weeks after that the little game was hence the same day for regions further porth, whither he went to "whoop if up" on the County Treasurer question, for which he several works after third he into game was uncarthed by the rightful owner calling for her property. Nothing more was learned of the matter until about the beginning of last month, when Mrs. Thompson, who has a strong pepchant and an abiding hope. Mr. Wonders is an intelligent gentleman and a thorough Democrat, and if he gets through with his present contract all right, and don't run against a suag on the first Tuesday after the first Monday of November next, Demokeeps a eigar store in Johnstown, brought the same watch to the same jeweler for re-pairs. This furnished a clue to the thief, crats will have no cause to blush for their choice nor the office for its occupant. olce nor the office for its occupant. -Besides the card of J. A. Kennedy, Esq., and that clue being followed up eventually led to the arrest of Hagan, as above stated. whose candidacy for County Treasurer was noticed in these columns last week, we print IMPROVEMENT FOR MIND AND BODY.-For genuine merit there is no tonic sold that begins to compare with Parker's Ginger the aunouncements clawhere to-day of Messrs, P. B. Smith, of Munster township, and L. W. Shank, of Conemangh borough. Tonic. One 50 ct. bottle contains more life and strength-restoring power than a bushel oth of whom have been squinting at the County Commissionership for some time ot malt or a gallon of pure milk. As an ap-petizer, blood purifier and kidney corrector, past. We are free to say that there are no better Democrats in the county than the two gentlemen named, and if either or both of them should succeed in their aspirations It meets with astonishing success, and in-valids find its use promptly followed by re-newed energy and vivacity, mental and physical improvement, and gradual restora-tion to perfect health. See other columns. there can be no question but that honesty and fidelity to duty will mark their official

A RARE CHANCE FOR A GOOD EDUCATION. -We cheerfully comply with the request of Senator Boggs by publishing the following correspondence, which speaks for itself and will be of interest to some of our readers : To the Editor of the Johnstourd Tribune:

To the Editor of the Johnstown Tribune: Sin: By the following circular, from the State College, Centre county, Pa., it will be seen that arrangements have been made to establish fifty free scholarships in sold institution—one for each Senatorial District. Cambria and Blair counties, forming 'he Thitty fifth District, will, under this arrangement, be entitled to one scholarship. Those wishing to take advantage of the offer here made, and teeling themselves able and willing to comply with the terms and conditions mentioned, and qualified to pass the necessary examination, will report to the undersigned, by letter, on or before Wednesday, the 24th list. In the mentione a com-mittee will be chosen to examine the applicants, and the time and place of meeting for that purpose will be duly given. Address Hgxny A. Boords, Johnstown, Pa.

STATE COLLEGE, CENTRE Co., PA.,] July 14, 1981.

To Han, Henry A. Boygs, Johnstown, Fa. To Han, Henry 4, Rogar, Johnstown, Fa. Duran Suu: The Executive Committee of the Board of Trustees of the Fenneyleania State Col-lege have determined to establish fitwe(50) free scholarships in the institution—one for each Sen-atorial District in the State. All fulfion in the sed-lege is already free. These scholarships, in addi-tion to the fulfion, will entitle the holders thereof to exemption from the payment of other college charges, for incidentais, room rent, fuel, and the mas of furnitate. se of furniture. It is believed that this can be done without ad-

The isolayed that this can be done without adding materially to the expenses of the institution, while its benefits will be collarged to the extent of these relationships.
The conditions are that the scholar, after a competitive examination of the scholar shift of the appointment from the Senator of his district, and that said scholar be at least fifteen (15) years of ano of collar be and the fully prepared for admission to the Freshman effect in the scholar is a spontation of the four years of his district, and that said scholar be at least fifteen (15) years of ano of coll character, and that y prepared for admission to the Freshman effect. The statistic is a pointed shall be entitled to the benefits of his scholarship for the four years of his contrast, provided his conduct and class-standing he satisfactory to the Fresht, So soon as a valence, provided his conduct and class-standing he satisfactory for the scholar will please arrange for an examination to be held at some suitable point in your district, ya commutites approved of by yourself. The subjects for examination for the year 1851 set are, for all applicants, the Common English branches, physical geography, bigher a largely a district. The subjects for examination for the year test set are, for all applicants the Common English branches, physical geography, bigher a largely a district.

English branches, physical geography, bigher al-gebra (to quadratics), geometry (four books), and U.S. history. The special requirements of aipli-cants for admission to the Scientific course will be elements of natural philosophy; the special re-quirements made of Classical students are Cosar (three books) Clearo's orations (three), and Xeno-phen's annabasis. A student whose qualifications fold, in some respects, below the standard as to give a reasonable hope that he will make up his defi-ciencies may be admitted an architica. Should a reasonable hope that he will make up his den-ciencies, may be admitted *on probation*. Should no one present himself who is entitled to enter as a Freshman, a well-qualified applicant for *higher* class standing may be admitted. As soon as the appointment shall have been made in your district you will please notify the college authorities of the fact, giving the name soil address of the suportion.

college authorities of the fact, giving the name and address of the appointee. Although our standard of admission to the col-lege classes will be higher after the coming session and special courses in civil engineering, chemis-try, and physics, and natural science has been ad-ded to the courses recognized in the present esta-logue, I forward a copy of that catalogue as giving, on pages 15 and 35, a correct idea of the prepara-tion required of these who would now enter as Freshmen. We shall be gived to furnish you with tion required of these who would now enter as Freshmen. We shall be glad to furnish you with further information concerning this or other mat-ters relating to the college. Requesting your early and hearty co-operation in securing for your "scholarship" the best stu-dent available. I remain, yours respectfully. JAS. Y. McKan, Acting President.

