There is little doubt also
then in Washington. This memoranthere is maken to the introduction of the minute of the introduction o that in the great corn-growing States of the West the yield will be far below that this answer, was written by Judge Black for being lighted day and night by a conof last year.

THE President's condition in the early part of Tuesday night changed for the worse, in consequence of his having vomited several times, and on Wednesday the gravest apprehensions were felt at the White House that his end was near at hand. His condition during Tuesday night and all of Wednesday was more hopeful, however, and the latest dispatch from Washington at 7 o'elock this (Thursday) morning, states that he passed a comfortable night and was somewhat better: It seems that the great trouble with him is not caused by the wound, but from the refusal of his stomach to retain any nourishment. The prospects of his recovery are by no means bright, but while there is life Court Bench. Judge B. is seconly-one

EDNA, Minu., Aug. 10, 1881. DEAR FRED. - Your letter received a few ays ago. I told you in my postal that I would have a big fish story to tell you the next time I wrote, and I think I have one now, though it is not about a very large fish. The day I wrote you from Forest Lake we left for some other lakes much farther north, called Fish Lake, Lost Lake and Battle Lake. We had profty good fishing the first day we were there, catching some black bass that would weigh four pounds at least; but at the most inter-esting time, when the fish were biting splen-

She died in great torture and agony -David H. Trexter, a former wealthy er the flames. The child had frequently business man of Williamsport, committed suicide on Saturday by banging. Attributed to result financial losses.

Attributed to result financial losses.

-Sylvester Le Voice is a fair-haired, blue-eyed, mild-mannered hoy of 11 at James, town, N. Y., yet he deliberately shot a baby town, N. Y., yet he deliberately shot a baby public men of both parties. Guirean thinks public men of both parties. Guirean thinks

The marauding Apaches in New Mexico night last, and in a few minutes the store and consumed Oppenheimer's building, the Fisher house adjoining, and a dwelling bewas inadequate in extinguishing the flames, and the Silsby engine at Everett was telewas imadequate in extinguishing the flames, and the Sishy engine at Everett was telegraphed for and an engine and car sent from Bedford. It arrived about 12:30, and got the flames under control in a short time. The loss on hotel and store, belonging to Mt. Oppenheimer, is estimated at \$33,000; no insurance. Mr. Hartiey's 'dwelling was insured for \$6,000, which covers the loss.

-Two Iowa farmers have been at law for ed for \$6,000, which covers the loss. -A most heliberate suicide was commit-ted in Philadelphia on Saturday. About walking leisurely along the south walk of the Market street bridge spanning the Schuylneath him and then removed his hat, wined hat and youlted over the railing into the river, just under the centre span. The bridge watchman and several others who will be reconsiderate fathers are a considerate fathers. stingtively yalled out to Jared and he turned and this is what we balk as ink. In the centre of which and leading right down upon us was a circular mass of dusty vellow clouds, which

distance we could only trust in Providence and pull for dear life. I pulled till my arms seemed to grow inches longer at each stroke, while the hoat seemingly remained right where it was. This, however, was a mistake, for we suddenly heard a rush and wash of water, and before we knew it were landed "nigh and wet" on shore, and after several hours' walk were telling our story in dry clothes beside a biazing fire to our land, dry clothes beside a biazing fire to our land, dry clothes beside a biazing fire to our land, dry clothes beside a biazing fire to our land.

—Ferdinand Pitcher, 10 years of age, sou of George Pitcher, committed suicide by hear land a full most certainty have been killed. Mr. Thisman saw the child's peril. The engine was then past him and of George Pitcher, committed suicide by hunging himself in his father's barn, in the could not be stoped, but with rare presence of unid, he lastened to the telegraph office and sent messages to Johnson's, the next station, and to Westown, further on, ordering them to flag the engine and remove the support that a language of the lastened was then past him and could not be stoped, but with rare presence of more in the lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presence of unid, he lastened was then past him and could not be stoped, but with rare presenc message along the line. It was received at aged fifty, were married at Ottawa on Wednesday hight. A party of roughs started a Johnson's just in time and the engine was charivari and were driven away by Wether-ell, who followed them and was killed by to the rear of the tender and found the advanturous little traveler still in his piace, nurmed. He was sent back to his home, at Middletown, on the milk train.

> THE RESORT OF FOLLY .- To wait until you are down on your bed with disease you may not get over for months, is the height of folly, when you might be easily cared during the early symptoms by using Parker's Ginger Tonic. It costs only a trifle, can never do any barm, and possesses curative properties in the highest degree. We have known the palest, sickliest looking men, women and children become the rosiest and ealthiest, from the timely use of this pure family medicine. See advertisement in another column.—Observer. For sale at the new drug store, Ebensburg. [[7-22.-1m.] ---

> A Washington special to the New York Graphic says the universal sympathy felt for Mrs. Garfield in her present affliction will be fact that she again expects to become a mother about the end of November next. The health of Mrs. Garfield has been excellent since her recovery from her illness two months ago, of which, by the way, the cause was at the time misunderstood. Mrs. Garfield was married in 1858, and is now about forty-six years old.

---DRUGGISTS PRAISE THEM.—"We always reccommend Mult Bitters." A perfect food medicine,"

"Best nourishing agent we know of."
"Women and children take Malt Bitters." "Overcome nervousness and sheeplessness." Not a vile rum bitters. 'A perfect renovater of exhausted nature " "Most successful medicine in the world."

Mrs. Connors, a highly-educated woman, people of Eric for seventeen years, was rescuded Sunday from a band of tramps, who Believing herself to be dying she states she is of noble birth, being one of the English Percevals and reared in the family of the Earl of Egmont, who was a relative
