## THE GRAVE CONTINGENCY.

STAND TAKEN BY THE DEMOCRATIC SENA-ORS IN VIEW OF POSSIBLE EVENTS.

DEAR FRIEND MCPIKE-I have had rheu A Washington special to the Philadelphia matism in my hands for some time, and could not write ; cause, getting old. Before relegraph (Rep.) notes as a pleasing feature in the present situation, the patriotic stand being thus afflicted I was busy helping to harvest. Before that I had no inclination to openly taken by the Democratic Senators of ate with respect to the proper action of the Now that the inclination inflicts me Senate in the event of the President's death. The composition of the Senate, politically onsidered, is such that the Democrats, if so THE HARVEST. sed, could make infinite trouble. The harvest this year was early, but light. it is evident that they wish to meet the Re publicans in a friendly and conciliatory spirit. Senator Beck's statement that the would vote for Senator Anthony as Presiden

of the Semate, and thereby, of course, Vice President of the United States, has given the greatest satisfaction, and offered a resolution same yield. In fact, all the wheat-growing of a difficulty which threatened to disturb were in the same fix this the country. The position of the Senator is universally peroved as sensible and proper. To select Democrat as the next to the Executive, yen if this could be done without fierce and PRICE OF WHEAT.

Last year wheat didn't sell for more than protracted opposition, would, in the present state of popular feeling, he very imprudent, a corner made in chartering ships, by which it cost us nearly twenty dollars a ton to send and might lead to the greatest evils. Sena our wheat to market. It all goes around tor Pugh is reported this morning to have taken his stand by the side of his Democratic colleague. He thinks that no great change will be attempted as a result of the President's death. He believes that Arthur direct across the Atlantic. Wheat is only cents a bushel here now, with the late will not make any marked innovations, and if he tried to do so, he would be oppressed ould not wonder if it went up to two cents t only by the unjority of the Republicans,

int by the solid Democratic strength. The Senator says : "Every sensible maa knows that the most violent opposition would be encountered by any man or bedy Senate. There he would run against the solid strength of the thirty-eight Democratic itors and fully twenty-five of the thirtyeight Republicans

Such being the yielding disposition of the Democrats on questions of broad national policy, it is very likely that they will ask ome have left off farming and gone to wash hat the clerical force be maintained in its resent mixed character, the Republicans ping the committee organization, and y the patronag cof the offices of the Secretary and Sergeant at Arms.

Nor would such a position be unreason-able. If they consent, though equal or superior in numerical strength, to the election leased. We also do our share of a Republican to fill the vacancy caused by usiness in everything else, such as cont Arthur's elevation to the Presidency, they can demand with propriety that the vacancy caused by the death of Secretary Birch be filled by a successor of the same political al-