....

FORCERLE REMARKS FROM JUDGE DEAN. --When Annie Gardner, indicted in the Blair County Court for infanticide and causing the death of her illegitimate off-spring, was called up last week for sentence in the latter count, on which she was found guilty, Judge Dean took occasion to say:

guilty, Judge Dean took occasion to say: "Although the evidence pointed to the truth of this charge (inflatiticity), the jury had a reasona-ble doubt of your guilt, and sequifted you of mur-der, but found you guilty of concealing the death of the inflat. Whether you murdered the labe God and you alone know. By the verdict we know you concealed its death. It was a bastard child, hence the affence which, calls for putilsh-ment not exceeding three years. We do not in-fered to impose upon you the extreme penality. ment not exceeding three years. We do not in-tend to impose upon you the extreme penalty. Neithor public sentiment nor the law apportions the penalty of the offence equally between the two sides. Leaving out of view those mass in which by parsistent strentions, fifschood and treachery, gains the affections of a young girl and takes ad-rantinge of the influence thus sequired to mit, her, no penalty is too severe for each villality.-But excluding this class of eases altogether, and taking those where the transgression is as much <text>

one of his pockets. Further than this nothing whereby to identify him could be found. BE WISE AND HATT. —If you will stop all your extravagant and wrong notions in doctoring yourself and families with expensive doctors or humbug cure-alis, that do harm always, and use only nature's simple remedies for all your allments—you will be wrise, well and happy, and save great expense. The greatest remedy for this, the great, wise and good will tell you, is Hop Bitters—rely on it. See another column.—Press. Sold at the new drug store. Ebens. have been running lines between this point and Cresson, configuous to the present branch road, the ultimate purpose of said surveying not yet being definitely ascertain-ed, but only conjectured, give it as their all your extravagant and wrong notions in doctoring yourself and families with expen-sive doctors or humbug cure-alls, that do harm always, and use only nature's simple remedies for all your allments-you will be well settled opinion that the engineer who located the Ebensburg and Cresson branch placed it on the very best ground between the two points named, and over which it could be built for the least money. This, coming as it does from competent judges, is

....

The Huntingdon Journal reminds us of the fact that we were "off our egg" when Referring to the McClure murder at we said that a reunion of the 125th regiment, P. V., is to be held in Altoona, on Saturday. Sept. 18th. We therefore correct the item Post of Tuesday says that the two men ar-rested last Saturday on suspicion of being implicated in the dastardly crime were not "Reddy" and "Shorty," as was at first sup-Sept. 15th. We incretely contout the neur by saying that Huntingdon is to be the place and Saturday, Sept. 17th, the time for the getting together of the "boys in blue," who may expect to be kindly greeted, well treated and abundantly filled by the hospitposed. The one taken for "Reddy" proves to be James O'Connor, who is a helper at able people thereaway. Brown's mill, on Tenth street, Pittsburgh,

ANSWER THIS QUESTION -- Why do so

many people we see around us seem to pre-fer to suffer and be made miserable by inditite, coming up of food, yellow skin, etc., when for 75 cts. E. James, Druggist, Ebens-burg, Pa., will sell them Shiloh's Vitalizer, which is guaranteed to cure in every in--A special session of Argument Court

A man in our vicinity, of much precodity, And a wonderful degree of mental precision, Sprang into some shrubbery with great velocity, And rudely extracted both his organs of vision. When he missed the use of his optical apparatus, He jumped into the bush again with animation. And having restored his eyes to their original sta

Straightway persued his customary occupation

We cannot but think occasionally of the and lot of We cannot but think occasionally of the sad lot of one who has lost both eves. It is of course impos-sible to enumerate a tithe of the Sweet sights he must necessarily miss, but it comes to our mind that be cannot see the infinite variety of splendid clothing which lines the shelves of Jas. J. Mur-phy, 100 Clinton street, Johnstown—and that is a sight worth seeing to anybady. This clothing is a preschedy the sort a nerven ourshift to were during precisely the sort a person ought to wear during the month or August, and will be disposed of to stomers at the very slightest advance over first

Shiloh's Consumption Cure.

"This is beyond question the most successful cough medicine we have ever sold," writes a prom-iment drug firm. A faw doses invariably cures the worst cases of Congh. Croup, or Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guar-antee-a test which no other medicine can stand. If you have a cough we currowith ask you to try 0 If you have a cough we carnestly ask you to try it Price, 10c, Mc, and \$1. If your lungs are sore, o your chest or back lame, use Shildh's Porous Plas ters. Sold at E. James' Drug Store, Postoffice Ebensburg, Pa. [4-1, \$1, e.o. w.17.]

Tis well to quote the census number. To show the greatness of a nation, But hetter yet's the green cucumber To double up the population.
